**Jerry L. Walls**

## **Heaven The Logic Of Eternal Joy:**

**Heaven** Jerry L. Walls, 2002-08-15 The Christian doctrine of heaven has been a moral source of enormous power in western culture It has provided a striking account of the ultimate good in life and has for two millennia animated the hope that our lives can be fully meaningful Recently however the doctrine of heaven has lost much of its grip on the western imagination and has become a vague and largely ignored part of the Christian creed Not only have our hopes been redefined as a result but our very identity as human beings has been altered In this book Jerry L Walls argues that the doctrine of heaven is ripe for serious reconsideration He contends not only that the orthodox view of heaven can be defended from objections commonly raised against it but also that heaven is a powerful resource for addressing persistent philosophical problems not the least of which concern the ground of morality and the meaning of life Walls shows how heaven is integrally related to central Christian doctrines particularly those concerning salvation and tackles the difficult problem of why faith in Christ is necessary to save us from our sins In addition heaven is shown to illumine thorny problems of personal identity and to be an essential component of a satisfactory theodicy Walls goes on to examine data from near death experiences from the standpoint of some important recent work in epistemology and argues that they offer positive evidence for heaven He concludes that we profoundly need to recover the hope of heaven in order to recover our very humanity *Heaven, Hell, and Purgatory* Jerry L. Walls, 2015-01-27 Will heaven be boring How can a good and loving God send people to hell Is there such a place as purgatory If so why is it necessary if we re saved by grace Questions about the afterlife abound Given what is at stake they are the most important questions we will ever consider Recent years have seen a surge of Christian books written by people claiming to have received a glimpse of the afterlife and numerous books films and TV shows have apocalyptic or postapocalyptic themes Jerry Walls a dynamic writer and expert on the afterlife distills his academic writing on heaven hell and purgatory to offer clear biblical theological and philosophical grounding for thinking about these issues He provides an ecumenical account of purgatory that is compatible with Protestant theology and defends the doctrine of eternal hell Walls shows that the Christian vision of the afterlife illumines the deepest and most important issues of our lives changing the way we think about happiness personal identity morality and the very meaning of life *Debating Christian Theism* J. P. Moreland, Chad V. Meister, Khaldoun A. Sweis, 2013-08-15 This volume offers groundbreaking dialogue by many of the most prominent scholars in the field in a definitive treatment of central issues in theism and Christian faith

**Purgatory** Jerry L. Walls, 2011-12-01 In Catholic theology purgatory has been understood as applying to persons who are already in a state of grace or salvation In popular thought however it is sometimes understood as a second chance for the unconverted In this book a follow up to his earlier *Heaven The Logic of Eternal Joy* and *Hell The Logic of Eternal Damnation* Walls completes his examination of the Christian theology of the afterlife with a inclusive and multi denominational analysis of the doctrine of purgatory **Contemporary Debates in Philosophy of Religion** Michael L. Peterson, Raymond J.

VanArragon,2020-01-15 Lively debates on controversial and compelling questions in the philosophy of religion an updated edition of the bestselling title Building upon the reputation of the first edition the extensively revised second edition of Contemporary Debates in Philosophy of Religion features fifteen essays which present arguments on some of the most central and controversial topics in philosophy of religion from the discipline s most influential thinkers Considering questions of both emerging and perennial interest from atheistic theistic and agnostic viewpoints the book adopts the series structure which pairs essays espousing opposing perspectives on a particular question or theme in an engaging pro and con format Following accessible introductions to each debate the volume s new and newly revised contributions set the stage for thoughtful and lively discourse between philosophers in philosophy of religion and analytic theology Debates range from vigorous disagreements between theists and their critics to arguments between theists of different philosophical and theological persuasions highlighting points of contrast for readers while showcasing the field s leading minds in dialogue The head to head chapters offer forceful advocacy for some of the most compelling ideas beliefs and objections in the philosophy of religion opening the conversation up to students to weigh the arguments and engage in comparative analysis of the concepts for themselves Written to appeal to the non specialist as well as the professional philosopher Contemporary Debates in Philosophy of Religion is ideal as both a provocative primary text for coursework in analytical theology and philosophy of religion and as a broad survey of the field for scholars and general readers with an interest in the questions which underpin contemporary philosophy of religion and theology

