Kingdom Of God Is Like:

Kingdom Of God Peter Kamaleshwar Singh,2022-10-06 The Lord is the Creator of the universe In this world there are many countries and kingdoms Everything ultimately belongs to Him Then what is the Kingdom of God we are talking about God is the master planner and everything that is created is working out according to His plan He began the creation with His kingdom in the center To establish His kingdom with men in His likeness everything in history has been working thus far The meditations help the reader to meditate on the theme and understand the unfolding of the Holy Spirit He illuminates the scriptures and enriches our inner eyes to grasp the depth of His wisdom The Kingdom of God Is among You Gordon D. Fee,Cherith Fee Nordling,2025-03-17 In this exciting volume a renowned New Testament scholar provides his lectures on New Testament theology and provides us a window on his approach on a variety of issues He describes the task as follows New Testament theology is the art of giving coherence to the collective witness of the twenty seven New Testament documents as they attest to the Christian faith while not sacrificing the historical particularity of any one text or author within the canon and to do this as clearly as possible and with as much consistency and unity as possible New Testament theology deals with all the New Testament We must resist the tendency to find a canon within the canon or to neglect some lesser figures in the New Testament canon New Testament theology is first of all a descriptive task i e we must first try to describe what is there But given our stance toward Scripture what we describe also becomes prescriptive or normative We must never forget that the writings of the New Testament are ad hoc documents written in each and every case to speak to a specific need Thus rather than careful systematic presentations of theology such as in a book or a lecture the earliest Christian theology is worked out in the marketplace as it were Therefore we must be careful not to force the New Testament writers to answer all of our questions nor even to use our logic or thought forms excerpted from chapter 1 *The Kingdom of God is Within You - Christianity not as a Mystic Religion but as a New Theory of Life* Leo Tolstoi,2018-04-04 Reproduction of the original The Kingdom of God is Within You Christianity not as a Mystic Religion but as a New Theory of Life by Leo Tolstoi

Living in the Kingdom of God Sigurd Grindheim,2018-11-06 This brief accessible book offers a unique approach to the theme of the kingdom of God and to biblical theology Sigurd Grindheim explains the whole Bible s teaching on the kingdom of God discussing its implications for the Christian the church and politics Grindheim shows what it means that God rules on earth how his rule is established through the work of Christ and how this rule is embodied by the church today offering a new vision for the church s role in the kingdom putting God s gifts to work A New Christian Manifesto: Pledging Allegiance to the Kingdom of God Bob Ekblad,2008 *Christian America and the Kingdom of God* Richard T. Hughes,2010-10-01 The idea of the United States as a Christian nation is a powerful seductive and potentially destructive theme in American life culture and politics And yet as Richard T Hughes reveals in this powerful book the biblical vision of the kingdom of God stands at odds with the values and actions of an American empire that sanctions war instead of peace promotes dominance and

oppression instead of reconciliation and exalts wealth and power instead of justice for the poor and needy With extensive analysis of both Christian scripture and American history from the founding of the republic to the present day Christian America and the Kingdom of God illuminates the devastating irony of a Christian America that so often behaves in unchristian ways

Why should families symbolise the church and kingdom of God? Peter Williams, Booklets in this first series On which days was Christ crucified and resurrected Can we know the year of Christ s crucifixion Does the Bible s Creation account accord with scientific discovery Was Christ crucified on a cross Why should families symbolise the church and kingdom of God Who should take the bread and wine and when Can we be born again during this earthly life What annual festivals should Christians celebrate Is there a Holy Spirit God person What is the true gospel When does the law end for a Christian Should Christians celebrate a weekly Sabbath Each booklet in this series focuses on one theme that is also covered more briefly in the 350 page book *Israel and the Covenants in New Testament Times* Each study s conclusions come from what the Bible reveals consistently answering all the objections the writer has heard to leave nothing even apparently contradicted by any other Bible text By this means they confirm that the booklet provides rock solid Bible truth and that the Bible is truly the word of God Despite this as the booklets series title suggests these conclusions are typically unexpected a primary aim in writing and sharing them If you find anything unpalatable please recognise that God is the real author of what these booklets show and the author little more than a researcher and collator of the subject matter Therefore if you the reader cannot refute what a booklet in this series asserts directly from the Bible surely nobody can please give God your thanks and praise for allowing you to come to the truth from Him *Israel and the Covenants in New Testament Times* may be ordered on line in the UK from Amazon.co.uk or at good bookshops and internationally from Amazon.com in paperback or Amazon Kindle format A4 352 pages Paragon Publishing ISBN 10 1 908341 68 8 ISBN 13 978 1 908341 68 6

