## King Frat:

**King Frat**, 1992      The King's Court David Seader, Court      **Blood Money** Richard Nowell, 2010-12-23 Scholars have consistently applied psychoanalytic models to representations of gender in early teen slasher films such as *Black Christmas* 1974 *Halloween* 1978 and *Friday the 13th* 1980 in order to claim that these were formulaic excessively violent exploitation films fashioned to satisfy the misogynist fantasies of teenage boys and grind house patrons However by examining the commercial logic strategies and objectives of the American and Canadian independents that produced the films and the companies that distributed them in the US *Blood Money* demonstrates that filmmakers and marketers actually went to extraordinary lengths to make early teen slashers attractive to female youth to minimize displays of violence gore and suffering and to invite comparisons to a wide range of post classical Hollywood's biggest hits including *Love Story* 1970 *The Exorcist* 1973 *Saturday Night Fever* 1977 *Grease* and *Animal House* both 1978 *Blood Money* is a remarkable piece of scholarship that highlights the many forces that helped establish the teen slasher as a key component of the North American film industry's repertoire of youth market product      **Sunlight at Midnight, Darkness at Noon** Christopher Cunningham, Hosho McCreesh, 2009 In 2002 our Nation was unsure of its future panicked by its recent past and struggling to come to terms with a mounting war and the ever changing colors of terror Through it all two poets in a newfound friendship felt it necessary to stop the chaos and share their thoughts views struggles fears frustrations and daily triumphs with each other Sometimes scathing and brash sometimes vulnerable sometimes self assured the conversational threads have been woven into a constant furious tapestry covering the landscape of the American South the desert Southwest and all the way to the cold mountains of Switzerland These letters represent a refusal to submit and a wild shout to the heavens that art can still matter      *Campus Life in the Movies* John E. Conklin, 2014-01-10 Hollywood films have presented audiences with stories of campus life for nearly a century shaping popular perceptions of our colleges and universities and the students who attend them These depictions of campus life have even altered the attitudes of the students themselves serving as both a mirror of and a model for behavior One can only imagine how many high school seniors enter college today with the hopes of living the proverbial *Animal House* or *PCU* Greek experience or how many have worried over the SAT and college admissions after watching more recent movies like 2004's *The Perfect Score* This book explores themes of college life in 681 live action theatrically released feature length films set in the United States and released from 1915 through 2006 evaluating how these movies both reflected and distorted the reality of undergraduate life Topics include college admissions the freshman experience academic work professor student relations student romance fraternity and sorority life sports political activism and other extracurricular activities The book also includes a complete filmography and 66 illustrations      Evil 1 Gerald Therone, 2008-04-01      **The Psychotronic Video Guide To Film** Michael Weldon, 1996 The bible of B movies is back and better than ever From *Abby* to *Zontar* this book covers more than 9 000 amazing movies from the turn of the century right up

to today's Golden Age of Video all described with Michael Weldon's dry wit More than 450 rare and wonderful illustrations round out this treasure trove of cinematic lore an essential reference for every bad film fan      **At a Theater or Drive-in**

**Near You** Randall Clark, 2013-12-17 Millions of Americans have been thrilled scared titillated and shocked by exploitation movies low budget films with many scenes of sex violence and other potentially lurid elements The term derives from the fact that promoters of such films exploit the contents in advertising that plays up the sexual or violent aspects of the films This is the first comprehensive study of the American exploitation film to be published It discusses five distinct genres the teen movie the sexploitation film the martial arts movie the blaxploitation film and the lawbreaker picture Contained within these genres are many popular American film types including beach movies biker pictures and women's prison movies The study provides a history and sociopolitical analysis of each genre focusing on significant films in those genres It also discusses the economics of exploitation films and their place in the motion picture industry the development of drive-in theaters the significance of the teenage audience and the effect of the videocassette Finally the book applies major film and cultural theories to establish an aesthetic for evaluating the exploitation film and to explore the relationship between film and audience      *Exalting Jesus in Esther* Landon Dowden, Holman Bible Publishers, 2019-05-01 Exalting Jesus in Esther is part of the Christ Centered Exposition Commentary series Edited by David Platt Daniel L Akin and Tony Merida this new commentary series projected to be 48 volumes takes a Christ centered approach to expositing each book of the Bible Rather than a verse by verse approach the authors have crafted chapters that explain and apply key passages in their assigned Bible books Readers will learn to see Christ in all aspects of Scripture and they will be encouraged by the devotional nature of each exposition presented as sermons and divided into chapters that conclude with a Reflect Discuss section making this series ideal for small group study personal devotion and even sermon preparation It's not academic but rather presents an easy reading practical and friendly commentary The author of Exalting Jesus in Esther is Landon Dowden      **Nasty Business** Mark McKenna, 2020-07-06 The history of the video nasties has been recounted many times and the films that caused so much offence have themselves been endlessly examined However the industry that gave rise to the category has received scant little attention Earlier histories have tended to foreground issues of censorship and as such offer only glimpses of an under explored industrial history of British video This book focuses explicitly on an industry that is still portrayed in heavily caricatured terms that is frequently presented as immoral or corrupt and that continues to be understood through the rhetoric of the tabloid press as merchants of menace      **The Motion Picture Guide** Jay Robert Nash, 1988      *Annals of Aberdeen, from the reign of king William the lion* William Kennedy, 1818      **Annals of Aberdeen, from the Reign of King William the Lion, to the End of the Year 1818** William Kennedy, 1818      **Dirty Boxes** Jacob Weinstein, 2001 Dirty Boxes consists of three stories Refuse Cleft Mallet and Egg Minus Related narratives about love betrayal decapitation and poultry      *Crescent*, 1907      **Directory** American College of Physicians, 1928      *Year Book* American College of Physicians, 1924
