## **Kingdom On The Mississippi Revisited:**

Kingdom on the Mississippi Revisited Roger D. Launius, John E. Hallwas, 1996 Who were the Nauvoo Mormons Were they Jacksonian Americans or did they embody some other weltanschauung Why did this tiny Illinois town become such a protracted battleground for the Mormons and non Mormons in the region And what is the larger meaning of the Nauvoo experience for the various inheritors of the legacy of Joseph Smith Jr Kingdom on the Mississippi Revisited includes fourteen thoughtful explanations that represent the most insightful and imaginative work on Mormon Nauvoo published in the last thirty years The range of topics includes the Nauvoo Legion the Mormon press the political kingdom of God the opposition of non Mormons the martyrdom of Joseph Smith and the meaning of Nauvoo for Mormons The introduction provides a critique of Nauvoo scholarship and a closing bibliographical essay analyzes the historical literature on the Mormon experience at Nauvoo

**Revelation, Resistance, and Mormon Polygamy** Merina Smith, 2013-05-15 In Revelation Resistance and Mormon Polygamy historian Merina Smith explores the introduction of polygamy in Nauvoo a development that unfolded amid scandal and resistance Smith considers the ideological historical and even psychological elements of the process and captures the emotional and cultural detail of this exciting and volatile period in Mormon history She illuminates the mystery of early adherents acceptance of such a radical form of marriage in light of their dedication to the accepted monogamous marriage patterns of their day When Joseph Smith began to reveal and teach the doctrine of plural marriage in 1841 even stalwart members like Brigham Young were shocked and confused In this thoughtful study Smith argues that the secret introduction of plural marriage among the leadership coincided with an evolving public theology that provided a contextualizing religious narrative that persuaded believers to accept the principle This fresh interpretation draws on diaries letters newspapers and other primary sources and is especially effective in its use of family narratives It will be of great interest not only to scholars and the general public interested in Mormon history but in American history religion gender and sexuality and the history of marriage and families

**The Saints and the State** James Simeone, 2021-05-05 A compelling history of the 1846 Mormon expulsion from Illinois that exemplifies the limits of American democracy and religious tolerance When members of the Church of Jesus Christ of Latter day Saints known as Mormons settled in Illinois in 1839 they had been persecuted for their beliefs from Ohio to Missouri Illinoisans viewed themselves as religiously tolerant egalitarians and initially welcomed the Mormons to their state However non Mormon locals who valued competitive individualism perceived the saints western Illinois settlement Nauvoo as a theocracy with too much political power Amid escalating tensions in 1844 anti Mormon vigilantes assassinated church founder Joseph Smith and his brother Hyrum Two years later the state expelled the saints Illinois rejected the Mormons not for their religion but rather for their effort to create a self governing state in Nauvoo Mormons put the essential aspirations of American liberal democracy to the test in Illinois The saints inward group focus and their decision to live together in Nauvoo highlight the challenges strong group consciousness and attachment pose

to democratic governance The Saints and the State narrates this tragic story as an epic failure of governance and shows how the conflicting demands of fairness to the Mormons and accountability to Illinois s majority became incompatible

**Spaceflight and the Myth of Presidential Leadership** Roger D. Launius, Howard E. McCurdy, 1997 Setting the tone for the collection NASA chief historian Roger D Launius and Howard McCurdy maintain that the nation s presidency had become imperial by the mid 1970s and that supporters of the space program had grown to find relief in such a presidency which they believed could help them obtain greater political support and funding Subsequent chapters explore the roles and political leadership vis vis government policy of presidents Eisenhower Kennedy Johnson Nixon Ford Carter and Reagan

