**Law** Steven G. Poskanzer, 2001-11-21 Do we need to talk to our lawyers about this What do the attorneys say Why didn't you get the lawyers involved before now Just about every department chair and dean certainly every provost and president and an ever increasing number of faculty find themselves asking or being asked such questions Dealing with issues ranging from academic freedom to job security and faculty discipline lawyers legal requirements and lawsuits has become an established part of the apparatus of American higher education Higher Education Law was written to help faculty and administrators navigate critical legal issues and avoid potential legal pitfalls Drawing on his experience as university counsel administrator and teacher at a number of institutions Steven G Poskanzer explains the law as it pertains to faculty activities both inside and outside the academy including faculty roles as scholars teachers and members of institutional communities as well as employees and public citizens In each of these areas he expands his discussion of cases and decisions to set out his own views both on the current status of the law and how it is likely to evolve *Contemporary Issues in Higher Education Law* Richard Fossey, Suzanne Eckes, 2015 Users of the 2nd Edition from 2011 have found the book a practical all in one guide covering higher education law as it affects students faculty and non faculty employees and administrators The new edition provides a useful resource that reflects trends in the law details current case law on a particular subject and provides guidance on institutional policy for both public and private higher education institutions This is an excellent text for courses in higher education law providing board members administrators faculty and students with a basis for informed decision making that will reduce the risk of liability through a preventive law approach The 3rd Edition contains a new chapter on religious colleges and universities a complete listing of hundreds of cases cited constitutional and federal statute references Study questions and answers will be compiled in a separate guide for use by instructors *The Law of Higher Education* William A. Kaplin, Barbara A. Lee, Neal H. Hutchens, Jacob H. Rooksby, 2024-07-30 A comprehensive up to date reference for higher education law faculty administrators counsel and students This revised 7th Edition of *The Law of Higher Education Essentials for Legal and Administrative Practice* offers updated information analysis and practical suggestions on a full range of legal issues pertinent to both public and private institutions As a guide for coursework in programs preparing higher education lawyers and administrators for leadership roles and as a reference for professionals in those fields this book is essential for both students and practitioners Covering the latest changes to laws in higher education the 7th edition gives readers the most current possible understanding of higher education law The book also contains a glossary of key terms and an appendix on how to read legal material for the non law student Each chapter is introduced by a discussion of key terms and ideas the reader will encounter The book thoroughly addresses the most important contemporary issues in education law free speech Title IX academic freedom institutional tort liability racial harassment employment discrimination disability and reasonable accommodation campus security and student organizations are among the key topics that readers will come to understand in depth There have been substantial recent changes in the laws governing these issues and practitioners will

need the updated content in this book to remain conversant in today's higher education law and policy. Gain a thorough understanding of the central topics in higher education law including free speech, nondiscrimination, religious free exercise, and many others. Review the latest changes to federal laws governing colleges and universities. Reference a glossary of terms, statute index, and other convenient features. Learn about the American court system and how to read and analyze court opinions. The Law of Higher Education Essentials for Legal and Administrative Practice is indispensable for anyone studying higher education administration, preparing for a career in higher education law, or seeking to learn more about law in higher education.

**Higher Education Law** Klinton W. Alexander, Kern Alexander, 2010-12-14. Written for graduate students studying the law pertaining to the governance of colleges and universities. American College and University Law comprehensively covers the law arising from actual conflicts on United States campuses.

**Higher Education Law** Klinton Alexander, Kern Alexander, 2016-10-04. This fully revised and updated textbook weaves law into its historical, political, and sociological context while providing clear explanation of the law as it applies to American colleges and universities. This text draws exclusively on federal and state cases emerging from campuses and includes helpful pedagogical elements such as chapter outlines, questions for discussion, side bars, text boxes, research aids, and summation of law to equip readers with the tools and knowledge to effectively respond in an environment of increasing litigation. Addressing a gap in the literature, this new edition provides a comprehensive and accessible understanding of the latest laws relevant to higher education and student affairs administrators. New in This Edition: Explanation and streamlining of old case law. New cases throughout covering recent developments in student loan debt, student safety, Internet speech, affirmative action, discrimination, Greek life issues relating to new technology, non-faculty employees, campus police, and athletics. Revised explanation on student and college costs. Expanded examination of the idea of academic freedom.

**The Law of Higher Education, 2 Volumes** William A. Kaplin, Barbara A. Lee, 2006-08-18. This fourth edition of the indispensable guide to the laws that bear on the conduct of higher education provides a revised and up-to-date reference, research source, and guide for administrators, attorneys, and researchers. The book is also widely used as a text for graduate courses on higher education law in programs preparing higher education administrators for leadership roles. This new edition includes new and expanded sections on laws related to religious issues, alternative dispute resolution, the college and its employees, collective bargaining at religious and private colleges, whistleblower and other employee protections, personal liability of employees, nondiscrimination and affirmative action in employment, campus technology and computer networks, disabilities, student academic freedom, freedom of speech and hate speech, student organizations, rights, responsibilities, and activities, fees, athletes' rights, USA Patriot Act, and immigration status, public institutions, and zoning regulations, regulation of research, coverage of retaliatory and extraterritorial acts, federal civil rights statutes.

