Hector P Garcia In Relentless Pursuit Of Justice

Manuel G. Gonzales

Hector P Garcia In Relentless Pursuit Of Justice:

Hector P. García Ignacio M. García,2002-11-30 In 1948 Three Rivers Funeral Home refused burial of the remains of Felix Longoria a World War II veteran For Dr Hector P Garcia a this incident was an example of the bigotry and injustice that many Mexican Americans suffered in South Texas and throughout the U S He and his fledgling organization the American GI Forum stepped into the national consciousness to fight for Longoria and his family and to inspire Mexican American participation in party politics and against segregation in the post World War II years Garcia was an immigrant from Tamaulipas Mexico whose family journeyed north in the fashion of so many other immigrant families seeking economic opportunities and safety from the numerous revolutionary conflicts In spite of discrimination and poverty common in the Rio Grande Valley Garcia became a physician in 1940 and like many young Mexican Americans served his adopted country with distinction in fighting fascism and injustice abroad After receiving the Bronze Star and six battle stars he returned to Texas only to find that much of the discrimination and segregation against Mexican Americans was still rampant despite their having proved themselves on the bloody battlefields overseas An outraged Garcia went on to rally Mexican American veterans into one of the most effective civil rights organizations in history and to create a space for them within the political process His pioneering efforts not only resulted in changed laws and practices but also in a new awareness among Mexican Americans that they could fight for their rights and win He proved to be a decisive factor in the election of America's first Catholic president John F Kennedy His activism inspired a new generation of social reformers in the barrio and a reluctant acceptance that Mexican Americans were first class citizens For his work he was awarded the Medal of Freedom in 1984 Hector P Garcia In Relentless Pursuit of Justice the first definitive superbly researched and documented biography of this great American hero is not a one sided profile of Garcia but an objective appraisal of his successes and failures as well as an analysis of the political social and personal issues that he and the American GI Forum confronted during his lifetime

Héctor P. García Michelle Hall Kells,2006 **The Inspiring Life of Texan Héctor P. García** Cecilia García Akers,2016-04-04 As a Mexican immigrant Dr Hector P Garcia endured discrimination at every stage of his life He attended segregated schools and was the only Mexican to graduate from the University of Texas Medical Branch Galveston in 1940 Garcia's passion for helping others pushed him to advocate for equal rights After serving in World War II the doctor worked to help minorities achieve greater access to healthcare voting rights and education He started a private practice in Corpus Christi and in 1948 founded the American GI Forum Cecilia Garcia Akers shares a daughter's perspective on her father's remarkable achievements and sacrifices as an activist and physician Hector P Ignacio M. García,2002 **Civil Rights in Black and Brown** Max Krochmal,Todd Moya,2021-11-09 2022 Best Book Award Oral History Association Hundreds of stories of activists at the front lines of the intersecting African American and Mexican American liberation struggle Not one but two civil rights movements flourished in mid twentieth century Texas and they did so in intimate conversation with one

another Far from the gaze of the national media African American and Mexican American activists combated the twin caste systems of Jim Crow and Juan Crow These insurgents worked chiefly within their own racial groups yet they also looked to each other for guidance and at times came together in solidarity The movements sought more than integration and access they demanded power and justice Civil Rights in Black and Brown draws on more than 500 oral history interviews newly collected across Texas from the Panhandle to the Piney Woods and everywhere in between The testimonies speak in detail to the structure of racism in small towns and huge metropolises both the everyday grind of segregation and the haunting acts of racial violence that upheld Texas s state sanctioned systems of white supremacy Through their memories of resistance and revolution the activists reveal previously undocumented struggles for equity as well as the links Black and Chicana organizers forged in their efforts to achieve self determination

