

A muscular man with a dark beard and short hair is shown from the chest up, looking directly at the camera. He has his arms crossed. The background is a scenic view of a mountain range under a blue sky with a bright sun or moon. The title 'HIGH COUNTRY HERO' is overlaid on his chest in a large, blue, distressed font. Above the title is a small graphic of a mountain range. Below the title is a logo featuring a pair of wings and the text 'BROTHERHOOD PROTECTORS' and 'Colorado'.

High Country Hero:

High Country Hero Lynna Banning, 2002 **The Brumby Wars** Anthony Sharwood, 2021-09-01 It's not just a war over horses. It's a battle for the soul of Australia. This is a book about the intense culture war raging around Australia's wild horses known as brumbies. It pits a vision of the legendary Man from Snowy River and the iconic ANZAC Light Horse against the spectre of ecosystems destroyed by feral pests. The debate involves powerful politicians and media commentators and stars an animal mythologised in Australian poetry and prose. But in essence this is about us. The Brumby Wars is about Australians at war with each other over their vision of an ideal Australia. To ecologists and people who ski, walk and fish in the High Country and other areas where the brumbies proliferate, they are a feral menace which must be removed to save delicate alpine landscapes. To the descendants of cattle families and many Australians in urban and regional areas, brumbies are untouchable, a symbol of wildness and freedom. Something has to give. But what? The land or the horses? This war is set to escalate dramatically before we have an answer. Featuring interviews with characters from all sides of the debate, *The Brumby Wars* is the riveting account of a major national issue and the very human passions it inspires. It is also a journey, a quest to understand what makes us tick in our increasingly polarised country. Praise for Anthony Sharwood's *From Snow to Ash* Makes for inspirational reading. *West Australian*. A distinctive, charming narrative, a thinking, caring man's trek. *Canberra Times*. A joyous read with personality in spades. A book for the adventurer in us all. *Australian Geographic*. **Tactical Takeover** Elle James, 2021-08-24 Former Navy SEAL Sawyer Johnson's career as a SEAL is over. He's the survivor of an attack that killed two of his buddies and cost him the use of his left hand. Out of the military and aimless, he receives a job offer and a ticket to fly to Colorado Springs. On the flight, he meets a woman who is moving to Colorado to free her brother from a militant group. Intrigued, he realizes her problem is a perfect challenge for the Brotherhood Protectors, his new place of employment. Kinsley Brothers is a take-charge Physician Assistant and devoted big sister. When her brother gets caught up in a radical survivalist group, she pulls up stakes and moves to Colorado to rescue her sibling from the dangerous and charismatic leader of the cult. In over her head, she gladly accepts an offer of assistance from the Brotherhood Protectors. Assigned to aid and protect Kinsley, Sawyer has his job cut out for him with the headstrong woman who is used to doing things her way. To get her brother out, they must infiltrate the cult's mountain hideout. The ticking timebomb they discover will take the entire team to diffuse. **Beau** Elle James, 2024-06-22 She wants to save the bayou. He wants to save her. They might lose both.
