Helen Herron Taft:

Recollections of Full Years Helen Herron Taft, 1914 *Helen Herron Taft* Judith E. Greenberg, 2000 Presents a biography of Helen Herron Taft **My Dearest Nellie** Lewis L. Gould, 2011-09-15 Few presidential couples enjoyed a closer relationship in the White House than Will and Nellie Taft Throughout William Howard Taft's rise in American politics she had been his most intimate confidant When circumstances separated them as when Helen Herron Taft became incapacitated by a stroke and was unable to accompany the president on his storied travels or was herself on recuperative trips she pressed him for letters and he obliged with gossipy correspondence that provides a fascinating account of his presidency at decisive moments in his single term These 113 letters all but a few never before published represent a rare glimpse into the mind of a chief executive speaking candidly about individuals and issues In them Taft commented on political issues he encountered and decisions he made as well as his growing disillusion with Theodore Roosevelt his unhappiness with Congress and his struggles with his weight and golf score Breathing new life into a bygone era in all of its complexity and humanity they also open a new window on Washington early in the twentieth century providing Taft's reactions not only to social figures of the Progressive Era but also to the impact of innovations like the automobile and rudimentary air conditioning Sometimes indiscreet and frustrated with his political prospects Taft comes through as a man who worked hard at a job for which he was not well suited Indeed Taft has been written off as a failed chief executive who was pushed into office by his wife yet as he insisted to Nellie he was a creditable chief executive confronted with a changing political environment Taft's letters may not warrant calling him a great president but they reveal a more thoughtful occupant of the White House than scholars have acknowledged Other than those that Harry Truman wrote to Bess there is no comparable archive of modern presidential letters to a spouse that equals the letters to Dearest Nellie that Will Taft sent Edited and introduced by a leading historian of the Progressive Era Taft's letters not only reveal the inner workings of a presidency at decisive moments but also humanize a chief executive to whom history has been less than kind *Paid Invoices* Helen Herron Taft, 1908 Receipted bills ca 500 pieces rendered Mrs Taft for the White House and personal accounts Washington D C 1908 1910 **Helen Taft** Lewis L. Gould, 2010-08-24 In this fascinating study Lewis L Gould has brought a shadowy first lady into the light and restored her to a rightful place as a patron of music Helen Herron Taft came to the White House intent on establishing Washington D C as the nation's cultural capital A stroke in May 1909 made her a semi invalid impaired her speech and disrupted her agenda Historians have written her off as a shrewish figure who pushed her portly husband into the presidency Gould challenges this outdated narrative with new information on Helen Taft's campaign to bring the best of classical music to the White House during her four years He draws on prodigious research about the musicians who performed there including violinist Fritz Kreisler pianist Fannie Bloomfield Zeisler and contralto Ernestine Schumann Heink and reveals for the first time how Nellie Taft enlisted a diverse array of top notch artists for her musicales recitals and social events The result is a major contribution

to a better understanding of the White House as a cultural center at the turn of the last century Beyond her musical agenda Helen Taft enhanced the appearance of Washington with the planting of the cherry trees from Japan that now bloom each spring Gould also delves with insight into Mrs Taft s role in the politics of her husband s administration He provides the most complete recounting into her part in the dismissal of Henry White as ambassador to France a key moment in the emergence of her husband s split with Theodore Roosevelt He discusses the nature of her stroke based on letters from her husband and her doctors and reveals how Mrs Taft her daughter Helen and the journalist Eleanor Egan crafted the first ever memoir of any first lady Drawing on memoirs and manuscripts not used before Gould re creates memorable occasions at the Taft White House when dramatist Ruth Draper delivered her monologues Charles Coburn staged Shakespeare on the White House lawn and Lady Augusta Gregory of the Irish Players dropped by Gould s path breaking study of Helen Taft is a significant addition to the literature on first ladies and a tribute to a complex and brave woman who overcame illness and adversity to leave her own special imprint on the history of the White House
