McClure's Magazine ... ,1908 The Rosy Crucifixion: Sexus Henry Miller,1987 The first book of a trilogy of novels known collectively as *The Rosy Crucifixion* It is autobiographical and tells the story of Miller s first tempestuous marriage and his relentless sexual exploits in New York The other books are *Plexus* and *Nexus* Rights Remembered Pauline R. Hillaire,2016-05 *Rights Remembered* is a remarkable historical narrative and autobiography written by esteemed Lummi elder and culture bearer Pauline R Hillaire Sc lla *Of the Killer Whale* A direct descendant of the immediate postcontact generation of Coast Salish in Washington State Hillaire combines in her narrative life experiences Lummi oral traditions preserved and passed on to her and the written record of relationships between the United States and the indigenous peoples of the Northwest Coast to tell the story of settlers government officials treaties reservations and the colonial relationship between Coast Salish and the white newcomers Hillaire s autobiography although written out of frustration with the status of Native peoples in America is not an expression of anger but rather represents in her own words her hope for greater justice for Indian people in America and for reconciliation between Indian and non Indian Americans based on recognition of the truths of history Addressed to indigenous and non Native peoples alike this is a thoughtful call for understanding and mutual respect between cultures *Kitsap Tyee* Rosamond Laurie Johnson,1954 **Chief Seattle and the Town That Took His Name** David M. Buerge,2017-10-17 The first thorough historical account of the great Washington State city and its hero Chief Seattle the Native American war leader who advocated for peace and strove to create a successful hybrid racial community When the British Spanish and then Americans arrived in the Pacific Northwest it may have appeared to them as an untamed wilderness In fact it was a fully settled and populated land Chief Seattle was a powerful representative from this very ancient world Here historian David Buerge threads together disparate accounts of the time from the 1780s to the 1860s including native oral histories Hudson Bay Company records pioneer diaries French Catholic church records and historic newspaper reporting Chief Seattle had gained power and prominence on Puget Sound as a war leader but the arrival of American settlers caused him to reconsider his actions He came to embrace white settlement and following traditional native practice encouraged intermarriage between native people and the settlers offering his own daughter and granddaughters as brides in the hopes that both peoples would prosper Included in this account are the treaty signings that would remove the natives from their historic lands the roles of such figures as Governor Isaac Stevens Chiefs Leschi and Patkanim the Battle at Seattle that threatened the existence of the settlement and the controversial Chief Seattle speech that haunts to this day the city that bears his name Potlatch on Puget Sound Rosamond Laurie Johnson,1957 Washington Public Documents Washington (State),1922 Report Washington (State). Agricultural, Manufacturing and Commercial Resources and Capabilities of Washington Washington (State). Bureau of Statistics, Agriculture and Immigration,1903 **The Female Homer** Jeremy M. Downes,2010 charts for the first time the otherwise invisible tradition of women s epic The Female Homer provides a powerful research tool through its checklist of women s epic poems and a vital starting point for investigations and new conversations in the field For scholars in Comparative Literature and English Studies who are already at work on questions of women s epic the recovery of women s texts and the place of women s writings within traditionally masculine canons of literature The Female Homer sketches and consolidates the field Beyond these specialists scholars in all fields of literary study once they clear their initial shock at the existence of women s epic will be engaged by the kinds of texts these women poets have produced Beyond an academic audience the wider reading public will find in this accessibly written volume a welcome introduction to an unknown range of texts and authors This approach also makes it a suitable textbook for courses in epic in *United States Official Postal Guide* ,1900 **Annual Report of the Bureau of Statistics, Agriculture and Immigration on the Agricultural, Industrial and Commercial Conditions of the State** Washington (State). Bureau of Statistics, Agriculture and Immigration,1903 **Subject Catalog** Library of Congress,1955 Tacoma Herbert Hunt,1916 *The Overland Monthly* ,1895 **Library News Bulletin** Washington State Library,1955 *The Publishers Weekly* ,1954
