Haley,2022-08-07 It Starts at the Dinner Table is a self help book

to help 11 25 year olds to set goals and plan out their life so that they can be successful To often young people drift along in life and lose too many valuable years wherein they could be productive We fall into the 40 40 40 rule of life What happens is our parents encourage us to get a good education in order to get a good paying job It goes like this We get serious about life at age 25 and work 40 hours a week for 40 years and then retire on about 40% of our income from Social Security and any monies that we have saved from our retirement plans This book teaches you to get ahead of the curve by showing you how to set attainable goals Studies show that people that write down their goals reach their goals three times more often than people who don t write down their goals It Starts at the Dinner Table is knowledge shared by five generations of Haleys It will help you practice simple habits over time that will help you not only be successful but discover your destiny to impact the world *Prairie People* Robert Collins,2011-10-12 An intimate look at the people of the prairies in Manitoba Saskatchewan

and Alberta who they are how they live what makes them a breed apart The prairies are Robert Collins s spiritual home He was born and raised on a Saskatchewan farm but spent most of his adult life living elsewhere Now he returns to his

homeland to pay homage to the special character of the people who live in this unique region of Canada Prairie People is an absorbing combination of stories anecdotes and touches of history told in the voices of ordinary people and linked by the author's own narrative and memories It explores the characteristics that define these people to themselves and to the rest of Canada Prairie people are clearly not all alike city and town dwellers differ from farmers farmers from ranchers ranchers and cowboys from oilmen But many of the stereotypes are true They are defiantly pessimistic They believe they are tougher than everybody else They are uncommonly independent and self-reliant In this sympathetic yet realistic portrait Collins looks at where the original settlers of the prairies came from He describes how nature shaped them and how hard work through good times and bad toughened them He finds evidence of their legendary friendliness and neighbourliness And he seeks to understand their deep attachment either to the left and right in politics and their unifying distrust of Central Canada