Funerals Tim Perry,2021-06-16 Death will strike your congregation Are you ready Are they Death has become a four letter word Whereas in previous generations the practice of memento mori remember death was embedded in family life people today have found ways to distance themselves from death As Western culture becomes increasingly more secular the Christian understanding of death and the funeral appear more and more strange Fear of death affects us all and so pastors have significant hurdles to overcome What Christians need today is a renewed vision of the traditional Christian funeral liturgy In Funerals Tim Perry recovers the rich theology inherent to the Christian funeral communion with the saints in death peace in forgiveness hope in the resurrection and joy in life eternal Perry guides pastors through the practice of funerals from planning the service to preaching the eulogy and offers wisdom for the hard cases Perry s Funerals will help pastors disciple their people to see through the valley of the shadow of death and into the hope beyond

*The Blackwell Companion to the Study of Religion* Robert A. Segal,2009-02-04 This prestigious Companion offers the most comprehensive survey todate of the study of religion Featuring a team of international contributors and edited by one of the most widely respected scholars in the field The Blackwell Companion to the Study of Religion provides an interdisciplinary and authoritative guide to the subject Examines the main approaches to the study of religion anthropology the comparative method economics literature philosophy psychology sociology and theology Also covers a diverse range of topical issues such as the body fundamentalism magic and new religious movements Consists

of 24 essays written by an outstanding team of international scholars. Reviews within each chapter an outline of a particular subfield and traces its development up to the present day. Debates how the discipline may look in the future. Represents all the major issues, methods and positions in the field. *The Oxford Handbook of Eschatology* Jerry L. Walls, Professor of Philosophy of Religion, Asbury Theological Seminary, 2007-10-31. Eschatology is the study of the last things: death, judgment, the afterlife, and the end of the world. Through centuries of Christian thought, from the early Church fathers through the Middle Ages and the Reformation, these issues were of the utmost importance. In other religions too, eschatological concerns were central. After the Enlightenment, though, many religious thinkers began to downplay the importance of eschatology, which in light of rationalism came to be seen as something of an embarrassment. The twentieth century, however, saw the rise of phenomena that placed eschatology back at the forefront of religious thought. From the rapid expansion of fundamentalist forms of Christianity with their focus on the end times to the proliferation of apocalyptic new religious movements to the recent and very public debates about suicide, martyrdom, and paradise in Islam, interest in eschatology is once again on the rise. In addition to its popular resurgence in recent years, some of the world's most important theologians have returned eschatology to its former position of prominence. *The Oxford Handbook of Eschatology* will provide an important critical survey of this diverse body of thought and practice from a variety of perspectives: biblical, historical, theological, philosophical, and cultural. This volume will be the primary resource for students, scholars, and others interested in questions of our ultimate existence. *A Dictionary of Philosophy of Religion* Charles Taliaferro, 2010-08-19. *A Dictionary of Philosophy of Religion* is an indispensable resource for students and scholars. Covering historical and contemporary figures, arguments, and terms, it offers an overview of the vital themes that make philosophy of religion the growing, vigorous field that it is today. It covers world religions and sources from east and west. Entries have been crafted for clarity, succinctness, and engagement. Named a Choice Outstanding Academic Title 2011. **The Moral Argument** David Baggett, Jerry Walls, 2019-10-01. The history of the moral argument for the existence of God is a fascinating tale. Like any good story, it is full of twists and unexpected turns, compelling conflicts, memorable and idiosyncratic characters, both central and ancillary players. The narrative is as labyrinthine and circuitous as it is linear, its point yet to be fully seen and its ending yet to be written. What remains certain is the importance of telling it. The resources of history offer a refresher course, a teachable moment, a cautionary tale about the need to avoid making sacrosanct the trends of the times, and an often sobering lesson in why reigning assumptions may need to be rejected. This book lets the argument's advocates, many long dead, come alive again and speak for themselves. A historical study of the moral argument is a reminder that classical philosophers were unafraid to ask and explore the big questions of faith, hope, and love, of truth, goodness, and beauty, of God, freedom, and immortality. It gives students and scholars alike the chance to drill down into their ideas, contexts, and arguments. Only by a careful study of its history can we come to see its richness and the range of resources it offers. **Persona and Paradox** Suzanne

