## Highlife For Caliban:

*Highlife for Caliban* Lemuel A. Johnson, 1973      **Highlife for Caliban** Lemuel Johnson, 1996      The Luxury of Nationalist Despair A. J. Simoes da Silva, 2000 This book offers a timely critique of the work of the Barbadian novelist George Lamming examining the ways in which his novels exhibit the luxury of nationalist despair and exploring the tensions between his strongly voiced anti colonialism and his ambiguously articulated politics of self Although stressing the place occupied by Lamming and his work in the context of an anti colonial first generation of nation writing that has emerged in the formerly colonized world over the past half century the study also addresses the novelist s problematic reductive focus on a nationalist project that is ultimately deeply flawed in essence the result of an uneasy relationship between form and thesis Lamming s continued struggle with the novel as a genre especially with its ability to get beyond the cultural and political baggage of colonialism demonstrates the power of one of his most poignant assertions the colonial experience is a continuing psychic experience that has to be dealt with long after the actual situation formally ends Written from a postcolonial perspective the study draws also on contemporary feminist criticism in order to examine Lamming s characteristically simplistic depiction of female characters in terms of a greater willingness to embody the neocolonial The book starts by addressing the place Lamming s work occupies both within postcolonial writing at large and specifically within Caribbean literature Subsequent chapters provide close textual readings of Lamming s six novels paired in terms of their foregrounding of issues of race gender and class Despite a clear shift in Lamming s thematic focus on the rewriting of Caliban s project with his last novel offering a basis for a re imagining of the post colonial encounter there remains a perturbing inability to relinquish the privileged stance afforded the postcolonial intellectual in self imposed exile cultural much more than geographical The book represents an important contribution to criticism on the work of one of the most influential voices in postcolonial literature of the last fifty years      *Shakespeare's Tempest and Capitalism* Helen Scott, 2019-09-12 In this forceful study Helen C Scott situates *The Tempest* within Marxist analyses of the primitive accumulation of capital which she suggests help explain the play s continued and particular resonance The storm of the title refers both to Shakespeare s *Tempest* hurtling through time and to Walter Benjamin s concept of history as a succession of violent catastrophes Scott begins with an account of the global processes of dispossession of the peasantry and indigenous populations accompanying the emergence of capitalism which generated new class relationships new understandings of human subjectivity and new forms of oppression around race gender and disability Developing a detailed reading of the play at its moment of production in the business of theatre in 1611 Scott then moves gracefully through the global reception history showing how its central thematic concerns and figurative patterns bespeak the upheavals and dispossessions of successive stages of capitalist development Paying particular attention to moments of social crisis and unearthing a radical political tradition Scott follows the play from its hostile takeover in the Restoration through its revival by the Romantics and consolidation and contestation in the nineteenth century In the

twentieth century transatlantic modernism generated an acutely dystopic *Tempest* then during the global transformations of the 1960s postcolonial writers permanently associated it with decolonization At century s end the play became a vehicle for exploring intersectional oppression and the remarkable Sycorax school featured iconoclastic readings by writers such as Abena Busia May Joseph and Sylvia Wynter Turning to both popular culture and high profile stage productions in the twenty first century Scott explores the ramifications and figurative potential of Shakespeare s *Tempest* for global social and ecological crises today Sensitive to the play s original concerns and informed by recent scholarship on performance and reception history as well as disability studies Scott s moving analysis impels readers towards a fresh understanding of sea change and metamorphosis as potent symbols for the literal and figurative tempests of capitalism s old age now threatening the great globe itself

Columbus, Shakespeare, and the Interpretation of the New World J. Hart, 2003-01-03 *Columbus Shakespeare and the Interpretation of the New World* explores a range of images and texts that shed light on the complexity of the European reception and interpretation of the New World Jonathan Hart examines Columbus s first representation of the natives and the New World the representation of him in subsequent ages the portrayal of America in sexual terms the cultural intricacies brought into play by a variety of translators and mediators the tensions between the aesthetic and colonial in Shakespeare s *The Tempest* and a discussion of cultural and voice appropriation that examines the colonial in the postcolonial This book brings the comparative study of the cultural past of the Americas and the Atlantic world into focus as it relates to the present

