Fascinating Not only conveys the quiet heroism of what his mother contributed to Anne Frank's story but a sad playing out of a family's dysfunction of the pain of survival of the ripples of trauma flowing into succeeding generations DAILY TELEGRAPH **Anne Frank** Mirjam Pressler, 2001 Describes the background in which Anne Frank's life and diary were set as she hid in an attic in Nazi occupied Holland for two years Anne Frank, the untold story Joop van Wijk, Jeroen De Bruyn, 2018-09-04 A never before told true story about Anne Frank and a carefully hidden truth as well as Bep and her father's boundless loyalty in life are important issues Beautifully written with simplicity Many facets about the hidiers in the Secret Annex in Amsterdam have been highlighted throughout the years but remarkably enough the role of Otto Frank's young secretary Bep Voskuijl Elli Vossen in Anne Frank's Diary has received very little attention Belgian journalist Jeroen De Bruyn and Bep's son Joop van Wijk dove into her past and reconstructed her tragic but fascinating life Bep is 23 years old when in 1942 she is let in on the secret of the eight hidiers on Prinsengracht During the next 25 months she becomes a pillar of support for Anne Frank with whom she builds an intense friendship Bep buys clothes and food for the hidiers and supplies Anne with paper to write her diary Things aren't easy for Bep her father the maker of the famous revolving bookcase becomes gravely ill in 1943 and her

sister collaborates with the Germans Bep leads a double life keeping this secret from her boyfriend and family When the Germans raid the hiding place on August 4 1944 and arrest the hiders Bep escapes in horror Later she rescues a large part of Anne's writings The news of the deaths of seven out of the eight hiders only Otto Frank returns from the concentration camps leaves deep scars ANNE FRANK THE UNTOLD STORY casts a new light on Anne Frank's short life by means of previously unknown witnesses and documents That makes this book a valuable addition to her world famous Diary Moreover it's a tribute to those brave Dutch people who risked their lives to save Jews Finally the book adds a remarkable name to the list of people who could have betrayed the hiders of the Secret Annex Jeroen De Bruyn 1993 wrote for various Belgian magazines and for the Gazet van Antwerpen the newspaper for which he is currently editor Joop van Wijk 1949 is Bep Voskuil's youngest son As a marketing manager he was connected to Dutch newspapers NRC Handelsblad and Algemeen Dagblad for years

numerous ways people have engaged her life and writing Apart from officially sanctioned works and organizations there exists a prodigious amount of cultural production which encompasses literature art music film television blogs pedagogy scholarship religious ritual and comedy Created by both artists and amateurs these responses to Anne Frank range from veneration to irreverence Although at times they challenge conventional perceptions of her significance these works testify to the power of Anne Frank the writer and Anne Frank the cultural phenomenon as people worldwide forge their own connections with the diary and its author This collection of brilliant essays offers fascinating and unexpected insights into the significance of Anne Frank s iconic Holocaust era diary from many disciplinary perspectives in the arts and humanities Jan T Gross the Norman B Tomlinson Professor of War and Society Princeton University This volume is a major contribution to scholarship regarding Anne Frank s diary and its cultural influence Highly recommended Choice Engrossing The overall aim is to provide a greater understanding of the general and particular engagement with Anne Frank as a person a symbol an icon an inspiration and perhaps most polarizing as one victim not the victim of the Nazi holocaust Broadside Mediation, Remediation, and the Dynamics of Cultural Memory Astrid Erll,Ann Rigney,2009-07-14 This collection of essays brings together two major new developments in cultural memory studies firstly the shift away from static models of cultural memory where the emphasis lies on cultural products in the direction of more dynamic models where the emphasis lies instead on the cultural and social processes involved in the ongoing production of shared views of the past and secondly the growing interest in the role of the media and their role beyond that of mere storage within these dynamics The specific concern of this collection is linking the use of media to the larger socio cultural processes involved in collective memory making The focus rests in particular on two aspects of media use the basic dynamics of mediation and remediation The key questions are What role do media play in the production and circulation of cultural memories How do mediation remediation and intermediality shape objects and acts of cultural remembrance How can new emergent media redefine or transform what is collectively remembered The essays of this collection focus on social historical religious and artistic media memories The authors analyze the memory making impact of news media the mediation and remediation of lieux de m moire the medial representation of colonial and postcolonial of Holocaust and Second World War memories and finally the problematization of these very processes in artistic media forms such as novels and movies "Meeting" Anne Frank Tim Whittome,2021-03-07 Meeting Anne Frank An Anthology captures the stories of some twenty of us who have walked with Anne Frank and her sister Margot as kindred spirits over the course of the many decades that have elapsed since both girls died from typhus and Nazi cruelty in Bergen Belsen in 1945 None writing here actually met or knew Anne personally but we have talked to her and journeyed with her kindred spirit Anne Frank unites us at a time when so much of the world is riven by the familiar and divisive themes of partisan politics anti Semitism and prejudice You will though be meeting those who did know Anne s most adorable father Otto and they have kindly shared their vivid stories in this volume You will be seeing how we cherish not just the loving

father daughter relationship that has come to mean so much for many of us but also the inspiration of Anne's patient mother Edith and her ladylike older sister Margot. Several of Anne's surviving school friends also appear in the journeys undertaken by a number of my contributors. In the years since she died in 1945 Anne Frank has become variously the sister mother wife daughter girlfriend or best friend to each of us writing for this anthology and to many in the wider world. We honor the happy and tragic story of Anne's brief life and recognize the existence of at least two Annes in both her sense of fun and mischief and in her growing self awareness while in hiding. Anne was only a child while she lived freely at Merwedeplein 37 in Amsterdam The Netherlands and barely a teenager when she died in a Nazi concentration camp for the simple crime of being Jewish. Anne wanted to go on living after her death in February or March 1945 and I hope we have honored her lasting wish in this work.

Jewish Masculinity in the Holocaust Maddy Carey, 2017-10-05. This book explores for the first time the impact of the Holocaust on the gender identities of Jewish men. Drawing on historical and sociological arguments it specifically looks at the experiences of men in France Holland Belgium and Poland. Jewish Masculinity in the Holocaust starts by examining the gendered environment and ideas of Jewish masculinity during the interwar period and in the run up to the Holocaust. The volume then goes on to explore the effect of Nazi persecution on various elements of male gender identity analysing a wide range of sources including diaries and journals written at the time underground ghetto newspapers and numerous memoirs written in the intervening years by survivors. Taken together these sources show that Jewish masculinities were severely damaged in the initial phases of persecution particularly because men were unable to perform the gendered roles they expected of themselves. More controversially however Maddy Carey also shows that the escalation of the persecution and later enclosure whether through ghettoisation or hiding offered men the opportunity to reassert their masculine identities. Finally the book discusses the impact of the Holocaust on the practice of fatherhood and considers its effect on the transmission of masculinity. This important study breaks new ground in its coverage of gender and masculinities and is an important text for anyone studying the history of the Holocaust.