**Higher Education Law** Raymie Wayne, Taylor & Francis Group, Robert Madden, 2018-07. Higher Education Law: A Handbook for Faculty in Professional Programs will be the essential reference tool

for all faculty teaching in and administering professional programs The book will Help faculty identify and understand the legal implications of their everyday interactions with students Enable faculty to prevent costly time consuming and emotionally draining legal actions by students Make the connection between good teaching pedagogy and the laws that govern higher education Enable faculty to participate in the drafting of policies that will honor students legal rights and protect their programs from avoidable legal actions Help faculty identify when specific legal advice is needed ideally before a legal challenge has been lodged in response to a faculty action Integrate case narratives to bring legal concepts and practices to life and make principles memorable to the reader by linking them to stories

**The Law of Higher Education, 5th Edition** William A. Kaplin, Barbara A. Lee, 2013-12-23 Based on the fifth edition of Kaplin and Lee's indispensable guide to the law that bears on the conduct of higher education The Law of Higher Education Fifth Edition Student Version provides an up to date textbook reference and guide for coursework in higher education law and programs preparing higher education administrators for leadership roles The Student Version includes the materials from the full fifth edition that most relate to student interests and are most suitable for classroom instruction For example The evolution of higher education law and governance Legal planning and dispute resolution The relationship between law and policy Faculty and staff employment issues including collective bargaining Academic freedom for faculty and students Copyright basics The contract rights of students Legal issues in online education The rights of students and faculty with disabilities Campus issues safety registered sex offenders racial and sexual harassment student suicide campus computer networks searches of students residence hall rooms Hate speech and freedom of speech including the rights of faculty and students in public universities Student organizations rights responsibilities and activities fees Governmental support for religious institutions and religious autonomy rights of individuals in public institutions Nondiscrimination and affirmative action in employment admissions and financial aid Athletics and Title IX FERPA Family Educational Rights and Privacy Act Each chapter is introduced with an overview of key terms and ideas the students will encounter In addition the book includes a general introduction to the study of higher education law a glossary of key legal terms and appendices for non law students on the American court system and on how to read court opinions The authors have also prepared a volume of teaching materials keyed to the Student Version available from the National Association of College and University Attorneys NACUA In addition the authors will periodically update the Student Version by posting recent developments on a Web site hosted by NACUA

**Higher Education Law** Klinton W. Alexander, Kern Alexander, 2010-12-14 Higher Education Law is a comprehensive and accessible guide to the law of higher education Drawing from real life cases on United States campuses the authors equip readers with the tools and knowledge to effectively respond in an environment of increasing litigation This textbook clearly explains the higher education law emanating from federal and state constitutions as well as the common law flowing from appellate courts throughout the US Addressing a clear gap in the literature currently available this text provides an explanation of the point of law case examples rules of law case notes context setting This innovative approach weaves law into its historical political and sociological context and is designed to help students and professors better understand the law as it applies to colleges and universities It also provides higher education administrators in student affairs development philanthropy and financial affairs with clear guidance on the legal responsibilities of their respective offices

Understanding Authority in Higher Education Dean O. Smith, 2015-01-22 Within the complex environment of higher education administrators and faculty members face daunting challenges in their unique domains of institutional governance Many of the greatest challenges arise from basic misunderstandings of authority and its limitations by administrators and faculty members alike These misunderstandings are the primary source of disruptive confusion mistrust and mismanagement Consequently an institution s governance would improve significantly if its personnel clearly understand the fundamental principles of authority To bring about this improvement Understanding Authority in

Higher Education clarifies issues of authority in an academic setting Throughout it introduces basic concepts of higher education administration and then examines the limits of authority in context Pedagogically the book strives continuously to ascertain whether authority is used properly from a legal perspective emphasizing the influence of academic cultural norms on legal principles and vice versa But Understanding Authority in Higher Education goes further than law textbooks by using real and anecdotal case studies to examine aspects of authority that don't appear in court proceedings those that lie beyond the reach of the law In these cases the book explores the anthropology the behavior and the culture of authority in the academic environment

**Higher Education Administration** Rachel S. Blechman, Norma M. Goonen, 1999-11-30 Goonen and Blechman provide an analysis useful as a desk reference or as a text for practicing and prospective administrators and university counsel They examine the legal points ethical questions and practical steps an administrator or university counsel should be aware of in dealing with some of the most frequently encountered issues in the administration of a college university or other postsecondary institution Each chapter targets a selected area of academic affairs and the format includes four sections legal parameters ethical considerations practical suggestions and an illustrative case Hiring issues compensation and employment issues promotion and tenure terminations non renewals and reductions in force academic freedom student disputes on academic matters and transcript and degree issues are all analyzed Goonen and Blechman provide a general guide that can be readily utilized and understood by those without specific prior training in the law or in higher education administration The discussions and information the guide contains will be valuable to current and prospective practitioners as they seek to balance the legal ethical and practical issues that surface in every decision in the increasingly complex higher education arena
