Captain & Passenger Eriq Queen, 2023-11-29 The series written in sequence is not based on drama and conflict but loaded with a deep understanding of the human construct and beyond and hints at transformative choices in life It tells the person to use the divine GPS rather than the human intuition and move in unity as WEGO rather than EGO We talk about how people pets and other animals are different in their life cycles and where they originate from New feathered friends show up and bring knowledge of the planet and its habitants New human friends step out of the wings and cause mutual enrichment in everyone s life The flow of the fast changing world influences the life of Julia her family and the surrounding people The best thing to do is to go with the flow and that is what they do Some find new homes and possibilities and there are several surprises in store for the family Official Stud Book and Registry American Quarter Horse Association, 1981