**Differing Visions** Roger D. Launius, Linda Thatcher, 1998-01-15 The first serious attempt to analyze the careers of converts who later left the Mormon church this book contains selections about 18 Mormon dissenters David Whitmer Fawn Brody and Sonia Johnson among them contributed by Richard N Holzapfel John S McCormick Kenneth M Godfrey William D Russell Dan Vogel Jessie L Embry and many others Joseph Smith's Polygamy, Volume 1: History Brian C. Hales, 2013-02-26 Few American religious figures have stirred more passion among adherents and antagonists than Joseph Smith Born in 1805 and silenced thirty nine years later by assassins bullets he dictated more than one hundred revelations published books of new scripture built a temple organized several new cities and became the proclaimed prophet to tens of thousands during his abbreviated life Among his many novel teachings and practices none is more controversial than plural marriage a restoration of the Old Testament practice that he accepted as part of his divinely appointed mission Joseph Smith taught his polygamy doctrines only in secret and dictated a revelation in July 1843 authorizing its practice now LDS D C 132 that was never published during his lifetime Although rumors and expos s multiplied it was not until 1852 that Mormons in Brigham Young s Utah took a public stand By then thousands of Mormons were engaged in the practice that was seen as essential to salvation Victorian America saw plural marriage as immoral and Joseph Smith as acting on libido However the private writings of Nauvoo participants and other polygamy insiders tell another more complex and nuanced story Many of these accounts have never been published Others have been printed sporadically in unrelated publications Drawing on every known historical account whether by supporters or opponents Volumes 1 and 2 take a fresh look at the chronology and development of Mormon polygamy including the difficult conundrums of the Fannie Alger relationship polyandry the angel with a sword accounts Emma Smith s poignant response and the possibility of Joseph Smith offspring by his plural wives Among the most intriguing are the newly available Andrew Jenson papers containing not only the often quoted statements by surviving plural wives but also Jenson s own private research conducted in the late nineteenth century Telling the story of Joseph Smith s polygamy from the records of those who knew him best augmented by those who observed him from a distance may have produced the most useful view of all Unpopular Sovereignty Brent M. Rogers, 2017-02-01 6 The U S Army and the Symbolic Conquering of Mormon Sovereignty 7 To 1862 The Codification of Federal Authority and the End of

Popular Sovereignty in the Western Territories Conclusion Notes Bibliography Index      **From Above and Below** Craig Livingston, 2013-06-01 2014 Best International Book Award Mormon History Association For the first century of their church's existence Mormon observers of international events studied and cheered global revolutions as a religious exercise As believers in divine human co agency many prominent Mormons saw global revolutions as providential precursors to the imminent establishment of the terrestrial kingdom of God French Revolutionary symbolism socialist critiques of industrialism American Indian nationalism and Wilsonian internationalism all became the raw materials of Mormon millennial theologies which were sometimes barely distinguishable from secular utopianism Many Mormon thinkers accepted secular revolutionary arguments that the old world order needed to be destroyed not merely reformed to clear the way for the new In *From Above and Below* author Craig Livingston tells the story of Mormon commentary on global revolutions from the European revolutions of 1848 to the collapse of Mormon faith in progress in the 1930s when revolutionary communist and fascist regimes exposed themselves as violent and repressive As the Church bureaucratized and assimilated to mainstream American and capitalist values Mormons became champions of the conservative view of political and social development for which they are known today The first Mormon converts in Mexico and France both political radicals would scarcely recognize the arch conservative twenty first century Church      **Sex and Sects** Stewart Davenport, 2022-03-17 With a revolution behind them a continent before them and the First Amendment protecting them religio sexual pioneers in antebellum America were free to strike out on their own breaking with the orthodoxies of the past Shakers followed the ascetic path Oneida Perfectionists accepted sex as a gift from God and Mormons redefined marriage in light of new religious revelations that also redefined God humankind spirit and matter Sex became a powerful way for each group to reinforce their sectarian identity as strangers in a strange land *Sex and Sects* tells the story of these three religiously inspired sexual innovations in America the celibate lifestyle of the Shakers the Oneida Community's system of controlled polyamory and plural marriage as practiced by the Mormons Stewart Davenport analyzes why these bold experiments rose and largely fell over the course of the nineteenth century within the confines of the new American republic Moving beyond a social scientific lens Davenport traces for the first time their fascinating shared trajectory as they emerged struggled institutionalized and declined in tandem and sheds historical light on the way in which Americans have discussed contested and redefined the institutions of marriage and family both in our private lives and in the public realm      *Foundational Texts of Mormonism* Mark Ashurst-McGee, Robin Jensen, Sharalyn D. Howcroft, 2018-02-16 Joseph Smith founding prophet and martyr of the Church of Jesus Christ of Latter day Saints personally wrote dictated or commissioned thousands of documents Among these are several highly significant sources that scholars have used over and over again in their attempts to reconstruct the founding era of Mormonism usually by focusing solely on content without a deep appreciation for how and why a document was produced This book offers case studies of the sources most often used by historians of the early Mormon experience Each

chapter takes a particular document as its primary subject considering the production of a document as an historical event in itself with its own background purpose circumstances and consequences The documents are examined not merely as sources of information but as artifacts that reflect aspects of the general culture and particular circumstances in which they were created This book will help historians working in the founding era of Mormonism gain a more solid grounding in the period s documentary record by supplying important information on major primary sources **More Wives Than One** Kathryn M. Daynes,2001 More Wives Than One offers an in depth look at the long term interaction between belief and the practice of polygamy or plural marriage among the Latter day Saints Focusing on the small community of Manti Utah Kathryn M Daynes provides an intimate view of how Mormon doctrine and Utah laws on marriage and divorce were applied in people s lives

