History buffs and literary minded readers alike are in for a punchy drama filled treat. Publishers Weekly The quarrel between the poet Alexander Pope and the publisher Edmund Curll has long been a notorious episode in the history of the book when two remarkable figures with a gift for comedy and an immoderate dislike of each other clashed publicly and without restraint. However it has never until now been chronicled in full. Ripe with the sights and smells of Hanoverian London *The Poet and Publisher* details their vitriolic exchanges drawing on previously unearthed pamphlets newspaper articles and advertisements court and government records and personal letters.
