

Heaven's Child

A child sent from heaven above
To save the world from sin
Come to fill our heart with love
Eternal life our reward to win

A precious baby, the purest heart

A crown of thorns turned to gold

Sent by his Father to play His part
The sin of all mankind His burden to hold

The son of Mary, how could she know

How special this gift would be
In our hearts this savior would grow
A miracle child for all to see

Heavens Child:

Heaven's Children Betty Farnsworth, 2013-10-28 Betty Jean Barney Farnsworth was born to a humble down to earth all American family in a small town in southern Utah From a very young age Betty was fascinated with history particularly family history When she was just a teenager she gifted a journal to her grandmother She wanted to know her story Grandma Lilly s life truly mattered to Betty Jean As a result of this selfless gift her grandmother continued to write in many journals almost daily until the day she died Betty s seemingly small gift turned into a legacy and a treasure for generations to enjoy Family history turned into a lifelong passion Through the years Betty has researched relentlessly to trace her family roots back through the centuries On this search she has gotten to know not just the name birth and death dates but has really gotten to know who these people were Their joy their heartbreak and their stories she has laughed and cried with them Through this role she has essentially kept them alive with their life s stories in our lives and hearts Betty Jean s passion for those who had already passed became more of a knowing when she herself actually died while giving birth to her second son Thankfully doctors were able to revive her Upon waking Betty Jean knew life would never be the same because she truly knew that her life didn t end even when she was no longer here Through this amazing journey Betty has literally become an ambassador between those living and those who have passed She has now stepped into the realm of sharing her gift of writing and her gift of spirit through her writing This book is a collection of experiences from the most tender place in her heart Heaven Now we can all experience a little bit of Heaven on Earth through this Earth angel s eyes *The Four Books* Yan Lianke, 2015-03-03 From the Franz Kafka Prize winning author of *Lenin s Kiss* a stupendous and unforgettable novel of Mao s China The Times London In the ninety ninth district of a re education compound freethinking artists and academics are detained to strengthen their loyalty to Communist ideologies Here the Musician and her lover the Scholar along with the Author and the Theologian are subjected to grinding physical labor They are also encouraged to inform on each other s dissident behavior for the prize of a chance at freedom Their preadolescent supervisor the Child delights in reward systems and excessive punishments But when agricultural and industrial production quotas are raised to an unattainable level the ninety ninth district dissolves into lawlessness As inclement weather and famine set in the people are abandoned by the regime and left alone to survive Set inside a labor camp during Mao s Great Leap Forward Booklist calls *The Four Books* a rich and complex novel from China s most heralded and censored modern writer The South China Morning Post *The Scourges of Heaven* David Dick, 2021-12-14 A historical novel of prejudice and plague *The Scourges of Heaven* sweeps gracefully joyfully painfully across centuries and generations Through Cynthia Anne Ferguson orphaned aboard a vessel carrying immigrants hopes dreams and cholera from the Old World to the New David Dick paints a world where the causes of disease are little understood where faith is not always a comfort where human questioning often goes unanswered and where unexpected death is frequently attributed to the wrath of an angry God Cynthia s story unfolds in the midst of the first of four

great cholera epidemics to sweep America in the mid nineteenth century and her journey through life from New Orleans up the Mississippi and Ohio rivers and across the Bluegrass to Lexington parallels the track followed by the deadly scourge More powerfully told than any factual statistical or scientific account could ever manage yet based upon historical events this tale of disease ignorance and narrow mindedness is supported by a central theme of hope that ultimately brings redemption
