Kingdom Advancing Prayer:

Kingdom Advancing Prayer Michael Scantlebury, 2006-07-01 WINNERS' Kingdom Advancement Prayer Book Godwin Uche Nwankwo, 2024-03-22 The most precious treasure in God's eyes upon the earth is the soul of man. It's the very reason why God places utmost importance on anything that leads to the salvation of souls. This truth is vividly illustrated by the sacrifice of His only begotten Son sent to Earth to pay the ultimate price for our redemption. Even after Jesus' resurrection, he entrusted the responsibility of furthering this divine mission to the elect, emphasizing the paramount importance of soul-saving endeavors. Reflecting on the Lord's Prayer where Jesus taught us to prioritize 'thy kingdom come' (Matt 6:10) underscores the centrality of advancing God's kingdom in our prayers. The story of Anna, who dedicated her life to fervently praying for kingdom advancement, serves as a powerful example. All these instances affirm that the pursuit of kingdom advancement is indeed MY FATHER'S BUSINESS (Luke 2:49). Therefore, engaging in kingdom advancement prayer becomes the primary assignment for every believer. It's a prayer that not only aligns our personal needs with God's priorities (Matthew 6:33) but also, as our Father in the Lord, Bishop David Oyedepo has reiterated, unlocks the jackpot of life. This foundational principle underscores the essence of this book: to mobilize believers worldwide to fervently intercede for the salvation of souls. Countless testimonies abound of miraculous transformations and divine interventions experienced by those who earnestly participate in this God-given mandate. This book serves as a powerful tool for evangelism, enabling you to reach out to countless souls for Christ. Yet its primary purpose remains to fuel incessant prayer for the advancement of God's kingdom until it becomes ingrained in your very lifestyle. So whether you order copies for distribution or to utilize for personal prayer, this book can serve as a catalyst for relentless intercession, ultimately leading to the expansion of God's kingdom across the nations.

Effective Kingdom Prayers Bruner Remy, 2017-08-26 Effective Kingdom Prayers will teach you about the essence of prayer, its effectiveness, and the role it plays in our lives as God intends it to be. Also, it will unveil and expose the traditional fallacies or misconceptions concerning the purpose and scope of prayer. *Praying in the Word of God* Kathleen G. Grant, 2004-08 In just 15 to 20 minutes a day, readers will be led by the Lord through his words in praise, confession, petition, and intercession. Also included are pages on which to journal and to list the names of believers and unbelievers.

Advancing On the Kingdom of Darkness with Power Troy B. Clerk, 2023-09-08 Any good commander will make certain that their soldiers have correct and ample intelligence about the battles they are preparing to fight. This is what we have from our commander in chief, Jesus Christ. In Matthew 24, Jesus entrusts the soldier with a prophetic outline of the end times. He explains what the world would look like in the advanced stages of depravity (Matthew 24:6-7). He further shared about the rise of religious deception (Matthew 24:4-5), the falling away of the church (Matthew 24:9-12), and the great tribulation (Matthew 24:21). Also hidden within this prophetic overview is a picture of the war between the saints and Satan for the souls of others. We see this in Matthew 24:7a when Jesus says, 'For nation shall rise against nation, and kingdom against kingdom.' While this verse

clearly refers to the unprecedented upheaval of racial prejudice and extreme nationalism Jesus is saying something more here Nation rising against nation refers to ethnicities or races but kingdoms refer to governments and countries I believe that Jesus not only reveals that the natural kingdoms of this world would rise against one another but also that the kingdom of God and the kingdom of darkness will also rise against each other in unprecedented warfare Advancing on the Kingdom of Darkness with Power is a spiritual warfare manual written specifically for these end times In this book we will discover how to truly dismantle Satan and his demonic hierarchy through divinely inspired systematic strategies It is an exhortation for the Christian soldier to take up spiritual arms against the prevailing spiritual darkness that is permeating society It aids the soldier in this endeavor by preparing them for end time spiritual warfare teaching them how to engage the enemy through Spirit led wisdom and ultimately how to find victory for themselves and others In these tumultuous times we live in Advancing on the Kingdom of Darkness with Power is a weapon that every Christian soldier should possess in their arsenal

My Ponderings Michael Scantlebury, 2021-05-15 In this book before you the author has been engaged in pondering several subjects and as such decided to put his thoughts in a book As you read through these pages may the Lord use his thoughts to both inspire and bless you Here are some of the subjects he has been pondering with each one making up a chapter of this book *My Ponderings On The Kingdom Of God My Ponderings On The Church My Ponderings On Innovation My Ponderings On Wisdom and The Power of Vision My Ponderings On Navigating Seasons My Ponderings On Breakthroughs My Ponderings On Unity My Ponderings On The Many Comings Of Jesus My Pondering On Eschatology My Ponderings on Jesus the First Fruit of the Dead My Ponderings on Understanding the Times My Ponderings on Understanding the New Covenant My Ponderings On Gold* **Heaven and Earth** Michael Scantlebury, 2022-01-15