The Kingdom of God in Working Clothes R. Paul Stevens, 2022-08-05 Work occupies most of our waking time whether it is in a factory office school or at home But unfortunately most people of faith separate their working life from their worshipping life Dualism is a pernicious heresy that has infected believers worldwide namely that church work and missionary service are holy and our everyday work is secular In this timely volume Stevens explores the connection of the kingdom of God the master thought of Jesus with the marketplace Traditionally people have either related the kingdom of God God's new world coming either exclusively for the present or only for the distant future But it is both now and coming This gives meaning hope and endurance to our work in the world So daily labor in the marketplace gets reoriented through salty values and ingrained virtues We become double agent spies exploring the new world coming in everyday life We can also grapple helpfully with the resistance we face daily in the workplace There are many books on the kingdom of God and many on work Few have brought these two vital arenas of everyday service together It is indeed part of the good news

Locating the Kingdom of God Karen J. Wenell, 2024-08-22 This book offers a new multidisciplinary way of thinking about the Kingdom of God which fully recognises its sociological and spatial significance in performing boundaries of the sacred Though spatial critical perspectives have been increasingly recognised as important across many disciplines the significance of non physical religious spaces and their correspondence to boundaries of the sacred has not been explored fully and never using the specific example of the Kingdom of God Wenell considers the diverse and sometimes contradictory articulation of the Kingdom in the gospels as well as the ways that Kingdom language frames contemporary ethical debates Her study of the Kingdom is located within the wider study of religion affording the opportunity to investigate connections between space belonging and the sacred Wenell structures her investigation in four key areas that engage with the Kingdom in different but theoretically interconnected ways She begins by setting out a theory of sacred space that is capable of including the Kingdom and establishing key concepts such as boundary performance physical non physical spatiality spokespersons and controversy Wenell then focuses on the synoptic gospels and the origins of the Kingdom noting aspects of uncertainty as well as areas of agreement and controversy over boundaries of the sacred in these uniquely interrelated texts The third and fourth areas of investigation move into cultural reception considering instances where the Kingdom is formative for identity and ethical relationships both in individual and wider group belonging terms Specific reference is made to issues of ethical consuming and displacement placing the Kingdom in dialogue with Bauman's discussion of a society of consumers and Arendt's notion of equitable co habitation of the earth

Icon of the Kingdom of God Radu Bordeianu, 2023-05-19 What is the Church Some would answer this question by studying the Scriptures the history of the Church and contemporary theologians thus addressing the theological nature of the Church Others would answer based on statistics interviews and personal observation thus focusing on the experience of the Church These theological and experiential perspectives are in tension or at times even opposed Whereas the first might speak about the local church as the diocese gathered in the Liturgy presided over by its bishop the latter would describe the local church as the parish community celebrating the Liturgy together with the parish priest never experiencing a sole liturgy that gathers an entire diocese around its bishop Whereas a theologian might abstractly describe the Church as a reflection of the Trinity a regular church member might concretely experience the Church as a community that manifests the Kingdom of God in its outreach ministries Radu Bordeianu attempts to bring these two perspectives together starting from the concrete experience of the Church engaging this experience with the theological tradition of the Church extracting ecclesiological principles from this combined approach and then highlighting concrete situations that reflect those standards or proposing correctives when necessary Without pretending to be a complete Orthodox ecclesiology *Icon of the Kingdom of God* addresses the most important topics related to the Church It progresses according to one's experience of the Church from baptism to the family parish Liturgy and priesthood followed by analyses of synodality and nationality Arguing that the Church is an icon of the Kingdom of God this volume brings together the past theological heritage and the present experience of the Church while having three methodological characteristics experiential Kingdom centered and ecumenical
