A Poem, Etc** Edwin Arlington ROBINSON,1935     **The Collected Prose of Robert Frost** Robert Frost,2007 Presents a collection of both published and unpublished prose pieces including correspondence articles talks readings and stories     **The Modern Portrait Poem** Frances Dickey,2012-06-29 In The Modern Portrait Poem Frances Dickey recovers the portrait as a poetic genre from the 1860s through the 1920s Combining literary and art history she examines the ways Dante Gabriel Rossetti Algernon Swinburne and J M Whistler transformed the genre of portraiture in both painting and poetry She then shows how their new ways of looking at and thinking about the portrait subject migrated across the Atlantic to influence Ezra Pound T S Eliot William Carlos Williams Amy Lowell E E Cummings and other poets These poets creatively exposed the Victorian portrait to new influences ranging from Manet s realism to modern dance Futurism and American avant garde art They also condensed expanded and combined the genre with other literary modes including epitaph pastoral and Bildungsroman Dickey challenges the tendency to view Modernism as a break with the past and as a transition from aural to visual orientation She argues that the Victorian poets and painters inspired the new generation of Modernists to test their vision of Aestheticism against their perception of modernity and the relationship between image and text In bridging historical periods national boundaries and disciplinary distinctions Dickey makes a case for the continuity of this genre over the Victorian Modernist divide and from Britain to the United States in a time of rapid change in the arts     *The Poems of Bishop Henry King* Henry King,1925     **The English Poems of Henry King, D. different poet Edward Thomas Henry W Longfellow George Scarbrough Elizabeth Bishop Geoffrey Hill Primus St John Robert Hayden Elizabeth Coatsworth Gwendolyn Brooks Robert Frost E A Robinson and Belle Randall and alongside them different concerns of parenting and living Organized in chronological order they track the growth of Nathaniel Perry s own children who pop up from time to time in a believable way Essays consider the idea of devotion and belief the idea of imperfection the small details we can focus on as parents and the conceptions of the world we pass along to our children Together these essays not only represent the author s personal canon of poets who have been important to him in his life and work but also present a diverse slice of American poetry in voice form identity origin and time period *Lyrical, narrative and devotional poems* George Alexander Kohut,1913 Paged continuously CONTENTS v 1 Lyrical narrative and devotional poems v 2 Selections from the drama **Poems** Robert Lord Lytton,2024-04-06 Reprint of the original first published in 1882 **Critical Companion to Robert Frost** Deirdre J.
