What I tell you in the dark speak in the daylight what is whispered in your ear proclaim from the roofs

Matthew 10:27 NIV A kiss that soothes A kiss that cleanses A kiss that heals and forgives A kiss of grace and favor so beautiful you have no choice but to tell God the lover of our souls expresses His love for us daily with the kisses of His grace and mercy There is a kiss available for everything you go through and so much more When the wind howls and the clouds grow dark When you feel lost and you struggle through storms When you feel you've fallen too far off from God and you cower and hide in your sin there is a kiss of forgiveness for you We have the kisses of God available for everything we go through every mess we find ourselves in every trial that comes our way and every moment we celebrate in joy God loves us that much The author uses everyday experiences to encourage us as we wade through life Kiss and tell is a book filled with kisses from God in form of words of inspiration to trust even when the chips are down to hope even when you feel forlorn and to call on God and run into His waiting arms of love no matter how much you feel you've failed Him

*The Kiss in History* Karen Harvey, 2005-07-15

Writers have previously placed the action of kissing into categories kisses of love affection peace respect and friendship Each of the essays in this fascinating book takes a single kind of kiss and uses it as an index to the past For rather than offering a simple history of the kiss this book is about the kiss in history In this collection an eminent group of cultural historians explore the kiss through sources as diverse as religious texts popular prints court depositions periodicals diaries and poetry This collection shows that by analyzing the kiss and its position embedded as it is as part of our culture history can use small gestures to take us to big issues concerning ourselves and others the past and the present
