Tales of Giants from Brazil Elsie Spicer Eells, 1918 **TALES OF GIANTS FROM BRAZIL - 12 children's stories of giants from Brazil** Anon E. Mouse, 2017-08-27 Tales of Giants from Brazil is Elsie Spicer Eells second collection of twelve illustrated Brazillian stories In this volume you will find unique stories with unfamiliar titles Stories like The Princess Of The Springs The Fountain Of Giant Land The Little Sister Of The Giants The Giant s Pupil plus eight more When one thinks of giants in folklore South America is not usually the region of the world that first comes to mind We are more familiar with tales of giants in the fairy tales and folklore of the West So to have twelve absolutely unique stories of giants from Brazil in one volume is extra special For this we have Elsie Spicer Eells to thank As Eells puts it Brazil is the land of giant fruits and giant flowers Of course it is the land of giant stories too It is safe to say that storytelling was alive and well in Central and South America when the Portuguese arrived in circa AD1500 It would also be safe to say that the Portuguese brought their folk tales along with their trade Therefore it does not take a leap of the imagination to conclude that at some point the folklore from these two cultures became entwined to form new stories much like the mixing of the dark almost black waters of the Rio Negro and the brown lighter muddy waters of the Rio Solimoes just north of the City of Manaus It is often claimed that this is where the Amazon River truly starts So find a comfy chair sit back with a hot toddy and enjoy these twelve unique and authentic folk stories for children *In Pursuit of Giants* Matt Rigney, 2017-04-04 A lyrical and passionate call to arms to save the world s great fish **The Kingdom** Guy Stanton III, 2014-12-12 The sands blow hollowly across the plains of time Unseen by man an army was on the move an army of darkness Slowly over the course of centuries the truth has been eroded away within the courts of men until few yet stand for the ways of El Elyon the Creator of the beginning and He who foreknew that one day the end would come Aynathurim a world poised on the edge of change Chaos beckons as people fractured apart by ancient rivalries strive to hold on The sounds of war echo on the wind but who yet is able to stand in the gap for those who are blind to the signs of the times the end if so it must be heralds the rise of heroes even as monsters roar and kings rise and fall As Evil triumphs over the nations even so it was foretold to come to pass and yet the end of darkness s reign has already begun **Sagas of Giants and Heroes** , 2010-05-26 Huge in stature living in far distant wastelands sometimes comically stupid or crude but possessing vast wealth and knowledge such are the giants of Norse myth and legend Four Icelandic sagas and six tales spanning five centuries are brought together for the first time in all new English translations All tell of mighty giants and of the heroes who dared to face them fight them and sometimes befriend them The giants and trolls of old still live on in these legendary sagas of old times These tales of epic voyages wars and romance will appeal to both scholars of Norse mythology and fans of Viking adventure The sagas include the Saga of the Kjalarnes People the Saga of Halfdan Brana s Fosterling the Saga of Sorli the Strong and the Saga of Illugi Grid s Fosterling The six shorter tales are the Tale of Halfdan the Black the Tale of Hauk High Breeches the Tale of Jokul Buason the Tale of Brindle Cross an
