Chicano Timespace Miguel R. López, 2001 The premature death of Ricardo Sánchez in 1995 marked the passing of an almost legendary figure in Chicano literature and in the Chicano political movement A troubadour of Chicano Movement poetry he established an anti aesthetic that became the norm Sánchez's autobiographical poetry forges a link between genres of the past and present and establishes him as the first great tragic figure of contemporary Chicano literature In a body of work that spanned spatial temporal and cultural boundaries Sánchez dealt with issues of power and of linguistic and cultural barriers between Anglo Native American and Mexican American peoples in the United States While he lived critics showed reluctance to engage Sánchez's work fully perhaps in part because of his reputation as a confrontational even outrageous individual Focusing on *Canto y grito mi liberación* and *Hechizos* spells Miguel R López examines Sánchez's work and places him in the context of the past present and future of Chicano literature López explains clearly the relation of time and space in Sánchez's prolific work and shows him as a writer committed to his craft as well as to his political stance In the end the portrait that emerges is of a poet whose work was linguistically and thematically complex and one who was more passionate controversial and forthright in his expression than any other contemporary Chicano writer **Hechizo Spells**, 1976

of eros that defined their culture Such reconfiguration includes the troubling displacement of self and other seen in sentimental genres like the pastoral or romance the overlapping of emotions such as love and jealousy characteristic of the baroque lyric and dramatic production and the conflation of axioms such as eros and eris prevalent in contemporaneous epic experiments In uniting the findings of often surprising texts the collection of essays in Goodbye Eros takes a pioneering look at how Golden Age moral ideological scientific and literary discourses intersected to create fascinating re elaborations of the trope of love
