Bailey, 1900 [On the Dirty Plate Trail](#) Sanora Babb, 2009-03-06 Runner up National Council on Public History Book Award 2008 The 1930s exodus of Okies dispossessed by repeated droughts and failed crop prices was a relatively brief interlude in the history of migrant agricultural labor Yet it attracted wide attention through the publication of John Steinbeck's *The Grapes of Wrath* 1939 and the images of Farm Security Administration photographers such as Dorothea Lange and Arthur Rothstein Ironically their work risked sublimating the subjects' real people and actual experience into aesthetic artifacts icons of suffering deprivation and despair Working for the Farm Security Administration in California's migrant labor camps in 1938-39 Sanora Babb a young journalist and short story writer together with her sister Dorothy a gifted amateur photographer entered the intimacy of the dispossessed farmers' lives as insiders evidenced in the immediacy and accuracy of their writings and photos Born in Oklahoma and raised on a dryland farm the Babb sisters had unparalleled access to the day by day harsh reality of field labor and family life This book presents a vivid firsthand account of the Dust Bowl refugees the migrant labor camps and the growth of labor activism among Anglo and Mexican farm workers in California's agricultural valleys linked by the Dirty Plate Trail Highway 99 It draws upon the detailed field notes that Sanora Babb wrote while in the camps as well as on published articles and short stories about the migrant workers and an excerpt from her Dust Bowl novel *Whose Names Are Unknown*

Like Sanora's writing Dorothy's photos reveal an unmediated personal encounter with the migrants portraying the social and emotional realities of their actual living and working conditions together with their efforts to organize and to seek temporary recreation. An authority in working class literature and history volume editor Douglas Wixson places the Babb sisters' work in relevant historical and social political contexts examining their role in reconfiguring the Dust Bowl exodus as a site of memory in the national consciousness. Focusing on the material conditions of everyday existence among the Dust Bowl refugees the words and images of these two perceptive young women clearly show that contrary to stereotype the Okies were a widely diverse people including not only Steinbeck's sharecropper Joads but also literate independent farmers who in the democracy of the FSA camps found effective ways to rebuild lives and create communities. *Dreams* Dan

Prize winning historian David Cressy mines the widest range of archival and printed sources including ballads sermons speeches letters diaries petitions proclamations and the proceedings of secular and ecclesiastical courts to explore the aspirations and expectations not only of the king and his followers but also the unruly energies of many of his subjects showing how royal authority was constituted in peace and in war and how it began to fall apart. A blend of micro historical analysis and constitutional theory parish politics and ecclesiology military cultural and social history *Charles I and the People of England* is the first major attempt to connect the political constitutional and religious history of this crucial period in English history with the experience and aspirations of the rest of the population. From the king and his ministers to the everyday dealings and opinions of parishioners petitioners and taxpayers David Cressy re-creates the broadest possible panorama of early Stuart England as it slipped from complacency to revolution. **Just Beyond Tomorrow** Bertrice Small, 2011-04-07

Capturing the hearts and imaginations of millions worldwide Bertrice Small's novels always deliver the lush sensuality her readers expect. In *Just Beyond Tomorrow* Jasmine's strong willed son Patrick Leslie continues Skye's Legacy when he takes a wife who wants no husband. *Just Beyond Tomorrow* With his father dead and his mother in France Patrick Leslie Duke of Glenkirk discovers the obligations of the estate and its people are now his alone. But during a day of hunting a chance meeting ensures that he will not be alone much longer for to obtain the deserted castle and lands adjoining his Patrick must agree to take something else as well a bride. Flanna Brodie heiress to Brae is as vibrant and beautiful as the Scottish countryside and just as wild. She wants no man only her freedom. But the passions Patrick awakens in her run deeper than those of the flesh. The independent Flanna is determined to champion the royal Stuarts' cause and restore Charles II to his throne despite her husband's objections. Patrick knows the dangers of such political intrigues that the Stuarts have always brought misfortune to the Leslies of Glenkirk and that a roguish king will ask far more of the naive duchess than a simple vow of fealty forcing Patrick and Flanna to choose between the threat of wounded pride and the promise of a lasting love.
