

A young girl with dark hair and freckles is looking up at a crow perched on a tree branch. The scene is set in a lush green forest with various plants and flowers. The girl is holding a large, dark, textured rock. The crow is perched on a branch of a tree with green leaves and small white flowers. The background is a soft, hazy green landscape.

And then Mr. Crow did something so wonderful that even Franny could hardly believe it was true. He brought her a gift.

He left it on top of her favorite rock where she was certain to find it.
