Kirsten's Photo Essay Econo-Clad Books, Helene Tremblay, 1997-01-01 A look at the everyday life of a family in Germany Families Of The World *Kirsten's Photo Essay* Hilhne Tremblay, 1997 **The Sweet Taste of Empire** Kim Hall, 2025-08-19 How seventeenth century English literary genres associated with gastronomic and aesthetic pleasure shaped representations of Caribbean colonization and slavery Over the course of the seventeenth century sugar prices fell drastically As this newly affordable luxury made its way from royal entertainments to the closets of home cooks in ever increasing quantities sugar bound England s fortunes to the Caribbean The pursuit of sugar s pleasures and profits generated newly visible and vexed relationships not simply between enslaved and enslaver but also between enslaved and consumer that threatened the English sense of the nation the household and the self The Sweet Taste of Empire explores how the unique emphasis the English placed on confections as a marker of status and national identity offered a framework for grappling with changing notions of race gender labor and domesticity that shaped early colonization Tracing the literal and literary uses of sugar in seventeenth century England Kim F Hall shows how literary genres associated with gastronomic and aesthetic pleasure shaped representations of Caribbean colonization and slavery developing a culinary language that functioned as a discourse of pleasure and white innocence In turn Hall argues Caribbean sugar production influenced domestic consumption and trade in England as well as the very notion of what it meant to be English Drawing on a wide range of early Anglo Caribbean texts from cookbooks and banquet menus to economic poetry to maps and treatises on plantation labor and health Hall uncovers what she calls a plantation aesthetic in which writers mobilize ways of seeing from pastoral georgic and landscape discourses when addressing issues of race and enslavement This plantation aesthetic reveals deep worry over the threat African slavery poses to the imagined idea of English plantations as idealized agrarian life ultimately shaping the history of both English slavery and the later anti slavery response Recentering the Caribbean in early modern literary studies The Sweet Taste of Empire sheds new light on the aesthetic and the poetic in the archives of Caribbean enslavement *Kirsten's Photo Essay* Tom Chan, Deborah J. L. Haughland, 1998 **Hands-On Social Studies, Grade 6** Jennifer Lawson, 2005 This teacher resource offers a detailed introduction to the program which includes its guiding principles implementation guidelines an overview of the social studies skills that grade 6 students use and develop and a classroom assessment plan complete with record keeping templates and connections to the Achievement Levels outlined in the Ontario Social Studies Curriculum This resource has two instructional units Unit 1 First Nation Peoples and European Explorers Unit 2 Canada s Links to the World Each unit is divided into lessons that focus on specific curricular expectations Each lesson has materials lists activity descriptions questioning techniques activity centre and extension ideas assessment suggestions activity sheets and visuals **Picturing Arizona** Katherine G. Morrissey, Kirsten Jensen, 2005-10 The more than one hundred images by well known photographers such as Dorothea Lange and Laura Gilpin as well as by an array of less

familiar ones places the work of local Arizonans alongside that of federal photographers both to illuminate the impact of the Depression on the state's distinctive racial and natural landscapes and to show the influence of differing cultural agendas on the photographic record. Includes essays by a variety of authors on life in 1930s Arizona and the photographers who documented it.

Hope Under Oppression Katie Stockdale, 2021-06-17 We have all been told at one time or another to never give up hope. It's a common injunction to children but as we grow older sustaining hope becomes more challenging particularly in a world we come to see as often frightening, dark and unjust. But what is this thing hope and why is hope so valuable that we are so often urged to preserve and protect it? This book explores the nature and essential role of hope in human life under conditions of oppression. Oppression is often a threat and damage to hope yet many members of oppressed groups including prominent activists pursuing a more just world find hope valuable and even essential to their personal and political lives. Katie Stockdale offers a unique evaluative framework for hope that captures its intrinsic value, the rationality and morality of hope and ultimately how we can hope well in the non-ideal world we share. She develops an account of the relationship between hope and anger about oppression and argues that when people are angry about oppression they tend to also harbour hope for repair. When people's hopes for repair are not realized as is often the case for those who are oppressed their anger can evolve into bitterness. They feel unresolved anger as a result of losing hope that injustice will be sufficiently acknowledged and addressed. Fortunately things do not have to be this way. Even when people may feel that they have lost all hope faith can help them to be resilient in the face of oppression. They can join with others who share their experiences or commitments for a better world uniting with them in collective action. By doing so they can strengthen hope for the future when hope might otherwise be lost. Ultimately this work illustrates the crucial value of hope for both individuals and collectives in the pursuit of justice and in an increasingly uncertain world.

The Photography of Crisis Daniel H. Magilow, 2012 Examines photo essays from Weimar Germany's many social crises. Traces photography's emergence as a new language that German photographers used to intervene in modernity's key political and philosophical debates changing notions of nature and culture, national and personal identity and the viability of parliamentary democracy.

Like What We Imagine David Bartholomae, 2021-11-16 David Bartholomae has been a prominent figure in the field of composition and rhetoric for almost five decades. This is an end-of-career book, a collection of late essays that reflect on the teaching of reading and writing, on the challenges and value of students' work and on the place of English in the university curriculum. The chapters are unified by a thread that connects some of the books and ideas, people and places, students and courses that shaped and sustained his work as a scholar and teacher over time. Several chapters present and discuss extended examples of student writing. The essays trace his formation from the early days of Basic Writing to his final engagements with study abroad and travel writing where he had the chance to think again and in radically different settings about the fundamental problems of communication across
