The Next Phase in Heritage Language Studies:

Methodological Considerations and Advancements Fatih Bayram, Maki Kubota, Sergio Miguel Pereira Soares, 2024-03-27 Over the past three decades studies investigating heritage speaker HS linguistic competencies have shown time and again that despite being L1 or 2L1 native speakers of their home language s HS outcomes display variation across a wide spectrum of differences as compared to each other other types of bilinguals as well as their monolingual peers Studies have traditionally used mostly behavioral methodologies rooted in adjacent established fields e g L1 acquisition adult L2 acquisition offering in addition to documenting and describing HS performance important insights for linguistic theory and challenges related to home minority language maintenance contact policy and more A birds eye view makes it clear that the methodologies one uses to tap into HSs linguistic knowledge areas if not more are important than the phenomena under investigation especially in light of how their unique experiences with their heritage and other languages are present across a continuum

**Heritage Language Education in Greece and Cyprus** Nikos Gogonas, 2023-10-09 Amid the growing trend of preserving ethnic languages within diverse ethnolinguistic communities in Greece and Cyprus our understanding of heritage language education in these countries remains limited The chapters in this collection undertake a thoughtful exploration of language education in the world s two majority Greek speaking contexts The volume brings together empirical studies that exhibit the array of heritage language education options available in Greece and Cyprus today including community complementary schools operating on weekends or after regular school hours providing language and culture classes in a range of languages e g Albanian Czech Armenian Russian day schools such as Italian and Hebrew schools and family language schools developed within the UNICEF framework Collectively these chapters establish a novel evidence base describing the diversity of the heritage language education landscape which could act as a catalyst for further research and potentially drive change in both policy and practice Importantly the volume renders heritage language education initiatives in Greece and Cyprus visible mainly to scholars but potentially also to practitioners policymakers and other stakeholders in this evolving social educational and linguistic domain The Routledge Handbook of Heritage Language Education Olga E. Kagan, Maria M. Carreira, Claire Hitchens Chik, 2017-03-03 The Routledge Handbook of Heritage Language Education provides the rapidly growing and globalizing field of heritage language HL education with a cohesive overview of HL programs and practices relating to language maintenance and development setting the stage for future work in the field Driving this effort is the belief that if research and pedagogical advances in the HL field are to have the greatest impact HL programs need to become firmly rooted in educational systems Against a background of cultural and linguistic diversity that characterizes the twenty first century the volume outlines key issues in the design and implementation of HL programs

across a range of educational sectors institutional settings sociolinguistic conditions and geographical locations specifically North and Latin America Europe Israel Australia New Zealand Japan and Cambodia All levels of schooling are included as the teaching of the following languages are discussed Albanian Arabic Armenian Eastern and Western Bengali Brazilian Portuguese Chinese Czech French Hindi Urdu Japanese Khmer Korean Pasifika languages Persian Russian Spanish Turkish Vietnamese and Yiddish These discussions contribute to the development and establishment of HL instructional paradigms through the experiences of actors on the ground as they respond to local conditions instantiate current research and pedagogical findings and seek solutions that are workable from an organizational standpoint The Routledge Handbook of Heritage Language Education is an ideal resource for researchers and graduate students interested in heritage language education at home or abroad Handbook of Heritage, Community, and Native American Languages in the United States Terrence G.