Leaders of the Mexican American Generation Anthony Quiroz, 2015-05-02 *Leaders of the Mexican American Generation* explores the lives of a wide range of influential members of the US Mexican American community between 1920 and 1965 who paved the way for major changes in their social political and economic status within the United States Including feminist Alice Dickerson Montemayor San Antonio attorney Gus Garc a civil rights activist and scholar Ernesto Galarza the subjects of these biographies include some of the most prominent idealists and actors of the time Whether debating in a court of law writing for a major newspaper producing reports for governmental agencies organizing workers holding public office or otherwise shaping space for the Mexican American identity in the United States these subjects embody the core values and diversity of their generation More than a chronicle of personalities who left their mark on Mexican American history *Leaders of the Mexican American Generation* cements this community as a major player in the history of activism and civil rights in the United States It is a rich collection of historical biographies that will enlighten and enliven our understanding of Mexican American history

Keywords for Latina/o Studies Deborah R. Vargas, Lawrence La Fountain-Stokes, Nancy Raquel Mirabal, 2017-12-01 2018 Outstanding Academic Title given by CHOICE Magazine Introduces key terms concepts debates and histories for Latinx Studies *Keywords for Latina o Studies* is a generative text that enhances the ongoing dialogue within a rapidly growing and changing field The keywords included in this collection represent established and emergent terms categories and concepts that undergird Latina o studies they delineate the shifting contours of a field best thought of as an intellectual imaginary and experiential project of social and cultural identities within the US academy Bringing together 63 essays from humanists historians anthropologists sociologists among others each focused on a single term the volume reveals the broad range of the field while also illuminating the tensions and contestations surrounding issues of language politics and histories of colonization specific to this area of study From borderlands to migration from citizenship to mestizaje this accessible volume will be informative for those who are new to Latina o studies providing them with a mapping of the current debates and a trajectory of the development of the field as well as being a valuable resource for scholars to expand their knowledge and critical engagement with the dynamic

transformations in the field **FBI Files on Mexicans and Chicanos, 1940-1980** José Angel Gutiérrez, 2021-03-04 FBI Files on Mexicans and Chicanos 1940 1980 is a multi chapter book that examines the FBI files on multiple well known Mexican and Chicanos as well as the Texas Farm Workers Union and the American G I Forum and the Zoot Suit police riots in Los Angeles California during the 1940s **The Great American Mosaic** Gary Y. Okihiro, Lionel C. Bascom, James E. Seelye Jr., Emily Moberg Robinson, Guadalupe Compeán, 2014-09-30 Firsthand sources are brought together to illuminate the diversity of American history in a unique way by sharing the perspectives of people of color who participated in landmark events This invaluable four volume compilation is a comprehensive source of documents that give voice to those who comprise the American mosaic illustrating the experiences of racial and ethnic minorities in the United States Each volume focuses on a major racial ethnic group African Americans American Indians Asian Americans and Pacific Islanders and Latinos Documents chosen by the editors for their utility and relevance to popular areas of study are organized into chronological periods from historical to contemporary The collection includes eyewitness accounts legislation speeches and interviews Together they tell the story of America s diverse population and enable readers to explore historical concepts and contexts from multiple viewpoints Introductions for each volume and primary document provide background and history that help students understand and critique the material The work also features a useful primary document guide bibliographies and indices to aid teachers librarians and students in class work and research *Mexicanos, Second Edition* Manuel G. Gonzales, 2009-08-20 Newly revised and updated Mexicanos tells the rich and vibrant story of Mexicans in the United States Emerging from the ruins of Aztec civilization and from centuries of Spanish contact with indigenous people Mexican culture followed the Spanish colonial frontier northward and put its distinctive mark on what became the southwestern United States Shaped by their Indian and Spanish ancestors deeply influenced by Catholicism and tempered by an often difficult existence Mexicans continue to play an important role in U S society even as the dominant Anglo culture strives to assimilate them Thorough and balanced Mexicanos makes a valuable contribution to the understanding of the Mexican population of the United States a growing minority who are a vital presence in 21st century America **The Political Culture of the New West** Jeff Roche, 2008-10-28 From wildcatting Texas oilmen to Colorado rock climbers from hipster capitalists to populist moralizers westerners have proven themselves to be a highly individualistic breed of American as much in their politics as in their vocations or lifestyles This first book on the landscape of the American West s politics looks beyond red state blue state assumptions to explore how westerners have expanded the boundaries of the political and emerged as a harbinger of America s electoral future Representing a wide range of specialties popular culture business history the environment ethnic history agriculture and more these authors portray a politically heterogeneous region and show how its multiple traditions have strongly shaped the nation s body politic Viewing politics as more than cyclical electioneering they draw on historical evidence to portray westerners imaginatively rethinking democratic practice and constantly forging new political publics

