of a mother's soft prechewed food into the mouth of her infant Does a pooch or any other animal smooch Can a mother's kiss symbolically suck out the evil force that is causing her child pain How is a sniff kiss different from a mouth kiss And how does a lipstick's rosy hue harken back to a woman's subconscious labial awareness These tantalizing questions and many more are answered in *Kiss and Tell* the first comprehensive book to embrace the subject of kissing in sensuous detail Author and journalist Julie Enfield offers us a panoply of kisses from the celebrated French kiss to the unforgettable first kiss She explores how each of our five senses enhances and informs a kiss and reveals the sometimes surprising chemistry behind desire From a fascinating exposé of literary film and artistic kisses to a lush landscape of lipstick and iconic pouts this playfully designed and beautifully packaged book is the ultimate guide to lip reading and a perfect gift of love **The British Drama: Comedies. 2 v**, 1804 **US** Lisa Oz, 2010-04-06 The key to real and lasting change lies somewhere between what you know and what you do It's what you think Lisa Oz Being social creatures we yearn for connection but often fall into bad habits that interfere with our ability to have rewarding relationships We begin to see ourselves as alone isolated or at odds with the rest of the universe How can we learn to live in relationship in a more enlightened way In *US Transforming Ourselves and the Relationships That Matter Most* Lisa Oz the bestselling coauthor of the *YOU* The Owner's Manual series takes readers on a transformational journey as she explores the three relationships that matter most with the self with others and with the Divine Interrelated and inseparable these fundamental relationships determine the quality and the measure of our emotional and spiritual lives Drawing from ancient traditions spiritual and holistic thinkers and personal insights Lisa Oz guides you on an engaging thought provoking and ultimately inspirational path toward changing your self your relationships and your life With remarkable candor and humor Lisa offers personal anecdotes that highlight the truth and consequences of familiar interactions She also includes imaginative exercises meant to help you gain new insight into old behavior patterns and to encourage you to be an active empowered agent for positive change in your relationships Lisa's writing on topics such as personal well being identifying your authentic self conscious parenting marital bonding and truly compassionate living are persuasive because they are suggestive rather than prescriptive By holding a mirror to her relationships Lisa hopes to inspire you to reflect on your own observing that we are all works in progress living in relationship together Informative and transformative *US* offers an enriched and fulfilling vision of friendship marriage family and spiritual progress In these pages the evolution of *YOU* blossoms into the community of *US* **Lea's British drama and theatrical portrait gallery** Henry Lea, 1859 **The Oberon Anthology of Contemporary American Plays** Bathsheba Doran, Will Eno, Itamar Moses, Jenny Schwartz, 2012-08-10 This new series brings together some of the best new writing from contemporary American playwrights Volume One is introduced by Andre Bishop Artistic Director of the Lincoln Center Theater the most prestigious theatre in the USA Each play is introduced by critically acclaimed writers themselves The volume includes *KIN* by Bathsheba Doran with an introduction by Chris Durang *Kin* sheds a sharp light on the changing