**Beyond Man** Yountae An, Eleanor Craig, 2021-04-26 *Beyond Man* reimagines the meaning and potential of a philosophy of religion that better attends to the inextricable links among religion racism and colonialism An Yountae Eleanor Craig and the contributors reckon with the colonial and racial implications of the field s history by staging a conversation with Black Indigenous and decolonial studies In their introduction An and Craig point out that European descended Christianity has historically defined itself by its relation to the other while paradoxically claiming to represent and speak to humanity in its totality The topics include secularism the Eucharist s relation to Blackness and sixteenth century Brazilian cannibalism rituals as well as an analysis of how Mircea Eliade s conception of the sacred underwrites settler colonial projects and imaginaries Throughout the contributors also highlight the theorizing of Afro Caribbean thinkers such as Sylvia Wynter C L R James Frantz Fanon and Aim C saire whose work disrupts the normative Western categories of religion and philosophy Contributors An Yountae Ellen Armour J Kameron Carter Eleanor Craig Amy Hollywood Vincent Lloyd Filipe Maia Mayra Rivera Devin Singh Joseph R Winters

*The Penguin Book of Modern African Poetry* Gerald Moore, 2007-08-30 Poetry always foremost of the arts in traditional Africa has continued to compete for primacy against the newer forms of prose fiction and theatre drama This wonderfully comprehensive anthology of African poetry has been expanded to include ninety nine poets from twenty seven countries thirty one of whom appear for the first time Equally wide ranging is the content of the poetry itself war songs and political protests jostle with poems about human love African nature

and the surprises that life offers all are represented in these rich and colourful pages *Contemporary American Poetry*

**Dictionary of Sierra Leone** Magbaily C. Fyle, 2006-03-27 Sierra Leone was founded albeit under British control with the highest hopes of being a refuge for liberated Africans and freed slaves When the country received its independence hopes for the future grew even stronger Alas its expectations came crashing down when the country's situation grew steadily worse after repeated military interventions and a devastating ten year civil war that raged throughout the 1990s Now that the war is over there is once again renewed cause for optimism about the country's future as Sierra Leone becomes an active participant in African and world affairs This new edition is based primarily on recent research on the country but covers the earliest known inhabitants the colonial era and the period of independence including the very confusing turmoil of the recent past The chronology briefly traces its history and the introduction provides an essential overview of all the recent developments in the country Hundreds of cross referenced dictionary entries describe significant leaders events political parties and movements ethnic groups and related political economic and social aspects A bibliography is included to facilitate further research

**West African Literatures** Stephanie Newell, 2006-06-08 The Oxford Studies in Postcolonial Literatures series general editor Elleke Boehmer offers stimulating and accessible introductions to definitive topics and key genres and regions within the rapidly diversifying field of postcolonial literary studies in English This study of West African literatures interweaves the analysis of fiction drama and poetry with an exploration of the broader political cultural and intellectual contexts within which West African writers work Anglophone literatures form the central focus of the book with comparative comments on vernacular literature francophone writing and oral literatures and detailed discussion of selected francophone texts in translation e g Senghor Tadjou Beyala B Sembene Moving from a discussion of nationalist and anti colonial writing in the period before independence towards the more experimental writings of contemporary authors such as Vronique Tadjou Ivory Coast Syl Cheney Coker Sierra Leone and Kojo Laing Ghana the book constantly relates texts to the social and political history of West Africa Canonical internationally well known writers such as Chinua Achebe and Wole Soyinka are positioned in relation to the literary cultures and debates which surrounded them when they first produced their seminal texts the discussions and disagreements which have grown up around their work in subsequent decades are also considered The work of new and lesser known writers is also considered including Niyi Osundare Nigeria and Kofi Anyidoho Ghana In order to convey a sense of the rich and complex societies that are clustered beneath the umbrella term postcolonial emphasis is placed on West Africa's diverse oral and popular cultures and the ways in which local intellectuals and readers have responded to the most prominent authors through the aesthetic frameworks generated by these forms **African**

**Literatures in English** Gareth Griffiths, 2014-09-19 Here is an introduction to the history of English writing from East and West Africa drawing on a range of texts from the slave diaspora to the post war upsurge in African English language and

literature from these regions      *Along the Odokoko River* Koroma, Ahmed, 2016-02-27 Ahmed Koroma has surpassed himself in this apt description about the community of his upbringing the myths beliefs and mores peculiar to its spawn and denizen in this exhilarating collection of poems He brings the rich cultural tapestry of these communities to life through an intimate literary relationship with the Odokoko Waterway and its environs His perspective use of juxtaposition to describe diverse experiences is uncanny and leaves one with a mysterious and powerful feeling of d j vu Dr Fatmatta Taqi Lecturer Fourah Bay College University of Sierra Leone      *The Athens of West Africa* Daniel J.
