RUDYARD KIPLING

(Born December 30, 1865; died January 17, 1936)

If you can keep your head when all about you
Are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you,
But make allowance for their doubting too:
If you can wait and not be tired by waiting,
Or, being lied about, don't deal in lies,
Or being hated don't give way to hating,
And yet don't look too good, nor talk too wise;

If you can dream—and not make dreams your master;
If you can think—and not make thoughts your aim,
If you can meet with Triumph and Disaster
And treat those two impostors just the same:
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build 'em up with worn-out tools;

If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings,
And never breathe a word about your loss:
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them: "Hold on!"

If you can talk with crowds and keep your virtue,
Or walk with Kings—nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much:
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the Earth and everything that's in it,
And—which is more—you'll be a Man, my son!

Selected Poems Rudyard Kipling, 2006-06-29 Rudyard Kipling 1865-1936 is often regarded as the unofficial Laureate of

the British Empire Yet his writing reveals a ferociously independent figure at times violently opposed to the dominant political and literary tendencies of his age Arranged in chronological order this diverse selection of his poetry shows the development of Kipling s talent his deepening maturity and the growing sombreness of his poetic vision Ranging from early exhilarating celebrations of British expansion overseas including Mandalay and Gunga Din to the dignified and inspirational If and the later deeply moving Epitaphs of the War inspired by the death of Kipling s only son it clearly illustrates the scope and originality of his work It also offers a compelling insight into the Empire both at its peak and during its decline in the early years of the twentieth century
