Passing Through Customs Gibbons Ruark,1999-02-01 Gibbons

Ruark is a poetic naturalist bending close to his subject to report with precision the complexity of beauty we overlook in our haste A truly imaginative writer as well however Ruark gives back to us not merely mirrored documentation but reflections fully colored by his sight and his spirit like water and sky both subject and poet are illuminated in his poems *Passing Through Customs* a retrospective of thirty years work is arranged in clusters of image feeling and thought like runs of a particular kind of music The reader moves from two coastal poems years apart on the calendar of the poet s career to poems about family and friends through shadows and solitudes of elegies into sunlit homages to the saving grace of art There are evocations of Ruark s beloved and strife torn Ireland others of Italy s bounty portraits of now missed faces and the abiding presence of his wife This gallery of words so strongly affecting steadies and moves us at once *Passing Through Customs* leads us into the reaches of Ruark s sensibility certainly but also through inherited forms and ceremonies enriching to us all

Rescue the Perishing Gibbons Ruark,1991-08-01 Man is in love and loves what vanishes Yeats wrote What more is there to say Gibbons Ruark endorses this view in *Rescue the Perishing* his fifth volume of poetry even as he challenges Yeats through the depth and breadth of his memory and testimony Ruark s love poems and elegies are filled with music In the opening poem *Postscript to an Elegy* the tremor of the phone ringing Muffled car horns jamming in the neighborhood anchor the memory of a lost friend in the music of everyday life In other poems these moments of discovered music join with the strains of Jelly Roll Morton Louis Armstrong and traditional Irish songs to create sense as joyful as love at its best and as tragic as car bombs and the elegies they necessitate Ruark has an unusual capacity to blend the political and the personal to make the small things of this world a glass swan bought as a gift for example reverberate with a patriot s love for Ireland a traveler s love for someone distant and the fragility of a country trapped in war The poet captures how an oral tradition lingers not just in the rhythms of speech or in songs repeated for generations but in stories of heroism and violent death told where people gather for drinks Moments of beauty are shattered as in *Glasnevin* In Ulster just as the year was flowering The Sten guns roared and adamant hymn singers Slumped in their bloody pews and now rung off This granite the old staunch hymns are streaming From the country churches of my boyhood Yet images of dissolution little shards That will not gather into anything as Ruark phrases it in the volume s opening poem are transformed by the poet s lyricism and his love of the natural world a binding force throughout the book This is a poet who in the words of William Stafford discovers as he goes One of Ruark s many strengths is his charm in inviting readers to travel with him **Georgina Campbells Ireland 07**

Georgina Campbell,2006-10 This guide describes approximately 1200 recommended establishments throughout Ireland from a wide range of hotels restaurants cafes and pubs through to guest houses and farmhouses [The Little Book of the Wild](#)

[Atlantic Way](#) Helen Lee,2021-06-25 Did you know that the inventor of the submarine was born along the west coast of Ireland

that ships from the Spanish Armada floundered off the Irish Atlantic seaboard and that guns for the 1916 Easter Rising were to be landed at Barna Strand in Co Kerry but the ship The Aud was intercepted by the British Navy Did you know that there was a plan to smuggle Marie Antoinette from France and away from Madame Guillotine to Dingle that the Fasnet Rock off the south coast is known as the tear drop of Ireland and that Maureen O Hara s husband was a flying boat pilot who regularly flew into the flying boat station at Foynes And did you know that Martello towers were built along the western seaboard during the Napoleonic Wars in case Napoleon tried to invade Great Britain via the back door This fact packed little book is full of all sorts of information that will surprise even those who think they know the towns and villages along the Wild Atlantic Way

Kinvara summer, Christine Marion Fraser Christine Marion Fraser, 2000

Oileain David Walsh, 2004 A wealth of information on the wildlife stories and history of the islands For those wishing to visit in small boats or kayaks there are details of Landings Camping Drinking water Tidal information Oileain is a detailed guide to almost every Irish offshore island The guide is comprehensive describing over 300 islands big and small far out to sea and close in by the shore inhabited and uninhabited Oileain tells it as it is rock by rock good and bad pleasant and otherwise It concentrates on landings and access generally then adds information on camping drinking water tides history climbing birds whales dolphins legends or anything

else of interest Oileain will I hope appeal to all who go to sea in small boats divers and yachtsmen as well as kayakers The sheer level of detail contained in Oileain must surely throw new light on places they thought they knew well It is not a book about kayaking It so happens that a practical way of getting to islands is by kayak and that is how the author gets about Scuba divers and RIBs get in close too Yachtsmen get about better than most and they too enjoy exploring intensively from a dinghy With the increasing availability of ferries boatless people will also enjoy Oileain Offshore islands are the last wilderness in Ireland Hillwaking is now so popular that there are few untrampled mainland hills Ninety per cent of offshore islands are uninhabited outside of the first fortnight in August and eighty per cent even then You won't meet many other people if any at all out beyond an Irish surf line It is a time of change though and holiday homes are very much the coming thing in some offshore areas Sea going will never stop being a great adventure Therefore offshore islands are still the preserve of the very few Now is a golden era for exploration

A Journey Into Ireland's Literary Revival R. Todd

Felton, 2010-07 From the 1890s until the 1920s a great tide of literary invention swept Ireland As the country struggled for political independence the writers who formed the Irish Literary Revival created a new authentically Irish literature Some such as W B Yeats John Synge and Lady Gregory celebrated the mystical tradition of Ireland's west others such as Sean O Casey explored Dublin's crowded streets and tenements This fascinating revealing and beautiful book examines the relationship between these writers and the towns and countryside that fueled their imaginations Part history part biography and part travel guide A Journey into Ireland's Literary Revival takes the reader to Galway the Aran Islands Mayo Sligo Wicklow and Dublin Along the route it visits the cottages and castles crags and glens theaters and pubs where some of the country's finest writers shaped an enduring vision of Ireland
