## **Kings Own A Borderlands Novel:**

**The King's Own** Lorna Freeman,2006 After a magical debacle lands him behind bars and almost causes a riot Rabbit now a free man is reaffirmed as King Jusson s heir and the official mage of the kingdom and must save Iversterre from sliding into the abyss by mastering his immense powers before the enemy does      **Rebel Ice** S. L. Viehl,2006-01-03 Two years ago Dr Cherijo Torin s ship crash landed on the ice covered world of Akkabarr Struggling to survive in the hostile landscape she has no memory of her past Now her husband Duncan Reeve has finally located her and he will stop at nothing to bring Cherijo home But Akkabarr is a world in conflict Slaves forced to live on the planet s surface are rebelling against their masters the Windlords who rule from sub orbital cities far above the harsh climate And on this war torn world Duncan Reeve will discover that his greatest obstacle to reuniting with Cherijo may be Cherijo herself      *Shadows Past* Lorna Freeman,2010-02-02 The bestselling Borderlands saga continues Rabbit is struggling to make sense of his new powers and his new position as King Jusson s heir when a man once scorned by his mother comes seeking retribution and demands that Rabbit marry his daughter      *Two Graham Clan Novels* Heather Graham,2018-04-10 The first two novels in the medieval Scottish romance series from a New York Times and USA Today bestselling author and an incredible storyteller Los Angeles Times Writing as Shannon Drake Heather Graham turns her boundless imagination to her Scottish heritage introducing the Graham clan Gaelic speaking Lowlanders who fight with their Highland brethren for the country they love Come the Morning A battle of wills is ignited when Lady Mellyora MacAdin of Blue Isle a Viking warlord s daughter and a formidable swordswoman is forced to marry the Scottish warrior knight Waryk de Graham A swashbuckling tale of warring factions in twelfth century Scotland Characters are richly detailed their romantic interplay is set among the vividly rendered skirmishes and treachery of medieval Scotland Publishers Weekly Conquer the Night Revenge turns into unbridled passion when Scottish nobleman Sir Arryn Graham raids Seacairn Castle to steal his enemy s intended bride the fiery Lady Kyra

**Stephen King** Albert Rolls,2008-12-30 Now known worldwide for his horror creations in best selling books and popular film adaptations Stephen King spent years in obscurity trying to find his voice and his audience For much of his career he chose to remain in the small town Maine of his youth far from glittering publishing and film centers yet few American writers can now equal his hold on audiences worldwide This biography traces King s evolution from would be pulp magazine writer to master of his craft whose work both epitomizes and transcends the horror genre      *The Quest for the Dark Tower* Alissa Burger,2021-03-22 A sprawling epic that encompasses many worlds parallel and alternate timelines and the echoes between these disconnects Stephen King s Dark Tower series spans the entirety of King s career from The Gunslinger limited edition 1982 revised in 2003 to The Wind Through the Keyhole 2012 The series has two distinctive characteristics its genre hybridity and its interconnection with the larger canon of King s work The Dark Tower series engages with a number of distinct and at times dissonant genre traditions including those of Arthurian legend fairy tales the fantasy epic the Western and horror The