These twelve essays move western political history beyond the usual discussions of elections and parties and the standard issues of water progressivism and states rights. Some explore claims to western authenticity among those associated with western conservatism not just regional heroes like Barry Goldwater and Ronald Reagan but farmers and evangelicals as well. Others examine the transformation of the West's minority communities to reveal a liberalism that celebrates diversity and articulates claims for social justice. The final chapters reveal the complexity of contemporary western political culture challenging longstanding assumptions about such notions as space, nature, and the liberal-conservative divide. Here then is the paradox of western politics in all its enigmatic glory with frontier individualism going head to head with multiethnic diversity in debates over divergent views of western authenticity and wild cards put into play by counterculturalists, cyber libertarians, fiscally conservative gun-toting Democrats, and environmentalists. *The Political Culture of the New West* shows how westerners have expressed themselves within a complex, often contradictory and constantly changing political culture and helps explain why no electoral outcome in this part of America can be predicted for certain. **George I. Sánchez** Carlos Kevin Blanton, 2015-01-28 George I. Sánchez was a reformer, activist, and intellectual and one of the most influential members of the Mexican American Generation, 1930-1960. A professor of education at the University of Texas from the beginning of World War II until the early 1970s, Sánchez was an outspoken proponent of integration and assimilation. He spent his life combating racial prejudice while working with such organizations as the ACLU and LULAC in the fight to improve educational and political opportunities for Mexican Americans. Yet his fervor was not always appreciated by those for whom he advocated, and some of his more unpopular stands made him a polarizing figure within the Latino community. Carlos Blanton has published the first biography of this complex man of notable contradictions. The author honors Sánchez's efforts hitherto mostly unrecognized in the struggle for equal opportunity while not shying away from his subject's personal faults and foibles. The result is a long overdue portrait of a towering figure in mid-twentieth-century America and the all-important cause to which he dedicated his life: Mexican American integration. **Encyclopedia of Politics of the American West** Steven L. Danver, 2013-04-25 The *Encyclopedia of Politics in the American West* is an A to Z reference work on the political development of one of America's most politically distinct, not to mention its fastest growing region. This work will cover not only the significant events and actors of Western politics but also deal with key institutional, historical, environmental, and sociopolitical themes and concepts that are important to more fully understanding the politics of the West over the last century. *The Routledge Handbook of the History of Race and the American Military* Geoffrey Jensen, 2016-04-20 The *Routledge Handbook of the History of Race and the American Military* provides an important overview of the main themes surrounding race in the American military establishment from the French and Indian War to the present day. By broadly incorporating the latest research on race and ethnicity into the field of military history, the book explores the major advances that have taken place in the past few decades at the intersection of these two fields. The discussion goes beyond the study of

battles and generals to look at the other peoples who were involved in American military campaigns and analyzes how African Americans Native Americans Asian Americans and Chicanos helped shape the course of American History both at home and on the battlefield The book also includes coverage of American imperial ambitions and the national response to encountering other peoples in their own countries The Routledge Handbook of the History of Race in the American Military defines how the history of race and ethnicity impacts military history over time and comparatively while encouraging scholarship on specific groups periods and places This important collection presents a comprehensive survey of the current state of the field

Soldados Razos at War Steven Rosales, 2017-04-18 This book explores the catalysts that motivated Mexican American youth to enlist from World War II through the Vietnam War Provided by publisher

[FBI Surveillance of Mexicans and Chicanos, 1920-1980](#) José Angel Gutiérrez, 2020-09-10 Utilizing FBI surveillance documents this multi chapter book reveals hidden histories of five persons two organizations and one event all related to Mexicans and their Chicanos in the U S