Bray,2013-01-15 Although certain aspects of C S Lewis s work have been studied in great detail others have been comparatively neglected This collection of essays looks at Lewis s life and work and those of his friends and associates from many different angles but all connected through a common theme of identity Questions of identity are essential to the understanding of any writer The ways authors perceive themselves and who they are the communities they belong to by birth or choice inevitably influence their work The way they present other people real or fictional are also rooted in their own conception of identity In this volume scholars from several countries examine gender and family roles national regional racial and professional identities membership of a particular church ideological attachments and personal descriptions either with regard to Lewis and those who knew him and influenced him or in a study of their writings Authors studied here include J R R Tolkien Dorothy L Sayers Charles Williams George MacDonald and T S Eliot      **Did the Resurrection Happen?** Gary R. Habermas, Antony Flew,2009-04-29 This book presents the full content of the third and final debate between philosopher Antony Flew who was until 2004 one of the world s most prominent atheists and Christian philosopher Gary Habermas Included as well are transcripts of the Q A session with the audience afterward a 2004 conversation between Habermas and Flew shortly after Flew s much publicized change of position to theism as well as editor David Baggett s assessment and analysis of the full history of Habermas and Flew s interactions      **The Soul of Theological Anthropology** Joshua R. Farris,2016-11-25 Recent research in the philosophy of religion anthropology and philosophy of mind has prompted the need for a more integrated comprehensive and systematic theology of human nature This project constructively develops a theological accounting of human persons by drawing from a Cartesian as a term of art model of anthropology which is motivated by a long tradition As was common among patristics medievals and Reformed Scholastics Farris draws from philosophical resources to articulate Christian doctrine as he approaches theological anthropology Exploring a substance dualism model the author highlights relevant theological texts and passages of Scripture arguing that this model accounts for doctrinal essentials concerning theological anthropology While Farris is not explicitly interested in thorough critique of materialist ontology he notes some of the significant problems associated with it Rather the present project is an attempt to revitalize the resources found in Cartesianism by responding to some common worries associated with it      [A Very Brief History of Eternity](#) Carlos Eire,2009-10-12 From the author of Waiting for Snow in Havana a brilliant cultural history of the idea of eternity What is eternity Is it anything other than a purely abstract concept totally unrelated to our lives A mere hope A frightfully uncertain horizon Or is it a certainty shared by priest and scientist alike and an essential element in all human relations In A Very Brief History of Eternity Carlos Eire the historian and National Book Award winning author of Waiting for Snow in Havana has written a brilliant history of eternity in Western culture Tracing the idea from ancient times to the present Eire examines the rise and fall of five different conceptions of eternity exploring how they developed and how they have helped shape individual and collective self understanding A book about lived beliefs and their relationship to social and

political realities A Very Brief History of Eternity is also about unbelief and the tangled and often rancorous relation between faith and reason Its subject is the largest subject of all one that has taxed minds great and small for centuries and will forever be of human interest intellectually spiritually and viscerally *Encountering Mystery* Dale C. Allison,2022-07-26 Despite widespread skepticism on the matter a significant number of people today have stories of religious experience moments of inexplicable terror or rapturous joy visions near death experiences of the afterlife encounters with angels heavenly voices and premonitions How should rationally minded people respond What would your reaction be if someone told you that one night while sitting alone she saw through the window a brilliant light descend from the sky until it was so large that it filled the room and that it radiated a feeling of pure love And what would you say if a friend confided that one night he woke up and could not move felt he was being suffocated and sensed an evil spirit in the room By default in the secular age we are skeptical about anything mysterious or supernatural More likely than not most people would respond to the stories above with embarrassment and concern about the person s grasp of reality or they would attempt to explain them away through rational or scientific means But the truth is that religious experiences like these are not as uncommon as they seem although talking about such experiences often is This is the case even in a faith tradition such as Christianity despite the Bible s numerous accounts of miraculous and mysterious happenings In *Encountering Mystery* noted biblical scholar Dale Allison makes the argument that stories of religious experience are meaningful and not to be marginalized and that we have a moral prerogative to lovingly engage with such stories regardless of whether we have had similar experiences Through a close look at phenomena such as moments of inexplicable terror or rapturous joy visions near death experiences of the afterlife encounters with angels heavenly voices and premonitions Allison shows how ordinary practices of faith need not be at odds with individual religious experiences Above all he enjoins us to be honest about the persistence of religious experience in a secular age and to make space for those who encounter mystery in their lives **Getting at Jesus** Peter S.

