## **King Carol II A Life Of My Grandfather:**

**King Carol II** Paul (Prince of Hohenzollern-Roumania),1988      Born to Rule Julia P. Gelardi,2007-04-01 Julia Gelardi s  
Born to Rule is an historical tour de force that weaves together the powerful and moving stories of the five royal  
granddaughters of Queen Victoria These five women were all married to reigning European monarchs during the early part  
of the 20th century and it was their reaction to the First World War that shaped the fate of a continent and the future of the  
modern world Here are the stories of Alexandra whose enduring love story controversial faith in Rasputin and tragic end  
have become the stuff of legend Marie the flamboyant and eccentric queen who battled her way through a life of intrigues  
and was also the mother of two Balkan queens and of the scandalous Carol II of Romania Victoria Eugenie Spain s very  
English queen who like Alexandra introduced hemophilia into her husband s family with devastating consequences for her  
marriage Maud King Edward VII s daughter who was independent Norway s reluctant queen and Sophie Kaiser Wilhelm II s  
much maligned sister daughter of an Emperor and herself the mother of no less than three kings and a queen who ended her  
days in bitter exile Born to Rule evokes a world of luxury wealth and power in a bygone era while also recounting the ordeals  
suffered by a unique group of royal women who at times faced poverty exile and death Praised in their lifetimes for their  
legendary beauty many of these women were also lauded and reviled for their political influence Using never before  
published letters memoirs diplomatic documents secondary sources and interviews with descendents of the subjects Julia  
Gelardi s Born to Rule is an astonishing and memorable work of popular history      *The Wandering Princess* Edward W.  
Hanson,2017-05-13 Helene was a strong willed princess raised in France but closely connected with the court of Queen  
Victoria After the premature end to a romance with Victoria s grandson she married into the royal family of Italy However  
Helene began extended adventuresome trips into Africa where she became a big game hunter explorer and travel writer  
escaping from an unhappy marriage and the boredom of court life Her travels took her around the world but her sense of  
royal duty brought her back to nurse aboard a hospital ship in Libyan waters then to an important role as head of the Italian  
Red Cross nurses during the First World War while her husband headed Italy s Third Army and her two sons served in the  
artillery and the navy Afterwards her strong Italian nationalism made her an ally to Gabriele d Annunzio and Benito Mussolini  
but the disastrous Second World War saw her grandchildren interned in Austria and her older son die as a British prisoner of  
war while she continued her charitable work in Naples When the country voted to become a republic in 1946 Helene was the  
only member of the royal family allowed to remain in Italy with her second secret husband      *Between Depression and  
Disarmament* Jonathan A. Grant,2018-04-26 This business history analyzes the connections between private business  
disarmament and re armament as they affected arms procurement and military technology transfers in Eastern Europe from  
1919 to 1939 Rather than focusing on the negotiations or the political problems involved with the Disarmament Conferences  
this study concerns itself with the business effects of the disarmament discussions Accordingly Schneider Creusot koda
