Whether they're grasping for connection or struggling to survive in a dismal and indifferent environment, these individuals' haunting voices and the evocative worlds they inhabit make for a diverse and powerful volume. Experimenting with form, one story is told as a term paper, another as an annotated bibliography. Candid depictions of contemporary society and the inner workings of distinctive characters' minds bring these inquisitive, heartrending, and at times undeniably funny accounts to life. This ebook features an illustrated biography of Rick Moody, including rare images from the author's personal collection.
