*Rescued by the Raven King* Lidiya Foxglove,2023-06-30 I thought you find human skin weak and useless I breathed as his hand slid shamelessly lower You might convince me to change my mind Belina I was born of a witch s spell and my mother s wishes just the size of a nutshell My human parents love me but I ve never belonged in their world Now it s

time to seek my fortune and find the little folk of the woods but their forest is a strange and dangerous their magic spreading wide and all the animals here can speak Having studied magic all my life I think nothing of healing an injured raven even if he is a bit arrogant but when I find myself kidnapped by a talking magic casting mole who wants to make me his bride I m very glad when the raven feels he must repay my favor taking the form of a handsome man Only now he thinks I can t handle myself and I need a pompous domineering escort I certainly don t But I do need a place I can belong And as he shows me the way to the home of the little fair folk I begin to wonder if the animals are their neighbors or their slaves if they are everything I hoped for or something more hostile and if the man at my side is more than he seems Rescued by the Raven King is a standalone fairy tale retelling of Thumbelina for those who like an unabashedly adorable happily ever after with a side of serious steaminess
