King Within Accessing The King In The Male Psyche:

The King Within Robert L. Moore, Douglas Gillette, 1992 An examination of one of the archetypes of the male psyche larger questions of male psychology The King Within Robert L. Moore, 2007 Cardinal Jean-Marie Lustiger on Christians and Jews Bruce Tallman, 2005 Written by an experienced practitioner this book offers spiritual directors a road map to becoming more fully conscious and proficient in their work helps directees learn to discern the good director from the not so good and teaches both director and directee how to cope in less than ideal spiritual direction situations The author describes the four heroic archetypes Sovereign Warrior Seer Lover and the antiheroic archetypes associated with each of them BOOK JACKET *Crossing into Manhood: A Men's Studies Curriculum* Christopher P. Mason, 2006 Many scholars have documented and decried the crisis in American masculinity There is a preponderance of evidence showing that males suffer from many physical emotional and social ills due to the gender scripts with which they were raised and which continue to govern men's lives Throughout the millennia and across cultures initiation rites of passage have been utilized as an effective means of transitioning young males into manhood Modern culture suffers from a dearth of rites of passage leaving many boys stuck in puerile attitudes and behaviors and unable to make a wholesome transition into mature masculinity Crossing into Manhood is a much needed guide on assisting late adolescent boys transition into manhood it proposes a school based curriculum and rite of passage paradigm to help young men make the difficult passage into manhood Utilizing resources from diverse academic disciplines this book surveys the psychoanalytic the social constructionist and the essentialist perspectives on masculine gender As a result a men's studies curriculum has been formulated one that offers a balanced bio psycho social conceptualization of masculine identity Educators will find the contents of this book helpful in providing the key conceptual information necessary to teach a men's studies course to late adolescent boys This book will provoke further dialogue and work among educators and other adults in this important area Publisher's website *Maps for Men* Edgell Franklin Pyles, PhD, 2016-05-31 MAPS for Men is a must have resource for any and every family business Dave Ramsey Nationally syndicated radio show host New York Times best selling author MAPS for Men is a wonderful book full of superb insight and information Paul Schorr III Past President Chief Executives Organization I read MAPS for Men today I should say that I devoured it very interesting and helpful model for all of life Paul Schorr IV Chip Founder Chairman Augusta Columbia Capital MAPS for Men is a gift to all fathers and sons James Jay E Hughes Jr Author Family Wealth Keeping It in the Family MAPS for Men is one of the most comprehensive guides to families in business that I have ever seen Charles S Luck IV CEO Luck Companies Founder InnerWill The transition of wealth concepts described in MAPS are immensely dynamic relevant and applicable It is a must read for all entrepreneurs Cordia Harrington Founder CEO The Tennessee Bun Company What a wonderful piece of work I found each chapter and the whole book incredibly meaningful Dennis Jaffe PhD Author Working With the Ones You Love Creating A Successful Family Business Stewardship in Your Family Enterprise Past

Moore, 2003 Structured around a series of lectures presented at the Jung Institute of Chicago in a program entitled Jungian Psychology and Human Spirituality Liberation from Tribalism in Religious Life this book length essay attacks the related problems of human evil spiritual narcissism secularism and ritual and grandiosity Robert Moore dares to insist that we stop ignoring these issues and provides clear sighted guidance for where to start and what to expect Along the way he pulls together many important threads from recent findings in theology spirituality and psychology and brings us to a point where we can conceive of embarking on a corrective course Traditional doctrinal and historical interpretation both rely heavily on rational analysis But from the disciples at Emmaus to the beginnings of the present century it has been the impact of scripture upon the human heart that has changed human lives In recent decades this impact has been strengthened by advances in linguistic and literary theory by such disparate influences as feminism structuralism Jungianism deconstructionism the analysis of archaic imagery and myth the recovery of Gnostic texts and finally an openness to pluralism whether ethnic geographic religious or interpretive All of these factors are treated here with a brevity and comprehensiveness which convincingly show that the reader of scripture has a creative and not merely passive role If you would understand the deepest roots of terrorism greed and religious fanaticism read *Facing the Dragon* But be forewarned you may find some offshoots in your own garden June Singer Jungian analyst author of *Boundaries of the Soul* Robert Moore Phd was an internationally recognized psychotherapist and consultant in private practice in Chicago He was considered one of the leading therapists specializing in psychotherapy with men because of his discovery of the Archetypal Dynamics of the Masculine Self King Warrior Magician Lover He served as Distinguished Service Professor of Psychology Psychoanalysis and Spirituality at the Graduate Center of the Chicago Theological Seminary and has served as a Training Analyst at the C G Jung Institute of Chicago He is Co founder of the Chicago Center for Integrative Psychotherapy