Whenever we today in this 21st Century read about heaven and earth in the Scriptures we need to be careful as to exactly what is being referred to And here are some reasons as to why this must be The original Bible was not written in our modern English which is a far different language than Hebrew and Greek the original languages of the Holy Scriptures Hence the reason for us to become avid students of the Word of God We living today are not the original recipients of Scripture and as such we need to understand what the original recipients understood when they first received that Word We must be willing to let the Bible interpret itself and not hang on to our theories for the Scriptures That the Bible speaks of at least four Heavens and three earths And as such we need to dig deep into the Word of God and find them and apply this understanding in our study Remember what the Scriptures say in Proverbs 25 2 It is the glory of God to conceal the word and the glory of kings to search out the speech With that said let us now take a deeper dive and journey into the Word of God with the intention of extracting much needed revelation concerning these Heavens and Earths *Kingdom Advance* Rev. Creighton P. Williams, 2013-02-19 When our lives is in compliance with the will of God then the less effort we will have to make to do the will of God Proper divine order causes ones authority to wage warfare very correctly enforcing the will of God makes us

into divine instruments Life in divine order makes us upright God will make a stand against Principalities and demonic forces to show and demonstrate His power Remember warfare is a spiritual life being well defined which will release spiritual authority God moves the church to engage with the kings of the earth we must now understand the value by which we operate is change the frequency of life is change we are dealing with the kings of the earth and we are moving from the small place to stand in the kingdoms of the earth The Restoration of Zion Michael Scantlebury,2019-08-16 When you hear the word Zion what comes to mind As Christians we've sung the choruses and the hymns about Zion or Mount Zion but do we fully understand just what we're singing about Do we know what it is The Bible promises the full restoration of Zion and if we don't fully know what Zion is what then do we anticipate in terms of its restoration The greatest hindrance to accurate interpretation and application of Scripture is a futuristic view of Scripture This futuristic view continues to rob the Believer of experiencing God in His fullness in the here and now In this book we will uncover within the Scriptures exactly what Zion actually represents to the New Testament believer So lay down any preconceived ideas you may have delve into the pages of this book and let it speak truth to you *Present Truth Lifestyle* Michael Scantlebury,2016-10-25 This is a seminal study with strong Apostolic messaging yet its flowing style allows for easy assimilation of biblical truths and provides accurate insights for the cerebral believer who like Daniel and his companions are usually the target of the world system In this book various methodologies are outlined through which spiritual Babylon seeks to entice the brightest and best of every Godly generation to acculturate rob of spiritual identity and manipulate to promote world kingdom ends But thanks be to God there is still a generation in the earth spiritually alert enough to operate within the world system yet deploy their talents and giftings to bring honour and glory to God Those with the Daniel mindset will decode dreams and visions and interpret judgements written on the kingdoms of this world in this season God is still raising up an Apostolic and Prophetic generation which would feast on heavenly manna and consecrate themselves to spiritual and intellectual purity to accomplish God's Kingdom purposes *The Resurrection of The Dead Ones* Michael Scantlebury,2025-06-15 What happens to a person when they die It is one of the most asked and least understood questions in all of life and for the Christian it entails the idea of a resurrection Every Christian denomination and there are many believe one simple truth the tomb was empty after the crucifixion of Jesus We often hear sermons where the focus is on the cross and the resurrection is mentioned only in passing But when you really get into the meat of the Word of God the Bible clearly shows that the resurrection of Jesus was the gospel message preached by the Apostles and not the Cross Sadly the Believers only seem to get excited about the resurrection once a year at Easter time In reality every Sunday should be Resurrection Sunday The early Church met on the first day of the week to celebrate Jesus' defeat of death Imagine the impact from consciously gathering every week to celebrate the resurrection And in that vein we need to seek to arrive at a clear biblical understanding of this particular question regarding what happens to a person when they die It is my earnest prayer that we together could arrive at a much

better understanding of this subject **Are We Living in the End Times or Final Days?** Michael Scantlebury,2022-09-15

Whenever we hear about the end times or the last days it conjures up all kinds of images in our minds We may think of the universe blowing up with the largest flame imaginable ushering in a new heaven and a new earth We have presupposed in the body of Christ that the righteous will be raptured away before all of this occurs leaving the world to face a massive fire of destruction Upon hearing Christians mention the last days many just assume they re referring to the end of time and the end of the world But the attentive Bible student will ask The last days of what It seems obvious to me that the text is referring to the end of the Old Covenant Temple aeon age When you read the New Testament through this lenses all I can say is Wow It makes a significant difference when you read the Scriptures with the realization that the Bible was written for you not to you We need to also understand that time of the end and the end of time are not one and the same The Bible teaches about the time of the end but nothing is taught about an end of time Understanding the Revelation Michael Scantlebury,2023-02-28

