Highly Compromised Position:

Highly Compromised Position Sara Orwig, 2010-08-01 Laying eyes on Tom Morgan again was the last thing Rose could have imagined. After all, her family's horse farm was a long way from the Houston conference where she and Tom had shared one unforgettable night. Now not only had she learned her one night lover was her family's enemy, he was also the father of her unborn child. Still reeling from the news that he was really a Devlin, Tom was aghast at seeing Rose once more. His pulse kicked up at the thought of reigniting their affair, but she resisted his advances, claiming they couldn't get around the Windcroft Devlin feud. Yet Tom suspected that Rose's reluctance was a screen for a much bigger secret.

Compromising Positions Kate Hoffmann, 2016-03-01 A very intimate battleground. Amelia Sheffield arrives in the sleepy town of Millhaven, New York, to collect what was promised her for a museum exhibit: an antique bed that George Washington once slept in. The problem is one incredibly infuriating and incredibly sexy innkeeper who insists the bed belongs to him. Of course Sam Blackstone has no idea how dirty Amelia is willing to play this game. Sam is furious and intrigued when he learns that Amelia plans on sleeping in the bed until it's hers. But he can be just as stubborn as her. After all, that bed could keep his family's inn from closing. Which means he'll sleep in the bed too. And if she wants to play dirty, he's right there with her.

Compromising Positions Leslie Dorrough Smith, 2020 Compromising Positions argues that political sex scandals aren't really about sex. Rather, they are a form of cultural theater: moments of highly visible public storytelling that use racial and gendered symbols to create a collective sense of national worth and strength. The book shows that Americans condemn or excuse the sexual indiscretions of their politicians depending on the degree to which those politicians reinforce longstanding evangelical symbols associated with American values and a Christian nation.

Compromising Positions Jenna Bayley-Burke, 2016-11-28 When CEO David Strong is strong-armed into demonstrating Kama Sutra yoga poses for a couples class, which is as awkward as it sounds, he's put in one compromising position after another. On top of that, the co-instructor gets him all worked up, and she's totally off-limits. At least she should be. Sophie DeFino has fantasized about David for over a decade. If only he weren't so uptight and didn't have so many rules. Of course, all those rules sure make it fun to push his buttons. And if she can get him bent out of
