

High Water Mark

PROSE POEMS ~

David Shumate

WINNER OF THE AGNES LYNGBLUM STARRETT POETRY PRIZE

High Water Mark Prose Poems

Paul Hetherington, Cassandra Atherton

High Water Mark Prose Poems:

High Water Mark David Shumate, 2004-10-03 Everyday mindreading a house full of Buddhas and the papaya scent of the soul An interview with Custer at a place of his choosing probably a steakhouse The ability of dogs to smell the uncool Hitler's barber imagines what might have been if only he'd leaned his weight into the razor An oblivious Coronado narrowly avoids an ambush on the American plains Freud lecherously lifts the skirt of a Mexican housekeeper who has far too much work to be bothered by a pillar of modern thought Or just some dirty old man In lesser hands such disparate elements might fly wildly out of control But in David Shumate's understated brilliant prose poems they come together in miraculously vivid riffs The narrator of the title poem rhapsodizes I wouldn't mind seeing another good flood before I die It's been dry for decades Next time I think I'll just let go and drift downstream and see where I end up Shumate's deft and refreshing collection takes us to amazing places with its plainspoken meditations

Prose Poetry Paul Hetherington, Cassandra Atherton, 2020-10-13 An engaging and authoritative introduction to an increasingly important and popular literary genre Prose Poetry is the first book of its kind an engaging and authoritative introduction to the history development and features of English language prose poetry an increasingly important and popular literary form that is still too little understood and appreciated Poets and scholars Paul Hetherington and Cassandra Atherton introduce prose poetry's key characteristics chart its evolution from the nineteenth century to the present and discuss many historical and contemporary prose poems that both demonstrate their great diversity around the Anglophone world and show why they represent some of today's most inventive writing A prose poem looks like prose but reads like poetry it lacks the line breaks of other poetic forms but employs poetic techniques such as internal rhyme repetition and compression Prose Poetry explains how this form opens new spaces for writers to create riveting works that reshape the resources of prose while redefining the poetic Discussing prose poetry's precursors including William Wordsworth and Walt Whitman and prose poets such as Charles Simic Russell Edson Lydia Davis and Claudia Rankine the book pays equal attention to male and female prose poets documenting women's essential but frequently unacknowledged contributions to the genre Revealing how prose poetry tests boundaries and challenges conventions to open up new imaginative vistas this is an essential book for all readers students teachers and writers of prose poetry

Good Poems for Hard Times, 2006-08-29 The book is full of strong memorable poems that stick with readers like a friend during a long hard night The Christian Science Monitor Here readers will find solace in works that are bracing and courageous organized into such resonant headings as Such As It Is More or Less and Let It Spill From William Shakespeare and Walt Whitman to R S Gwynn and Mary Oliver the voices gathered in this collection will be more than welcome to those who've been struck by bad news who are burdened by stress or who simply appreciate the power of good poetry

Kimonos in the Closet David Shumate, 2013-10-18 These are enormously arresting odd wryly humorous gripping poems And the variety of subject matter is astounding I don't know when I've enjoyed reading a book so much David Budbill

The Floating Bridge

David Shumate,2008-01-28 I was deeply taken by David Shumate s The Floating Bridge There is none better working now at this very difficult genre the prose poem Jim Harrison Even the most enthusiastic partisans of the form will tell you that good prose poems are nearly as rare as good sonnets the manatee or Republicans with a social conscience and thus the canny and compelling prose poems of David Shumate s The Floating Bridge are especially welcome **All Saints** Liam

Callanan,2008-03-25 The acclaimed author of The Cloud Atlas returns with a wondrous second novel Set in a small beachfront Catholic high school narrated by a beautifully complex heroine theology teacher Emily Hamilton All Saints is at once a mystery a love story and a powerful rumination on secrets temptation and faith By life s midpoint Emily has seen three husbands dozens of friends and hundreds of students come and go And now her classroom long her refuge is proving to be anything but Though her popular occasionally irreverent church history course is rich with stories of long dead saints Emily uneasily discovers that it s her own tumultuous life that fascinates certain students most She in turn finds herself drawn into their world their secrets and the fateful choices they make A novel of mystery and illumination calling and choice All Saints explores lives lived in a fragile sanctuary from Emily and her many saints to a priest facing his own mortality and a teenager tormented by desire Told with grace and compassion this is a spellbinding novel of provocative storytelling *New Micro*

