**Anything** Zoe Leber, 2025-11-11 **Learn to Draw Anything** by Zephy is a comprehensive guide that introduces beginners to essential drawing techniques inspiring them to find their own style and draw confidently **How to Know You're Going to Heaven** John Ankerberg, John Weldon, 2014 Most Christians experience doubts at times about their salvation and that uncertainty can be alarming But either salvation is eternally secure from the moment of genuine faith or it isn't And no subject is more important than the assurance that you can know at this very moment that you possess eternal life **How to Know You're Going to Heaven** provides the undeniable and compelling biblical proof to resolve any uncertainty about your eternal destiny As you encounter the infinite treasure and wonder of Jesus Christ and all He has accomplished for you on the cross you will experience joy and lasting freedom once and for all forever **Mind Worx** Dan Brand, 2014-04-14 This book is really a number of short stories compiled over a period of years They consist of a random selection of topics that are separate and yet connected to the one theme What's life all about who are we and why are we here Those questions bring up even more difficult questions such as is the world I experience around me real Are the people around me real Am I real Or am I and everything else in this world just part of some elaborate illusion a dream conjured up by a supremely intelligent energy God You will not find any answers to those questions in this book Rather you'll only find my point of view on the possibilities Its up to you the reader to discern for yourself what the truth might be It is best though not to believe what is written here for that would only put the damper on your learning It's better to absorb the reasoning hidden within and between the lines Then mix that reasoning with the ideas percolating in your own mind and come up with your own personal version of what reality may be That's a very important thing for you to do for combined with the ideas that are emanating from the collective minds of the rest of us seekers of truth humanity as a whole can evolve and advanced to where we are destined to be So come on an entertaining and enthralling journey through the thoughts in my mind and see if I can plant a few fertile thoughts in yours **The Big Book of Numerology** Shirley Blackwell Lawrence, 2019 Previously published in 2001 as **The Secret Science of Numerology** by New Page Books ISBN 978 1 56414 529 1 Title page verso **The Book Of Heaven (Volumes 1 to 36)** Luisa Piccarreta, 2023-03-08 In every act of one who lives in the Divine Volition he pronounces the Fiat there and forms of

it so many divine lives How he gives himself into the power of the creature and lets her do that which she wants with him Difference that passes between one who lives in him and between one who is resigned I am always between the arms of the divine Fiat and oh how I feel the need of his life that breathes beats circulates in my poor soul Without him I feel that all dies for me the light dies sanctity strength even heaven itself as if it might not belong to me anymore Instead as I feel his life all rearises in me The light re arises with its beauty that vivifies purifies and sanctifies My own Jesus re arises with all his works Heaven re arises which the holy Volition encloses within my soul as within a sanctuary in order to make it all mine So that if I live in his Will everything is mine and nothing should be missing for me

*Depth Effects* Brooke Belisle,2024-01-09 In this bold rewriting of visual culture Brooke Belisle uses dimensionality to rethink the history and theory of media aesthetics With *Depth Effects* she traces A I enabled techniques of computational imaging back to spatial strategies of early photography analyzing everyday smartphone apps by way of almost forgotten media forms Drawing on the work of Maurice Merleau Ponty Belisle explores depth both as a problem of visual representation how can flat images depict a voluminous world and as a philosophical paradox how do things cohere beyond the limits of our view She explains how today s depth effects continue colonialist ambitions toward totalizing ways of seeing But she also shows how artists stage dimensionality to articulate what remains invisible and irreducible