Williams,2019-01-29 Portraying themselves as challenging blind religious dogma with evidence led skepticism the neo atheist movement claims that the New Testament contains unreliable tales about a mythical figure who far from being the resurrected Lord of life may not even have lived This comprehensive critique documents the falsehood of these neo atheist claims correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus

*The Cambridge Companion to Christian Philosophical Theology* Charles Taliaferro,Chad Meister,2009-11-30 This Companion offers an overview of the beliefs doctrines and practices of the key philosophical concepts at the heart of Christian theology The sixteen chapters commissioned specially for this volume are written by an internationally recognized team of scholars and examine topics such as the Trinity God s necessary existence simplicity omnipotence omniscience omnipresence goodness eternity and providence the incarnation resurrection atonement sin and salvation the problem of evil church rites revelation and miracles prayer and the afterlife Written in non technical accessible language they not only offer

a synthesis of scholarship on these topics but also suggest questions and topics for further investigation      *Roman but Not Catholic* Jerry L. Walls, Kenneth J. Collins, 2017-10-17 This book offers a clearly written informative and fair critique of Roman Catholicism in defense of the catholic faith Two leading evangelical thinkers in church history and philosophy summarize the major points of contention between Protestants and Catholics honestly acknowledging real differences while conveying mutual respect and charity The authors address key historical theological and philosophical issues as they consider what remains at stake five hundred years after the Reformation They also present a hopeful way forward for future ecumenical relations showing how Protestants and Catholics can participate in a common witness to the world      Movies and the Meaning of Life Kimberly A. Blessing, Paul Tudico, 2013-12-01 The meaning of life is the most urgent of questions said the existentialist thinker Albert Camus And no less a philosopher than Woody Allen has wondered How is it possible to find meaning in a finite world given my waist and shirt size *Movies and the Meaning of Life* looks at popular and cult movies examining their assumptions and insights on meaning of life questions What is reality and how can I know it *The Truman Show* *Contact* *Waking Life* How do I find myself and my true identity *Fight Club* *Being John Malkovich* *Boys Don't Cry* *Memento* How do I find meaning from my interactions with others *Pulp Fiction* *Shadowlands* *Chasing Amy* What is the chief purpose in life *American Beauty* *Life is Beautiful* *The Shawshank Redemption* and How ought I live my life *Pleasantville* *Spiderman* *Minority Report* *Groundhog Day*      **Moral Soundings** Dwight Furrow, 2004-04-02 *Moral Soundings* takes a fresh new approach to introducing students and general readers to contemporary ethics Rather than surveying the standard fare in a typical anthology format Furrow collects diversified essays around a structured theme does Western culture face a moral crisis of values Prominent voices in the humanities and social sciences provide a range of perspectives on a concentrated set of ethical questions dealing with such topics as family values the morality of capitalism the benefits and dangers of new technologies global conflict and the role of religion Unlike point counterpoint books that often oversimplify the complexity of ethical questions the readings in *Moral Soundings* provoke critical engagement and help students to recognize and emulate the logical development of arguments all in engaging and easily accessible language Readings are supplemented with helpful chapter introductions study questions and strategically placed editorial commentary to encourage further discussion and reflection These features make *Moral Soundings* an ideal primary or supplementary text for undergraduate courses in ethics contemporary moral issues and social and political philosophy

This Enthralling World of E-book Books: A Detailed Guide Revealing the Pros of E-book Books: A World of Convenience and Flexibility E-book books, with their inherent portability and ease of access, have freed readers from the limitations of physical books. ## Heaven The Logic Of Eternal Joy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Heaven The Logic Of Eternal Joy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Heaven The Logic Of Eternal Joy has opened up a world of possibilities. Downloading Heaven The Logic Of Eternal Joy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain

immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Heaven The Logic Of Eternal Joy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Heaven The Logic Of Eternal Joy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Heaven The Logic Of Eternal Joy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Heaven The Logic Of Eternal Joy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Heaven The Logic Of Eternal Joy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Heaven The Logic Of Eternal Joy Books**

1. Where can I buy Heaven The Logic Of Eternal Joy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback:

- Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
