## **Kings Lovers Fools:**

**Kings, Lovers and Fools** Johanna Johnston, 1986      *Foolish Kings* Lael Silver, 2014-07-11 they disappeared into the dark mist and searing water Just simple as that they were on Earth no longer Over a year and a half later Ellyora finds herself seeking the myth world of Alora once again With her little brother kidnapped by monsters and God calling her name she is lost in that far away land that still misses its king When a stranger named Laythe Alban comes along she doesn't know if he is an Angel of God or a Demon from Hell and that makes things all the more surreal Zage Royal is rebuilding his life around the only two people in the world that seem to care about him Flaren and Blythe who are trying to start a life together But when someone attacks their home and sends them running they call upon an old friend Malachi Raziel is beaten bloody and broken beyond repair Dying in all sense of the word An old adversary from his past is back and tearing open old scars In Malachi's darkest hour only one thing seems to be his hope But the problem is that he can't decide if she'll be the cause of his salvation or damnation Bringing back your favorite heroes and heroines bringing in your worst nightmares and bringing forth characters that may be one or the other Foolish Kings the second installment of the Missing King Chronicles will keep you wanting more and draw you back into Alora yet again      *King's Fool* Margaret Campbell Barnes, 2022-08-01 In *King's Fool* Margaret Campbell Barnes masterfully intertwines historical fiction with psychological depth transporting readers to the tumultuous court of King Henry VIII The novel chronicles the life and tribulations of the fictional character Will Somers the king's jester who serves not only as a source of entertainment but also as a keen observer of the intricate and often perilous political landscape of Tudor England Barnes's prose is infused with both wit and poignancy capturing the duality of Somers's existence as both a fool and a sage amidst the royal intrigues The richly detailed setting combined with vibrant characterizations invites readers into a world where loyalty and survival hinge on sharp wit and insight Margaret Campbell Barnes was a notable historical novelist whose works often reflect her fascination with the rich tapestry of British history Her background in the arts and literature coupled with extensive research informs her authentic depictions of historical figures and events This blend of creativity and scholarly rigor is evident in *King's Fool* where Barnes adeptly explores themes of power vulnerability and the human condition against the backdrop of the Tudor court For readers seeking a compelling narrative steeped in historical context *King's Fool* is a must read Barnes's nuanced storytelling delivers not only entertainment but also a thought provoking reflection on the nature of power and the roles that individuals play within its shadow Prepare to be captivated by this poignant exploration of loyalty ambition and the delicate balance between fool and wise man      **Summer King, Winter Fool** Lisa Goldstein, 2014-10-21 As revolution simmers a poet finds himself with a chance for the crown In Etrara the winter is bitter and endless but Valemar does not feel the chill A loyal courtier he prefers wine and poetry to palace intrigue and has never let ambition draw him into danger But when the dire portents of a soothsayer darken a royal feast all the land learns that the king's days are numbered Revolution is coming and soon a new

head will wear the crown But whose will it be While carousing at a gambling den in the lower city Val s cousin kills one of the king s favorites in a barroom brawl Rather than leave his kin to the mercy of the city guards Val helps him flee and take refuge in a fishing village on the far side of the kingdom Here Val learns a secret that could change Etrara forever and turn this carefree poet into the savior of a frostbitten land **The Wisest Fool** Steven Veerapen,2023-09-07 James VI and I the first monarch to reign over Scotland England and Ireland has long endured a mixed reputation To many he is simply the homosexual King the inveterate witch roaster the smelly sovereign who never washed the colourless man behind the authorised Bible bearing his name or the drooling fool whose speech could barely be understood For too long he has paled in comparison to his more celebrated Tudor and Stuart forebears But who was he really To what extent have myth anecdote and rumour obscured him In this new and ground breaking biography James s story is laid bare and a welter of scurrilous outrageous assumptions penned by his political opponents put to rest What emerges is a portrait of Elizabeth I s successor as his contemporaries knew him a gregarious idealistic man obsessed with the idea of family whose personal and political goals could never match up to reality With reference to letters libels and state papers it casts fresh light on the personal domestic international and sexual politics of this misunderstood sovereign A real page turner for lovers of history Philippa Gregory

The King's Fool Mahi Binebine,2020-08-06 Sidi is dying In the last days of this all powerful tyrant his faithful court fool takes stock of the decades he has spent in the king s service For the many years have left certain indelible wounds During his service the fool has been the king s closest counsel his most trusted companion and adviser privy to the king s deepest secrets and most intimate thoughts It is an honoured position for which many other courtiers would pay a hefty price Something the fool understands only too well for this closeness has indeed come at a terrible cost What price the confidence of a great king Is it stories jokes witty repartee Or does the debt fall closer to home Perhaps it must be paid far from the magnificent palaces feasting and festivities of the royal court Perhaps it must be paid in the death jails of a formidable prison fortress far out in the desert a place so feared that few dare to speak its name Translated from the French by Ben Faccini