Myths and Mortals Andrew Keyt, 2015-06-09 Establish credibility as the new family business leader *Myths Mortals* Family Business Leadership and Succession Planning provides insights and strategies for successors of family businesses Successors often find themselves in the shadow of their parents making it difficult to establish credibility in the family business and tap into their own strengths The stress of emulating a parent begins to clash with who they are and who they want to be as a leader Written by internationally known business strategist and succession planning expert Andrew Keyt this guide shows you how to establish credibility take your place at the head of the table and run your business your way In

groundbreaking research Keyt interviewed more than 25 successors of family business legends including Massimo Ferragamo Bill Wrigley Jr Christie Hefner and John Tyson to find out how they overcame the challenges successors commonly face The analysis from that study formed the basis for the strategies presented here to help you win the loyalty of those stuck in the old way of doing business and still focused on their former leader's vision You'll learn how to take charge without sacrificing your own leadership style and how to get everyone on board with your vision for the business Growing up in the shadow of legendary family business leaders creates a unique challenge for successors to the leadership position You cannot remove the emotional power of family dynamics from the business but you can change how you choose to react to it To be successful you need to create a sense of identity and credibility and step out of the shadows of your forbears This guide provides strategies for doing just that so you can take the reins and be the effective leader your business needs Overcome the obstacles successors commonly face Win over those still loyal to their former leader Build your own credibility separate from your parents Develop your own leadership style and do business your way Credibility is elemental to business leadership but establishing that credibility is the successor's biggest challenge Myths Mortals Family Business Leadership and Succession Planning helps you plan around the obstacles and avoid common missteps so you can lead more effectively right out of the gate

Jung and the Jungians on Myth Steven Walker, 2014-04-08 Carl Gustav Jung 1875 1961 was never more insightful and intriguing than when he discussed mythology The key to understanding the Jungian approach to mythology lies in the concept of the image which provides the basis for his theory of the unconscious By emphasizing the image over the word Jungian psychology distinguishes itself dramatically from Freudian Lacanian and other psychologies that stress the task of interpreting the language the words of the unconscious In Jung and the Jungians on Myth Steven Walker carefully leads the reader through the essential lines of thought in Jungian psychology before developing his method for using Jungian ideas to approach mythological texts Whether one is sympathetic toward Jung's ideas or critical of them one will find in Walker's discussion a lucid introduction to Jungian perspectives on myth and psychology

Jung and the Jungians on Myth Steven F. Walker, 2002 In this book Steven Walker carefully leads the reader through the fundamentals of the psychology that underlies Jung's theory of myth He defines key terms and distinguishes dream from fantasy in psychological experience He then traces the lineage of Jungian theory from Jung through such disciples as Van Franz and Neumann to contemporary archetypal psychology By applying Jungian psychology to an array of myths to illustrate core concepts of this theoretical tradition Walker fills a conspicuous gap in the current literature on Jung from back cover

Educating Beyond Violent Futures Francis Hutchinson, 2005-06-27 As we enter the Twenty First Century it is easy to assume that worsening trends in violence will be a feature of our lives whether in our schools our societies or as a species Educating Beyond Violent Futures challenges assumptions that trends in violence are destiny and raises crucial questions about choice and engagement Drawing upon new research this book is essential reading for those who want to prepare our children for living constructively in the next century

Intentional Intervention in Counseling and Therapy Peter Geiger, 2017-07-06 The book answers three questions What heals in counseling and therapy and how What actions in clinical decision making ensure an optimal outcome for the client And why are some clinicians more successful than others apparently remaining so over time Incorporating citations across multiple disciplines referencing authorities in both CBT Cognitive Behavioral therapy and psychodynamic models and interwoven with composite case material and session transcripts this book unmask the dialectic between goals and process in clinical work Provided by publisher

A Republic of Men Mark E. Kann, 1998-04 What role did manhood play in early American Politics In A Republic of Men Mark E Kann argues that the American founders aspired to create a republic of men but feared that disorderly men threatened its birth health and longevity Kann demonstrates how hegemonic norms of manhood exemplified by the Family Man for instance were deployed as a means of stigmatizing unworthy men rewarding responsible men with citizenship and empowering exceptional men with positions of leadership and authority while excluding women from public life Kann suggests that the founders committed themselves in theory to the democratic proposition that all men were created free and equal and could not be governed without their own consent but that they in no way believed that all men could be trusted with equal liberty equal citizenship or equal authority The founders developed a grammar of manhood to address some difficult questions about public order Were America's disorderly men qualified for citizenship Were they likely to recognize manly leaders consent to their authority and defer to their wisdom A Republic of Men compellingly analyzes the ways in which the founders used a rhetoric of manhood to stabilize American politics

The Male Heterosexual Larry A. Morris, 1997 A psychological understanding of the problems associated with male sexuality is urgently needed for this is one of the dimensions of the male code that has fallen the farthest and the fastest In this volume Larry A Morris provides what we most need at this time A scholarly examination of male hetero sexuality in its broadest context Dr Morris surveys in turn the biological developmental psychological sociocultural and historical perspectives on male sexuality then takes up the issues of sexual dysfunctions sexually transmitted diseases and the modern men's movement and finally offers a new formula for the cultivation of healthy male sexuality The writing is very clear the material is presented in an interesting manner and both the author's breadth of knowledge and sense of humor come through delightfully Dr Morris in this outstanding volume lights the way for all of us as we attempt to reconstruct gender roles for a new millennium from the Foreword by Ronald F Levant As the traditional code of masculinity erodes emergence of the new

real man brings a unique challenge to the continuum of a male heterosexual development The move toward more balanced gender roles is viewed as a must for the next millennium but the process for many men is wrought with the confusion and loss Timely and clearly written The Male Heterosexual explores biological developmental psychological sociocultural and historical perspectives of male sexuality Readers are guided by the expertise and warm humor of author Larry A Morris on a journey into a wide range of issues surrounding male sexual development Morris skillfully exposes those elements that need to be discarded discusses those needing to be retained and concludes with a new formula for the cultivation of healthy male sexuality The Male Heterosexual is an ideal text for courses in male or gender issues and additionally an informative and fascinating read for academics researchers mental health professionals and any sophisticated lay reader interested in a very contemporary look at this issue
