Loving Nolan was the most blissful and excruciating moment of my life Aiden and Nolan feel as though they have the world at their fingertips Falling in love graduating college and writing novels they have their lives figured out and they're ready to conquer the rest of their lives together That is until a secret Nolan has been harboring for most of their relationship becomes known to Aiden and ultimately tears them apart Five years later they meet again completely unexpectedly and Nolan can't help but feel that fate is on her side Aiden feels differently While Nolan wants to redeem herself for her past mistakes Aiden won't allow her to forget them The two grow from lovers to enemies to strangers and are now stuck wondering if they will ever be able to come back from what tore them apart Can they forgive each other Will Aiden allow himself to fall for Nolan all over again Or will this be the biggest heartbreak of his life *Kiss Me in the Rain* Sarah Kades,2021-09-21 Can you ever truly reconcile your past without losing yourself or your future Savannah McIntyre is estranged from her family haunted by the destruction that her father's development business has visited upon the landscape that she loves When a family wedding calls her home the hope of reconnecting with her dad surfaces putting her directly in the path of Gabe Tanner an archeologist on her father's payroll Gabe is estranged from his own father and in him Savannah senses a man of immense compassion with a deep connection to the land and differing ideologies As a threat from the past resurfaces their remote and dangerous archaeological survey turns deadly threatening more than fragile truces Will Savannah and Gabe survive or will a dark shadow finally extinguish them *Bollywood* Ramesh Dawar,2006 Brief description about 70 well known Bollywood stars with coloured pictures of their hit films *It Only Happens in the Movies* Holly Bourne,2020 Audrey gave up on romance before meeting aspiring filmmaker Harry at the cinema where they work but soon they are deeply in love and not like it is portrayed in movies **An October Bride** Katie Ganshert,2014-09-23 What if the only way you could make your father's last wish come true was to marry the man of your dreams Emma Tate has just moved on from one fiancé so when she announces a sudden engagement to her lifelong buddy Jake Sawyer every busybody in Mayfair goes into high alert Of course no one but Jake and Emma know the real reason they're getting married so Emma's dying father will have a chance to walk her down the aisle But while Jake and Emma move forward with their plan and frantically plan an October wedding it becomes clear that their agreement has a few complications the biggest being their true feelings for each other With dubious friends deliriously thrilled parents and a town that won't keep its nose out of their business Emma and Jake will have a lot to contend with if they're going to pull this off The real question is Who wants this wedding more Emma's dad or Emma
