**High Bright Buggy Wheels** Luella Bruce Creighton, 1951      *Donald Creighton* Donald A. Wright, 2015-09-15 A member of the same intellectual generation as Harold Innis Northrop Frye and George Grant Donald Creighton 1902 1979 was English Canada's first great historian The author of eleven books including *The Commercial Empire of the St Lawrence* and a two volume biography of John A Macdonald Creighton wrote history as if it had happened he said the day before yesterday And as a public intellectual he advised the prime minister of Canada the premier of Ontario and at least on one occasion the British government Yet he was as Donald Wright shows also profoundly out of step with his times As the nation was re imagined along bilingual and later multicultural lines in the 1960s and 1970s Creighton defended a British definition of Canada at the same time as he began to fear that he would be remembered only as a pessimist a bigot and a violent Tory partisan Through his virtuoso research into Creighton's own voluminous papers Wright paints a sensitive portrait of a brilliant but difficult man Ultimately Donald Creighton captures the twentieth century transformation of English Canada through the life and times of one of its leading intellectuals