As we study the prophecy within this book we will see how it ties in with Jesus prophecy recorded in Matthew 24 **The Majesty of The Lord's Prayer** Ralph K. Anderson III,2020-12-23 Across the centuries probably no passage of scripture has been repeated more by Christians than the Lord s Prayer Despite its prevalence the depth of its meaning is often overlooked The book uniquely reviews this fundamental prayer using logical reasoning to elicit deeper thought concerning the purpose of this prayer When we methodically analyze the Lord s Prayer in this way we see that each petition in the prayer builds upon the next to establish not only a theological framework for our prayer lives but a foundation for how we may become more complete Christians Therefore this book analyzes not just the meaning of the words in the Lord s Prayer but also the general implications of each petition and the personal responsibility each petition entails on Christians **God's Eternal Plan** Michael Scantlebury,2024-05-29 Let me quote this very important passage of Scripture Hebrews 11 1 3 Now faith is the substance of things hoped for the evidence of things not seen For by it the elders obtained a good testimony By faith we understand that the worlds were framed by the word of God so that the things which are seen were not made of things which are visible So this is the premise from which this book would be written We cannot even begin to understand the Scriptures or the heart of God if we do not believe that He is And to do that we must enact the faith that everyone of us were given at birth according to Romans 12 3 Because God always existed we must understand and believe that He existed outside of space and time in the realm called Eternal I believe that this is why we could understand the following passage of Scripture Matthew 25 34 40 So He knew exactly what He was seeking to accomplish and nothing could take Him by surprise And that time as we know it only began when He created it This was done when He created the Heavens and the earth as recorded in the book of Genesis when He established the sun and the moon and day and night causing the establishment of days and night and the record of days **Navigating through Spiritual Transitions** Michael Scantlebury,2025-06-01 We are all in transition It s a natural phase of life for us Transitions can take many forms as I am sure you ve experienced yourself

Transitions build stories and reveal the history of our lives They happen whether you desire them to or not There is no way around them unless you are dead So if you are choosing life anticipate and prepare for transitions They are coming and will come again According to the dictionary a transition is a Movement Passage or Change from One Position to Another The word transition is often used in human services to refer to the general process of someone moving or being moved from one set of services or circumstances to another As Christians each transition period we go through God is leading us to ensure that we come into the fullness of all that He has promised in and through our local houses churches This leading He does with the many local houses churches across the earth that are also experiencing various transition periods However I believe that there are dangers to be aware of in this journey as we stride towards our destiny Every leader regardless of his or her calling in life will experience seasons of transition We make the common assumption that once we ve arrived at a certain place that we are beyond being tested It is not so Those who serve closest to a leader when in transition must know how to stick in both good and bad times Times of certainty and times of uncertainty It is my earnest prayer that this book will aide you in your times of transition

As It Was in the Beginning...So Shall It Be Michael Scantlebury,2018-09-27 Have you ever wondered about life and all its intricacies Why are we here on planet earth What s out there in deep dark space Since time began man has tried to explain the known world Study and research have revealed many truths about the world but many questions haven t yet been answered While many Christians enjoy documentaries that ponder the many ways we may have gotten here from the theory that alien transports dropped us off to the idea of a cosmic slime pit which one day came to life the only authority we have as Born Again followers of Jesus Christ is the Book of Genesis Only God s inspired word the Holy Bible can answer the many questions at hand In this book we will journey into the heart and mind of our incredible Creator to learn the reason and purpose for our existence Every created being will be considered from the angels and lucifer to Adam and Eve and their eventual fall into sin We will also contemplate God s masterful plan for the salvation of mankind and explore what we should expect from life after death

Fathers and Sons Michael Scantlebury,2022-06-15 As we embark upon this study there is something I would like for us to first understand and it is this God the Father is the ultimate Father There has never been anyone like Him nor is there currently anyone like Him nor will there ever be anyone like Him He is in a class all by Himself Another thing we need to understand moving forward is this respect produced by force and domination is not respect but fear Also when we speak of sons we are not only referring to the male gender but a new class in God those who have been washed by the blood of Jesus and entered the New Covenant with Him Notice that the Scriptures never state sons and daughters of God John 1 12 states But as many as received Him to them He gave the right to become children of God to those who believe in His name As such I believe that women can also be apostles and in a broader scope they qualify to father should that mantle be upon them

Prayer Revolution John Smed,2020-05-05 Are you praying constricted prayers or disruptive ones Most prayers are constricted ones They re prayers that only focus on one part of the

Lord's Prayer give us our daily bread They're usually focused on self and envision God as a heavenly caretaker Disruptive prayers on the other hand are powerful uncommon and deeply biblical They focus on God rather than self seek to advance the kingdom and submit all things to God They are also prayed with a profound belief that prayer actually accomplishes something When we pray disruptive prayers that's when the revolution begins This book shows you how to equip leaders fuel kingdom movements and do real damage to the powers of darkness in the here and now But most of all discover how your own heart will be transformed as you begin to see how much bigger prayer and God is than you ever thought possible
