**Friends' Library: Comprising Journals, Doctrinal Treatises, and Other Writings of Members of the Religious Society of Friends** William Evans, 1849      *Living and Active* Suzanne Penner, 2016-07-25 All in all they need daily reminders and encouragement to follow Gods Word The Bible is always useful for current situations that college students face so the focus of these devotionals is more useful to them than other more generalized types of devotional readings To emphasize the enduring truth of the Bible devotional readings come from every book of both the Old and New Testaments The Bible is absolutely true every part of it every word of it An index of passages and an index of readings are appended at the back of the book to show the biblical emphasis Devotional readings include the scripture passage so that students need not carry a separate Bible with them in order to read the selection The readings are purposely kept short 300 500 words so that students can gain the most from their available time Devotionals are meant to be thought provoking and applicable to current college situations      **Friendship** Barbara Caine, 2014-09-11 There has been an increasing interest in the meaning
