Jesus Is Coming Soon? Jim Reeves,2016-06-30

Jesus said he was coming soon All his disciples and the writers of the New Testament heard what he said and believed he would return during their lifetime Over two thousand years later most Christian people believe he has still not come yet continue to claim he is coming soon Is it possible we have totally missed something from the Scriptures about this second coming of Christ It may surprise you to learn Jesus explained in very clear understandable terms not only when he was coming back but more importantly why Over the past years there have been hundreds of prophecies about when Jesus was coming and when the world would end All of them have proven to be false doing little more than casting doubt on the credibility of the Bible and the faithfulness of God Perhaps it is time we took a fresh look at what the Bible actually says

about the end times There are a lot of differing opinions about the second coming the end of the world the last days and a host of other topics associated with the promised coming of Jesus This book examines what the Scriptures actually say about these topics and how they all fit perfectly into God s plan to redeem mankind from the consequences of sin Jesus Is Coming Soon presents a clear easy to understand explanation about these end time events And it is an exciting and positive message God s plan for the world was is and always be its salvation not its destruction You will be glad you read this book
