## **High Risk Parenting:**

**Nursing Assessment and Strategies for the Family at Risk** Suzanne Hall Johnson, 1986 The intent of this text is to help nurses identify families in high risk situations and provide a holistic approach towards nursing strategies for preventing and reducing these family problems *Minimizing High-risk Parenting* Valerie J. Sasserath, 1983 The conference papers and discussions presented in this volume convey current information and are intended to serve as a guide for intervention by health professionals and others involved with high risk parenting situations High risk parenting is defined as a social condition in which normal patterns of parent child behavior and interaction are disturbed Contents focus on two major issues 1 how interventions associated with the parenting process can be more effectively managed to help the child at risk and 2 the increasing recognition of the need for more effective communication between child health professionals and parents Specifically the volume includes sections devoted to three topic areas Part I focuses on successful parenting emphasizing basic adaptations the black community and factors in predicting success Articles presented in part II discuss numerous concerns including pregnancy adolescent mothers medically impaired infants parents of the premature infant or child lost by death pediatric social illnesses and child abuse and neglect Discussion in part III focuses on prevention of high risk parenting outcomes and describes an intervention program and perinatal coaching Summaries are provided following each section and an appendix detailing funding and cost benefit analysis of services for high risk families and infants is included BJD

**High-risk parenting**, 1979 **Child Abuse and Neglect** John T. Pardeck, 2021-12-23 First Published in 1989 Child Abuse and Neglect attempts to focus on the problem of child maltreatment by using a multidisciplinary approach It presents findings from the fields of psychiatry psychology education sociology and social work from a broad theoretical perspective Both micro and macro approaches are stressed in the work with particular emphasis on social factors related to child abuse and neglect characteristics of adults and families likely to abuse and neglect and interesting strategies of treatment including family therapy Professionals actively involved in research and theory building as well as those who work directly with abused and neglected children will find this book a useful form of reference Healthier People in Wisconsin, 1990 **Parenting** George W. Holden, Amanda W. Harrist, 2024-09-10 George Holden and Amanda Harrist embrace the idea that parenting is a dynamic process children affect parents just as much as parents affect children A multi level ecological approach to parenting and childrearing allows a full range of parenting styles covering topics from co parenting evolutionary views human behavioral genetics to religious influences and addressing challenges to be encountered across parenting courses such as family violence behavior problems and the role of pathology in the family The completely updated Parenting A Dynamic Process Fourth Edition presents research in a way that is accessible and interesting but also accurate current and intellectually rich Although written from a psychological perspective views and applications from other disciplines including sociology criminology anthropology and pediatrics are also discussed where appropriate The text discusses contemporary

issues such as fertility problems daycare marital conflict whether or not to use physical punishment divorce remarriage and step parents parenting emerging and young adults LGBTQ parents aging parents the effects of poverty risks and benefits of media use among children and family violence Additionally Holden and Harrist include selected studies from developing and non Western countries as well as recent statistics on such topics as US world birthrate birth problems adolescent pregnancy child injury divorce and remarriage child maltreatment and certain social policy issues