James Thomas,Robert Scotellaro,2025-04-25 A new collection of very short stories selected by Flash Fiction editor James Thomas and Robert Scotellaro All of the stories in this book are exceptionally short revealing themselves in no more than 300 words With a foreword by Robert Shapard and an afterword by Christopher Merrill this book brings you fresh approaches to an exacting form that demands precision a species of brevity that is surprisingly expansive Writers say the pieces are hard to compose but readers say they are easy to appreciate a pleasure to envision a wonder to watch life spun out and painted in small places Real and surreal lyrical and prosaic here are 135 stories by 89 authors certain to make you think **The Eclectic Magazine** ,1886 **The Eclectic Magazine of Foreign Literature, Science, and Art** ,1886 **The Best American Poetry 2007**

David Lehman,Heather McHugh,2007-09-11 The twentieth edition of The Best American poetry series celebrates the rich and fertile landscape of American poetry Renowned poet Heather McHugh loves words and the unexpected places they take you her own poetry elevates wordplay to a species of metaphysical wit For this year s anthology McHugh has culled a spectacular group of poems reflecting her passion for language her acumen and her vivacious humor From the thousands of poems published or posted in one year McHugh has chosen seventy five that fully engage the reader while illustrating the formal and tonal diversity of American poetry With new work by established poets such as Louise Gl ck Robert Hass and Richard Wilbur The Best American Poetry 2007 also features such younger talents as Ben Lerner Meghan O Rourke Brian Turner and Matthea Harvey Graced with McHugh s fascinating introduction the anthology includes the ever popular notes and comments section in which the contributors write about their work Series editor David Lehman s engaging foreword limns the necessity of poetry The Best American Poetry 2007 is an exciting addition to a series committed to

covering the American poetry scene and delivering great poems to a broad audience **High Water Mark** David Von Kampen,2011 [American Poetry Now](#) Ed Ochester,2007-04-08 American Poetry Now is a comprehensive collection of the best work from the renowned Pitt Poetry Series Since its inception in 1967 the series has been a vehicle for America s finest contemporary poets The series list includes Poet Laureate Billy Collins Toi Derricotte Denise Duhamel Lynn Emanuel Bob Hicok Poet Laureate and Pulitzer Prize winner Ted Kooser Larry Levis Sharon Olds Alicia Suskin Ostriker Virgil Suarez Afaa Michael Weaver David Wojahn Dean Young and many others Throughout its forty year history the Pitt Poetry Series has provided a voice for the diversity that is American poetry representing poets from many backgrounds without allegiance to any one school or style American Poetry Now is a true representation of contemporary American poetry Ed Ochester series editor for nearly thirty years has assembled a quintessential selection along with biographies and photos an enlightening introduction and a suggested list for further reading all in a highly accessible format American Poetry Now is a sweeping anthology that will delight poetry fans students teachers and general readers alike **Writing to Wake the Soul** Karen Hering,2013-11-05 Give voice to your greatest hopes and worst fears to your sorrows as well as your imagined future Here you will find poetry and story myth and meditation history and culture Perfect for today s spiritual seeker Writing to Wake the Soul provides inspiration practical guidance and content rich prompts to help readers articulate and explore the difficult questions of our time Its elegant narrative invites readers to use words as a way to journey into a greater understanding of their relationship with what they believe in Writers and non writers theists agnostics and atheists alike will develop a personal correspondence with the still small voice within with their inner self and soul and wisdom Through over 200 pages of meditations and writing prompts on theological themes from a wide spectrum of spiritual practices Writing to Wake the Soul offers a thoughtful reflection on the possibilities carried by words *Poet Lore* ,1914 **The Eclectic Magazine** John Holmes Agnew,Walter Hilliard Bidwell,1886 **Making Poems** Todd F. Davis,Erin Murphy,2010-02-02 This diverse collection of poems and companion essays by forty nationally and internationally known poets allows readers to experience the creative process through the eyes and voice of each poet No matter how often we are told that revision is an essential component of poetic composition it can be difficult to resist the temptation to think of the poem as having sprung spontaneously Athena like from the writer s head By exposing readers to the finished product as well as the poet s own account of the poem s creation Making Poems offers a behind the scenes perspective on the poetic process that will fascinate both beginning and established writers The book also affords poetry instructors an opportunity to demonstrate to their students the ways in which poems can originate from seemingly mundane and unlikely sources **The Watchdog That Didn't Bark** Dean Starkman,2014-01-07 The Pulitzer Prize winning reporter details how the U S business press could miss the most important economic implosion of the past eighty years Eric Alterman media columnist for The Nation In this sweeping incisive post mortem Dean Starkman exposes the critical shortcomings that softened coverage in the business

