The Real Story Michael Bowman,2008-04 The Second

Coming is unfolding in Tennessee where intelligent design is a fact of life and evolutionary science a lie This is local reporter Laurie Hendricks account of events told through the lives of a small circle of disciples We learn that a Second Coming does not signal the end of the world in a literal sense it is a metaphor for our responsibility to create a better world But first we must recognize that as consciousness we are infinitely more than these material bodies they are simply our access to the material world In allowing ourselves to be controlled by them in struggling to satisfy their urges and demands we create the divisive self interest behind ALL of our problems Laurie's story echoes the words of enlightened thinkers through the ages The world only changes for the better when we do First we must see through material illusions and recognize our Real nature as consciousness

Revelation in the Song of Songs Vola Masoandro Andrianarijaona,2025-01-29 Song of Songs or Shir Hashirim is a very special book of the Bible for many reasons For example it is the most metaphorical opening the door to many different interpretations that do not oppose each other It is also one of the books that does not contain any of God's names at least in the most used versions of the Bible It holds quite a few Guinness Bible Records in terms of word occurrences and word first appearance In light of this Song of Songs should be fascinating but most studies of it have followed a narrow and limited path The book has often been seen as primarily a story about a woman and a man deeply in love And it certainly contains that aspect in striking detail Some parents would not dare read it aloud in front of their children Sermons based on verses from Song of Songs are almost always linked to marital relationships or something similar But is that all this book is about Certainly not In fact the Son of God used a connotation found only in Song of Songs in the

last prophecy he gave on his way to Calvary The study of Song of Songs alongside the book of Daniel and Revelation hints of prophetic aspects For example Song of Songs describes in detail the seven churches of Revelation It also alludes to the two statues of the book of Daniel And the four beasts Yes they have their allegories there as well God s laws Of course Even the sealing of God s people was not left out Country living There is no way to miss it The Great Controversy and how it ends this is perhaps the greatest message of the book
