

Kiss Your Life Hello

With Polysaccharides & Polypeptides

By Dr. Howard Peiper, ND

Revised Edition

The bottom half of the book cover features a photograph of a vast field of mature wheat. The wheat stalks are a rich golden-yellow, indicating they are ready for harvest. The field stretches to a flat horizon under a sky with soft, horizontal bands of light, suggesting a low sun. The overall color palette is warm, dominated by yellows, oranges, and greens.

Kiss Your Life Hello:

Kiss Your Money Hello! Bill Hines, 2023-04-19 It's here Your guide to a financially independent life no more money stress This book is a complete modern comprehensive guide to your personal finance life It's the key to never having to go to a job you detest to living every day on your own terms Why this book Right now you may be browsing a few personal finance books in a library bookstore or even online Why this one Is it worth a couple of dollars and hours of your time Here's why I've read the others Almost every book was someone telling their own personal rags to riches tale That's admirable but the likelihood that it's even close to you and your personal situation is quite remote What worked for them will probably not work for you Everyone is different every situation is unique Some assume their readers all want to be mega rich In my experience most people just want to be happy without money stress and have a good fun comfortable life That said if you want to be rich I'll show you how to do that too So get to the point Bill why this one Because this book is based on my experience as a financial counselor investment advisor and financial planner This book is a user manual for your money No matter who you are there is plenty for you We cover FIRE Financial Independence Retire Early This book is the way to financial peace to relieving the number one stressor in our lives and relationships It's the guide to living every day on your own terms and never having to go to a job you no longer love of never having to miss those important life events because work I'll keep it short and simple just the way your personal finances should be The first word of the title is no coincidence KISS also means Keep It Simple Silly Maybe I'll even make you laugh once or twice Your household is a mini business only you measure success in happy not some corporate financial metric I'm not going to guilt trip you about buying a latte I'm going to convince you that doing the right things now getting over the hump in a short period means buying all the lattes and new cars you want with cash not credit for the rest of your life Those lattes will taste so much better and you'll enjoy the ride more in a car you own not the bank You'll watch the former car payment money grow like weeds in your investment accounts Can you trust me Yes you can I've helped countless people and I want you to do well I want you to be happy and enjoy this one life we get as far as we know This book is for you This is generational knowledge for your kids and parents Who am I When I was a kid I was a huge superhero fan I'd sit in the corner luncheonette and read comic books on my way home from school until the owner would throw me out I didn't have the money to buy them my parents didn't have the money to give me I'd peek out from my bedroom at night and see my mother stressing out over a kitchen table full of bills writing out checks and stuffing them in envelopes Kiss your money goodbye I heard more than once hence my title I watched my father come home from work exhausted especially as he got older I didn't want to be the superhero who could fly be invisible shoot lasers out of my eyes or swing from building to building on spider webs I wanted to be the kind that could help people like my parents That's where the title of this book came from Instead of paying your hard earned money out to everyone under the sun watching each paycheck or retirement distribution fly away you're going to welcome it back Hello hard earned money

Let's have some fun together I became that superhero and I believe I still am Let's get this party started **Kiss Your Life!** 365 Reasons to Love Who You Are Ph. D. Ann Mody Lewis, 2011 How will you understand your life How will you identify the unhealthy truths you thought were normal Kiss Your Life will take you on a mystical journey inside of your subconscious mind where gendered beliefs live and breathe It will give gender a voice and a face that you will recognize These readings of 365 topics will stimulate your mind challenge your beliefs and inspire you to live life as it was always meant to be lived kissing each moment **Now That We Are All Mad** Shanaya Stephens, 2024-12-31 In this unflinching and darkly comedic collection Now That We Are All Mad Shanaya Stephens unleashes a torrent of provocative poems that lay bare the absurdities and agonies of modern life With razor sharp wit and unsettling candor these poems dissect the toxic relationships societal expectations and existential crises that drive us all to the brink of madness Unapologetic incisive and strangely exhilarating Now that we are all mad is a poetry collection for the disillusioned and the disenfranchised and for anyone who's ever felt like they're losing their grip on reality **Healthy Healing** Linda Page, 2004-09 The Ultimate Resource For Improving Your Health Naturally Over 1 million copies sold In its first edition nearly 20 years ago Dr Linda Page's book Healthy Healing was the only one of its kind Now updated and expanded Healthy Healing is still the easiest to use bestselling natural health reference book on the market Customize your own personal healing program using natural therapies for more than 300 ailments through diet whole herb supplements and exercise Live Longer feel better and look better naturally **Low Carb and Beyond** Nina Anderson, Howard Peiper, 2004 Low carb is still a popular trend among people who are trying to lose weight Most of the low carb diet books you read focus on eliminating foods Low Carb and Beyond talks about keeping the body in balance while you restrict your high glycemic carbohydrates This approach gives you a better all around method to health and weight loss and should be part of every low carb lifestyle Just reducing your intake of carbohydrates and bulking up on protein will not assure permanent weight loss or good health Carbohydrates are a necessary part of any healthy diet and this book will help you choose which ones can support a healthy body **Change Your Life With CBT** Corinne Sweet, 2012-09-26 Cognitive Behavioural Therapy has already helped millions of people overcome their issues and move their life forward now it can really help you too In this busy demanding and often stressful modern world it's a struggle to find time to even think about what your dreams and goals might be let alone work towards actually realising them It's so easy to get stuck in a routine to opt for the easy answers to feel a lack of inspiration and motivation and then wind up feeling anxious and depressed Far from being an exciting or invigorating prospect the mere idea of changing anything about your life soon seems hard work scary and something to be avoided But your life really can be better than it is now you just need to learn how to really believe it can Cognitive Behavioural Therapy or CBT can lend a hand It will help you change the way you think and feel about yourself about others and about the world around As you begin to feel more positive more motivated and more confident you'll soon begin to realise that your future is fully in your control The scientifically proven techniques of CBT are a
