

A watercolor illustration of a landscape. In the background, there are rolling green mountains under a pale, hazy sky. A faint rainbow is visible in the upper right portion of the sky. In the middle ground, a calm blue lake reflects the sky. The foreground consists of a sandy, light-brown shore with some dark, rocky patches.

Hide And Seek A Continuing Journey:

Nixon Jonathan Aitken, 2015-10-19 The rise fall and rebirth of Richard Nixon is perhaps the most fascinating story in American politics and perhaps the most misunderstood Nixon A Life is the first entirely objective biography of Richard Nixon Former British Defense Minister Jonathan Aitken conducted over sixty hours of interviews with the impeached former president and was granted unprecedented access to thousands of pages of Nixon s previously sealed private documents Nixon reveals to Aitken why he didn t burn the Watergate tapes how he felt when he resigned the presidency his driving spiritual beliefs and more Nixon A Life breaks important new ground as a major work of political biography inspiring historians to recognize the outstanding diplomatic achievements of a man whose journey from tainted politician to respected foreign policy expert and elder statesman was nothing short of remarkable **The Contender** Irwin F. Gellman, 2017-05-02 The definitive account of Richard Nixon s congressional career back in print with a new preface Unsurpassed in the fifteen years since its original publication Irwin F Gellman s exhaustively researched work is the definitive account of Richard Nixon s rise from political unknown to the verge of achieving the vice presidency To document Nixon s congressional career Gellman combed the files of Nixon s 1946 1948 and 1950 campaigns papers from the executive sessions of the House Un American Activities Committee HUAC and every document dated through 1952 at the Richard Nixon Library This singular volume corrects many earlier written accounts For example there was no secret funding of Nixon s senate campaign in 1950 and Nixon won universal praise for his evenhandedness as a member of HUAC The first book of a projected five volume examination of this complex man s entire career this work stands as the definitive political portrait of Nixon as a fast rising young political star **Nixon Volume I** Stephen E. Ambrose, 2014-03-18 From acclaimed biographer Stephen E Ambrose comes the life of one of the most elusive and intriguing American political figures Richard M Nixon From his difficult boyhood and earnest youth to his ruthless political campaigns for Congress and Senate to his defeats in 60 and 62 Richard Nixon emerges life size in all his complexity New York Times bestselling author Stephen Ambrose charts the peaks and valleys of Nixon s first fifty years his critical support as a freshman congressman of the Truman Doctrine and the Marshall Plan his involvement in the House Committee on Un American Activities his aggressive pursuit of Alger Hiss his ambivalent relationship with Eisenhower and more It is the consummate biography and a stunning political odyssey *Nixon* Stephen E. Ambrose, 1987 Volume one of Nixon s biography **Richard M. Nixon** Conrad Black, 2008-10-23 From the late 1940s to the mid 1970s Richard Nixon was a polarizing figure in American politics admired for his intelligence savvy and strategic skill and reviled for his shady manner and cutthroat tactics Conrad Black whose epic biography of FDR was widely acclaimed as a masterpiece now separates the good in Nixon his foreign initiatives some of his domestic policies and his firm political hand from the sinister in a book likely to generate enormous attention and controversy Black believes the hounding of Nixon from office was partly political retribution from a lifetime s worth of enemies and Nixon s misplaced loyalty to unworthy

subordinates and not clearly the consequence of crimes in which he participated Conrad Black's own recent legal travails though hardly comparable have undoubtedly given him an unusual insight into the pressures faced by Nixon in his last two years as president and the first few years of his retirement **Forthcoming Books** Rose Army,1988-09 *Susan Glaspell* Linda Ben-Zvi,2002 The first book length critical assessment of American playwright and fiction writer Susan Glaspell

Larry Ingle,2015-07-07 Have you ever thought you completely knew a story inside and out only to see some new information that shatters what you had come to accept as unquestioned fact Well Richard Nixon is that story and Nixon's First Cover up is that new information With few exceptions the religious ideologies and backgrounds of U S presidents is a topic sorely lacking in analysis H Larry Ingle seeks to remedy this situation regarding Nixon one of the most controversial and intriguing of the presidents Ingle delves more deeply into Nixon's Quaker background than any previous scholar to observe the role Nixon's religion played in his political career Nixon's unique and personally tailored brand of evangelical Quakerism stayed hidden when he wanted it to but was on display whenever he felt it might help him advance his career in some way Ingle's unparalleled knowledge of Quakerism enables him to deftly point out how Nixon bent the traditional rules of the religion to suit his needs or in some cases simply ignored them entirely This theme of the constant contradiction between Nixon's actions and his apparent religious beliefs makes Nixon's First Cover up truly a groundbreaking study both in the field of Nixon research as well as the field of the influence of religion on the U S presidency Forty years after Nixon's resignation from office Ingle's work proves there remains much about the thirty seventh president that the American public does not yet know **A Year of Writing Dangerously** Barbara Abercrombie,2012 A successful author and writing teacher offers a wide