press during the mortgage era and the years leading up to the financial collapse of 2008 He examines the deep cultural and structural shifts some unavoidable some self inflicted that eroded journalism s appetite for its role as watchdog The result was a deafening silence about systemic corruption in the financial industry Tragically this silence grew only more profound as the mortgage madness reached its terrible apogee from 2004 through 2006 Starkman frames his analysis in a broad argument about journalism itself dividing the profession into two competing approaches access reporting and accountability reporting which rely on entirely different sources and produce radically different representations of reality As Starkman explains access journalism came to dominate business reporting in the 1990s a process he calls CNBCization and rather than examining risky even corrupt corporate behavior mainstream reporters focused on profiling executives and informing investors Starkman concludes with a critique of the digital news ideology and corporate influence which threaten to further undermine investigative reporting and he shows how financial coverage and journalism as a whole can reclaim its bite Can stand as a potentially enduring case study of what went wrong and why Alec Klein national bestselling author of Aftermath With detailed statistics Starkman provides keen analysis of how the media failed in its mission at a crucial time for the U S economy Booklist

Blanks, Print, Space, and Void in English Renaissance Literature Jonathan Sawday, 2023-06-20
Blanks Print Space and Void in English Renaissance Literature is an inquiry into the empty spaces encountered not just on the pages of printed books in c 1500 1700 but in Renaissance culture more generally The book argues that print culture in the sixteenth and seventeenth centuries helped to foster the modern idea of the gap where words texts images and ideas are constructed as missing lost withheld fragmented or perhaps never devised in the first place It re imagines how early modern people reacted not just to printed books and documents of many different kinds but also how the very idea of emptiness or absence began to be fashioned in a way which still surrounds us Jonathan Sawday leads the reader through the entire landscape of early modern print culture discussing topics such as space and silence the exploration of the vacuum the ways in which race and racial identity in early modern England were constructed by the language and technology of print blackness and whiteness together with lightness darkness and sightlessness cartography and emptiness the effect of typography on reading practices the social spaces of the page gendered surfaces hierarchies of information books of memory pages constructed as waste or vacant the genesis of blank forms and early modern bureaucracy the political and devotional spaces of printed books the impact of censorship and the problem posed by texts which lack endings or conclusions The book itself ends by dwelling on blank or empty pages as a sign of human mortality Sawday pays close attention to the writings of many of the familiar figures in English Renaissance literary culture Sidney Shakespeare Donne Jonson and Milton for example as well as introducing readers to a host of lesser known figures The book also discusses the work of numerous women writers from the period including Aphra Behn Ann Bradstreet Margaret Cavendish Lady Jane Gray Lucy Hutchinson melia Lanyer Isabella Whitney and Lady Mary Wroth

Shallow Soil Knut Hamsun, 2025-08-16
Reproduction of the original

The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage White Light Ronald J. Friis, 2021-11-12 White Light The Poetry of Alberto Blanco examines the interplay of complementary images and concepts in the award winning Mexican writer's cycle of poems from 1979 to 2018 Blanco's poetic trilogy *A la luz de siempre* is characterized by its broad range of form and subject and by the poet's own eclectic background as a chemist, maker of collages and musician Blanco speaks the language of the visual arts, science, mathematics, music and philosophy and creates work with deep interdisciplinary roots This book explores how polarities such as space and place, reading and writing, sound and silence, visual and verbal representation and faith and doubt are woven through *A la luz de siempre* These complements reveal how Blanco's poetry like the phenomenon of white light embraces paradox and transforms into something more than the sum of its disparate and polychromatic parts

High Water Mark Prose Poems Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free High Water Mark Prose Poems PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free High Water Mark Prose Poems PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and

publishers who make these resources available. In conclusion, the availability of High Water Mark Prose Poems free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About High Water Mark Prose Poems Books

1. Where can I buy High Water Mark Prose Poems books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a High Water Mark Prose Poems book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of High Water Mark Prose Poems books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are High Water Mark Prose Poems audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read High Water Mark Prose Poems books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
