High Priest Of Harmful Matter

John Bunyan

High Priest Of Harmful Matter:

Punk Rockers' Revolution Curry Malott, Milagros Peña, 2004 For punk rockers music and art have often been used as tools for resisting and accommodating the interests of society's dominant classes During the late 1970s a predominantly white male working middle class counterculture began to develop what is now known as punk rock This book shows how punk rock serves to both subvert and accommodate the interest of late capitalist American society by looking at the trends in the ideas values and beliefs transmitted through punk lyrical messages specifically through the content of three punk record labels and how they have evolved over time The impact of punk will continue because it is a product of the changing face of alternative cultural spaces spaces that impact and are impacted by increasingly hostile and exploitive relationships between and within oppressor and oppressed groups

Culture Wars Roger Chapman, 2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today

Christotainment

Shirley R. Steinberg, Joe L., Joe L. Kincheloe, 2018-04-17 For more than two thousand years Christian expansion and proselytizing was couched in terms of defending the faith Until recently in the United States much of that defense came in the form of reactions against the liberal influences channeled through big corporate media such as popular music Hollywood movies and network and cable television But the election of Ronald Reagan as a Hollywood President introduced Christian America to the tools of advertising and multimedia appeals to children and youth to win new believers to God's armies Christotainment examines how Christian fundamentalism has realigned its armies to combat threats against it by employing the forces it once considered its chief enemies the entertainment media including movies television music cartoons theme parks video games and books Invited contributors discuss the critical theoretical frameworks of top selling devices within Christian pop culture and the appeal to masses of American souls through the blessed marriage of corporatism and the quest for pleasure

Artcrime Winston Smith, 1998 Winston Smith named for the protagonist of George Orwell's 1984 uses old school cut and paste methods to create his collages of old Americana images juxtaposed into shocking pictures Smith's work is often seen in Playboy the New Yorker and on album covers for such diverse groups as Green Day and George Carlin Dinosaurs poke their head into windows as 1950s suburban housewives take fresh baked MX missiles out of the oven

Pranksters Kembrew McLeod, 2014 From Benjamin Franklin's newspaper hoax that faked the death of his rival to Abbie Hoffman OCOs attempt to levitate the Pentagon pranksters hoaxers and con artists have caused confusion disorder and

laughter in Western society for centuries Profiling the most notorious mischief makers from the 1600s to the present day a Pranksters explores how OC pranksOCO are part of a long tradition of speaking truth to power and social critique Invoking such historical and contemporary figures as P T Barnum Jonathan Swift WITCH The Yes Men and Stephen Colbert Kembrew McLeod shows how staged spectacles that balance the serious and humorous can spark important public conversations In some instances tricksters have incited social change and unfortunate prank blowback by manipulating various forms of media from newspapers to YouTube For example in the 1960s self proclaimed OC professional hoaxerOCO Alan Abel lampooned AmericaOCO's hypocritical sexual mores by using conservative rhetoric to fool the news media into covering a satirical organization that advocated clothing naked animals In the 1990s Sub Pop Records then receptionist Megan Jasper satirized the commodification of alternative music culture by pranking thea New York Times ainto reporting on her fake lexicon of OC grunge speak OCO Throughout this book McLeod shows how pranks interrupt the daily flow of approved information and news using humor to underscore larger pointed truths Written in an accessible story driven style a Pranksters areveals how mischief makers have left their shocking entertaining and educational mark on modern political and social life *Alternative Rock* Dave Thompson,2000-11 Provides profiles of solo performers bands producers and record labels from the alternative rock movement ranging from the mid 1970s to the present and includes discographies album reviews and photographs
