King Of Swords:

KING OF SWORDS Lindsay McKenna, 2014-02-15 HIS SWORN ENEMY Devlin Kyle was bound to serve in Napoleon's army but the Irish patriot vowed that someday he would make the English pay for their crimes against his family. So when he inadvertently captured Englishwoman Thorne Somerset the lovely young lady fell very neatly into his plans. A Gypsy raised among the well-heeled Thorne understood her captor's bitterness. But beneath Dev's hard-edged soldier's exterior she also sensed the gentleness of the man. Could she convince him to deny his thirst for vengeance and give that place in his heart to their love? King of Swords Bianca D'Arc, 2011-11-27 Drawn together by powerful visions of the future they'll fight pirates and find love if fate allows. David is a newly retired special ops soldier looking to find his way in an unfamiliar civilian world.

His first step is to visit an old friend the owner of a bar called The Rabbit Hole on a distant space station. While there he meets an intriguing woman who may hold the key to his future. Adele has a special ability passed down through her family she can sometimes see the future. She doesn't know exactly why she's been drawn to the space station where her aunt deals cards in a bar that caters to station workers and ex-military. She only knows that she needs to be there. When she meets David sparks of desire fly between them and she begins to suspect that he is a big part of the reason she traveled halfway across the galaxy. Pirates attack the station and it'll be up to Adele and David to repel the invaders. Passion flares as they wait for the right moment to overcome the alien threat and retake the station. But what good can one retired soldier and a civilian do against a ship full of alien pirates? Corum - The King of Swords Michael Moorcock, 2015-07-07 The old races have perished. Across the fifteen planes of reality the ceaseless struggle between Law and Chaos continues. Corum the Prince in the Scarlet Robe has destroyed two of the company of Chaos but Mabelode the Faceless will not see his actions go unpunished. The Eternal Champion must call upon the power of other incarnations Elric and Ereko and travel to the last five planes to defeat the King of the Swords. At stake not only the balance of forces at the crux of existence but also a personal vendetta since the captain of the enemy army is the same Mabden who slaughtered Corum's family. **Kill Six Billion Demons**
