King And The Gentleman:

The King and the Gentleman Derek Wilson, 2014-07-22 For all the myth surrounding Oliver Cromwell and King Charles I there is no detailed account of any meeting between them Yet they were almost exact contemporaries embodying virtually everything for which politicians bishops preachers and generals contended The paths of these two men gradually converged until a frosty morning in 1649 when the executioner's axe ended one man's life and raised the other to the brink of absolute power in England In his moving history *The King and the Gentleman* Derek Wilson brings to life the politics and the personalities that once shook an empire Wilson does an admirable job of covering the complex religious and political schism that rocked England and Scotland and summarizes for general readers the wealth of extant material on both men's lives

Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