The Chicano Movement Mario T. Garcia, 2014-03-26 The largest social movement by people of Mexican descent in the U S to date the Chicano Movement of the 1960s and 70s linked civil rights activism with a new assertive ethnic identity Chicano Power Beginning with the farmworkers struggle led by Cesar Chavez and Dolores Huerta the Movement expanded to urban areas throughout the Southwest Midwest and Pacific Northwest as a generation of self proclaimed Chicanos fought to empower their communities Recently a new generation of historians has produced an explosion of interesting work on the Movement The Chicano Movement Perspectives from the Twenty First Century collects the various strands of this research into one readable collection exploring the contours of the Movement while disputing the idea of it being one monolithic group Bringing the story up through the 1980s The Chicano Movement introduces students to the impact of the Movement and enables them to expand their understanding of what it means to be an activist a Chicano and an American

We Won't Back Down José Angel Gutiérrez, 2005-11-30 On December 9 1969 change was in the air The small town of Crystal City Texas would never be the same After weeks of petitioning for a hearing with the Crystal City school board students of Crystal City High and their parents descended on the superintendent's office The students had been threatened with suspension and even physical violence Powerful members of the community had insisted they would fire the parents of students if they went in front of the school board and still they came Finally the school board removed the chairs in the gallery and the parents and students stood until members of the school board fled to avoid the confrontation As the students and their parents stood in front of the building a cry rose from the crowd Walk out Walk out So began the Crystal City High student walk out At the center of the fervor was Severita Lara Called la cabezuda or stubborn girl by her mother Lara bore the mark of a leader from an early age She was not afraid to stand up to anyone girls or boys teachers or superintendents She always followed her father's advice If you know it's right do it José Angel Gutiérrez the famous civil rights leader chronicles Lara's ascent from a willful child to the mayor of Crystal City From her father's doting support to her mother's steel rod discipline Gutiérrez offers

a detailed portrait of the early family life of the woman whose continuing struggle against segregation and discrimination began while she was still a high school student in Crystal City He also follows her attempts as a single mother to achieve her dream of being a doctor and providing for her sons This is the story of la cabezuda Severita Lara who has made an indelible imprint on American history JOS ANGEL GUTIERREZ is the author of a memoir for young adults The Making of a Civil Rights Leader Jos Angel Gutierrez Piata Books 2005 two works of social commentary A Chicano Manual on How to Handle Gringos Arte Publico Press 2003 and A Gringo Manual on How to Handle Mexicans Arte Publico Press 1998 and a memoir for adults The Making of a Chicano Militant University of Wisconsin Press 1998 He is the editor and translator of Reyes Lopez Tijerina's autobiography They Called Me King Tiger Arte Publico Press 2000 The founder and former director of the Center for Mexican American Studies at the University of Texas at Arlington he is a professor of Political Science at the University of Texas at Arlington He also practices law in Dallas Texas where he lives with his family

The Making of a Mexican American Mayor Mario T. García, 2018-10-09 Raymond L Telles was the first Mexican American mayor of a major U S city Elected mayor of El Paso in 1957 and serving for two terms he went on to become the first Mexican American ambassador in U S history heading the U S delegation to Costa Rica Historian Mario T Garcia brings Telles's remarkable story to life in this newly updated edition of his pioneering biography The Making of a Mexican American Mayor In the border metropolis of El Paso more than half the population is Mexican American yet this group had been denied effective political representation Mexican Americans broke this barrier and achieved the politics of status through Telles's stunning 1957 victory This book captures the excitement of that long awaited election The Making of a Mexican American Mayor also examines Telles's story as a microcosm of the history of Mexican Americans before and after World War II the Mexican American Generation As mayor and ambassador Telles symbolized this generation's striving for political participation and his legacy is evident in the growing number of Latinas/os holding office today

Freedom Is Not Enough Nancy MacLean, 2008-03-15 MacLean shows how African American and Mexican American civil rights activists and feminists concluded that freedom alone would not suffice access to jobs at all levels is a requisite of full citizenship This book chronicles the cultural and political advances that have irrevocably changed our nation over the past 50 years
