Heaven On Earth:

I Am Living Heaven On Earth Melissa Drum, 2020-03-26 I often wonder how Exodus 3 14 and Matthew 6 10 have become so misunderstood Everyone talks about how much better Heaven is going to be and how their pains and sorrows will be no more once they die Yet we live in Heaven or Hell every day on Earth by our thoughts and by our daily choices Heaven and Hell are states of consciousness We are meant to live in Heaven on Earth Jesus and other great teachers demonstrated this by setting the example and left their wisdom in written books We have much to learn from every flower every tree every season and every animal They know exactly what to do without being told and God Universe sends them everything they need to survive When we are aligned with Source we too become magnets attracting everything we need This means that we don't have to make things happen on our own understanding Everything flows easily and naturally to the soul when aligned Abundance ideal relationships all of your hearts desires are achieved without effort And this was my hardest yet most enriching lesson to learn to surrender with grace to the forces that hold me and will continue to hold me in ways I've never dreamt possible There were many times I have questioned myself and wondered What in the world am I doing I felt like I was Noah building the Ark What I know now is that I am an Ark builder There was something inside of me telling me that if I kept strong in my faith trusted and listened to that little nudging voice then I would live a life beyond my wildest dreams I knew deep down that this was bigger than me it is my soul calling I know I am being directed by a force far greater than myself and I cannot erase these pictures that I hold in my imagination I feel with divine love and happiness in my heart what this book will bring to millions of people This feeling is imprinted upon my subconscious mind and my subconscious mind creates exactly what I have come to believe and feel I give thanks every day that this book will bring Heaven On Earth to the world I have no idea how but I surrender and trust in a power far greater than myself I feel deep feelings of gratitude in advance for the magical outcome The Secret teaches us that everything that has ever been invented or created throughout the history of humankind began with one thought From one thought a way was made and it manifested from the invisible into the visible When Henry Ford was bringing his vision of the motor vehicle into our world people around him ridiculed him and thought he had gone mad to pursue such a wild vision He however knew much more than the people who ridiculed him He knew The Secret and he knew the law of the Universe Ford has also been quoted saying Whether you think you can or think you can't either way you are right I choose to think that I can **The DECLARATION of HEAVEN on EARTH** Daniel

heaven is pulled into the here and now in this illuminating description of the kingdom of God Popular teacher and author R Alan Streett exposes half truths about the kingdom that many believers have unwittingly accepted He contrasts these with the testimony of Scripture Jesus inaugurated the kingdom of God on the earth it has already begun As ambassadors of the kingdom we are to fulfill our responsibilities and enjoy its benefits here and now Salvation does not culminate with the soul escaping the body and living forever in heaven Our bodies will eventually be transformed and we will live with God on a restored earth The church is like an embassy of heaven in a foreign country In their life together believers demonstrate kingdom realities to the world Readers will find hope and direction in this fresh presentation of the historic teaching on the kingdom **Heaven on Earth?** Hans Boersma,Matthew Levering,2013-01-07 This collection assembles essays by eleven