Dark Tower series is also significant in its cross references to King's other works ranging from overt connections like characters or places to more subtle allusions like the sigil of the Dark Tower's Crimson King appearing in the graffiti of other realities. This book examines these connections and genre influences to consider how King negotiates and transforms these elements, why they matter, and the impact they have on one another and on King's work as a whole. Critical Explorations of Young Adult Literature Victor Malo-Juvera, Crag Hill, 2019-12-06 Recognizing the determination of a canon as an ongoing process of discussion and debate which helps us to better understand the concept of meaningful and important literature, this edited collection turns a critical spotlight on young adult literature (YAL) to explore some of the most read, taught, and discussed books of our time. By considering the unique criteria which might underpin the classification of a YAL canon, this text raises critical questions of what it means to define canonicity and designate certain books as belonging to the YAL canon. Moving beyond ideas of what is taught or featured in textbooks, the volume emphasizes the role of adolescents' choice, the influence of popular culture, and above all, the multiplicity of ways in which literature might be interpreted and reflected in the lives of young readers. Chapters examine an array of texts through varied critical lenses, offer detailed literary analyses, and divergent interpretations, and consider how themes might be explored in pedagogical contexts. By articulating the ways in which teachers and young readers may have traditionally interpreted YAL, this volume will extend debate on canonicity and counter dominant narratives that posit YAL texts as undeserving of canonical status. This text will be of great interest to graduate and postgraduate students, academics, professionals, and libraries in the field of young adult literature, fiction, literacy, children's literacy, and feminist studies. **The Mammoth Book of Best New Horror 23** Stephen Jones, 2012-10-18 The year's best and darkest tales of terror showcasing the most outstanding new short stories by both contemporary masters of the macabre and exciting newcomers. As ever, this acclaimed anthology also offers a comprehensive overview of the year in horror: a necrology of recently deceased luminaries and a list of indispensable addresses for horror fans and writers. The Mammoth Book of Best New Horror remains the world's leading annual anthology dedicated solely to presenting the best in contemporary horror fiction. **Ashoka** Patrick Olivelle, 2024-01-09 An illuminating biography reconstructing the life and legacy of a unique king in world history and the most famous emperor in South Asian history. There are few historical figures more integral to South Asian history than Emperor Ashoka, a third-century BCE king who ruled over a larger area of the Indian subcontinent than anyone else before British colonial rule. Ashoka sought not only to rule his territory but also to give it a unity of purpose and aspiration to unify the people of his vastly heterogeneous empire not by a cult of personality but by the cult of an idea: dharma, which served as the linchpin of a new moral order. He aspired to forge a new moral philosophy that would be internalized not only by the people of his empire but also by rulers and subjects of other countries and would form the foundation for his theory of international relations in which practicing dharma would bring international conflicts to an end. His fame spread far and wide, both in India and in other parts of Asia, and it prompted

diverse reimaginings of the king and his significance In this deeply researched book Patrick Olivelle draws on Ashoka's inscriptions and on the art and architecture he pioneered to craft a detailed picture of Ashoka as a ruler a Buddhist a moral philosopher and an ecumenist who governed a vast multiethnic multilingual and multireligious empire [The Mammoth Book of Best New Horror 25](#) Stephen Jones,2014-10-16 For a quarter of a century this multiple award winning annual selection has showcased some of the very best and most disturbing short stories and novellas of horror and the supernatural As always this landmark volume features superior fiction from such masters of the genre and newcomers in contemporary horror as Michael Chislett Thana Niveau Reggie Oliver Tanith Lee Neil Gaiman Robert Shearman Simon Strantzas Lavie Tidhar Simon Kurt Unsworth and Halli Villegas With an in depth introduction covering the year in horror a fascinating necrology and a unique contact directory The Mammoth Book of Best New Horror remains the world's leading anthology dedicated solely to presenting the very best in modern horror Praise for previous Mammoth Books of Best New Horror Stephen Jones has a better sense of the genre than almost anyone in this country Lisa Tuttle The Times The best horror anthologist in the business is of course Stephen Jones whose Mammoth Book of Best New Horror is one of the major bargains of this as of any other year Roz Kavaney An essential volume for horror readers Locus

**A Book about the Film Monty Python and the Holy Grail** Darl Larsen,2015-03-06 Monty Python's Flying Circus aired from 1969 until 1974 but the conclusion of the series did not mark the end of the troupe's creative output Even before the final original episodes were recorded and broadcast the six members began work on their first feature length enterprise of new material Rather than string together a series of silly skits they conceived a full length story line with references to the real and imagined worlds of the mythical King Arthur the lives of medieval peasants and the gloomy climate of 1970s Britain Released in 1975 Monty Python and the Holy Grail was a modest success but has since been hailed as a modern classic In A Book about the Film Monty Python and the Holy Grail All the References from African Swallows to Zoot Darl Larsen identifies and examines the cultural historical and topical allusions in the movie In this entertaining resource virtually every reference that appears in a scene whether stated by a character depicted in the mise en scene or mentioned in the print companion is identified and explained Beyond the Arthurian legend entries cover literary metaphors symbols names peoples and places as well as the myriad social cultural and historical elements that populate the film This book employs the film as a window to both reveal and examine Arthurian life and literature the historical Middle Ages and a Great Britain of labor unrest power shortages and the common man Introducing the reader to dozens of medievalist histories and authors and connecting the film concretely to the modern British Empire A Book about the Film Monty Python and the Holy Grail will appeal to fans of the troupe as well as medieval scholars and academics who can laugh at themselves and their work

**The Supernatural Cinema of Guillermo del Toro** John W. Morehead,2015-06-04 Oscar winner Guillermo del Toro is one of the most prolific artists working in film His directorial work includes Cronos 1993 Mimic 1997 The Devil's Backbone 2001 Blade II 2002 Hellboy 2004 Pan's