*Come Up Hither to Zion* Cheryl L. Bruno,John S. Dinger,2024-06-11 *Come Up Hither to Zion* William Marks and the Mormon Concept of Gathering delves deep into the life of William Marks a devoted follower of Joseph Smith and a key figure in the early history of the Latter Day Saint movement Marks s journey from a descendant of Puritan settlers to a fervent convert to Mormonism is a fascinating exploration of faith community and the quest for spiritual truth As Marks navigates the tumultuous landscape of early Mormonism readers are taken on a gripping journey through pivotal moments such as the banking crisis in Kirtland the expulsion of Saints from Missouri and the clandestine practice of plural marriage However Marks s story goes beyond mere historical events it is a testament to the enduring struggle to define one s place within a religious tradition while attempting to balance devotion to the faith interpersonal relationships and personal integrity After the death of Joseph Smith Marks found himself at the center of a power struggle among various groups claiming succession His interactions with Brigham Young James Strang and others illuminate the diverse interpretations of Mormon doctrine and the differing visions of what Zion should be From his involvement in defining moments in Mormonism to his break with Young and eventual ordination to the First Presidency of the Reorganized Church Marks s life encapsulates the challenges and complexities of early Latter Day Saint history Through meticulous research and insightful analysis *Come Up Hither to Zion* sheds light on the intricate tapestry of beliefs and practices that shaped Marks s spiritual journey and offers a compelling exploration of the Mormon concept of gathering as both a physical and philosophical endeavor **Under the Banner of Heaven** Jon Krakauer,2004-06-08 NATIONAL BESTSELLER From the author of *Into the Wild* and *Into Thin Air* this extraordinary work of investigative journalism takes readers inside America s isolated Mormon Fundamentalist communities Now an acclaimed FX limited series streaming on HULU Fantastic Right up there with *In Cold Blood* and *The Executioner s Song* San Francisco Chronicle Defying both civil authorities and the Mormon establishment in Salt Lake City the renegade leaders of these Taliban like theocracies are zealots who answer only to God some 40 000 people still practice polygamy in these communities At the core of Krakauer s book are brothers Ron and Dan Lafferty who insist they received a commandment from God to kill a blameless woman and her baby girl Beginning with a meticulously researched account of

this appalling double murder Krakauer constructs a multi layered bone chilling narrative of messianic delusion polygamy savage violence and unyielding faith Along the way he uncovers a shadowy offshoot of America s fastest growing religion and raises provocative questions about the nature of religious belief      **Many Voices, One Nation** Margaret

Salazar-Porzio,Joan Fragaszy Troyano,Lauren Safranek,2017-05-30 Many Voices One Nation explores U S history through a powerful collection of artifacts and stories from America s many peoples Sixteen essays composed by Smithsonian curators and affiliated scholars offer distinctive insight into the peopling of the United States from the Europeans North American arrival in 1492 to the near present Each chapter addresses a different historical era and considers what quintessentially American ideals like freedom equality and belonging have meant to Americans of all backgrounds races and national origins through the centuries Much more than just an anthology this book is a vibrant cohesive presentation of everyday objects and ideas that connect us to our history and to one another Using these objects and personal stories as a transmitter the book invites readers to hear the voices of our many voices and contemplate the complexity of our one nation The stories and artifacts included in this volume bring our seemingly disparate pasts together to inspire possibilities for a shared future as we constantly reinterpret our e pluribus unum our nation of many voices      **Historical Dictionary of the Latter-day**

**Saints** Thomas G. Alexander,Davis Bitton,2019-10-08 The Church of Jesus Christ of Latter day Saints is a Christian church that was organized by six men in western New York in 1830 under the leadership of Joseph Smith the church has grown to more than 16 million members today A restoration of the primitive church organized by Jesus Christ in the first century C E the church s membership was originally all Americans The church is now however a worldwide church with more members who live outside the United States than inside The fourth edition of Historical Dictionary of the Latter day Saints contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on the important people ideas doctrine and events during the hundred ninety year history of The Church of Jesus Christ of Latter day Saints This book is an excellent resource for students researchers and anyone wanting to know more about The Church of Jesus Christ of Latter day Saints      **Our Common Country** Susan Sessions Rugh,2001 It features a major political

conflict at each stage of market expansion the Mormon troubles the Civil War and the Grange protest to highlight the transformations that took place Jacket      **Excavating Mormon Pasts** Newell C. Bringhurst,Lavina Fielding

Anderson,2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association Excavating Mormon Pasts assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century      *American Crucifixion* Alex Beam,2014-04-22 On June 27 1844 a

mob stormed the jail in the dusty frontier town of Carthage Illinois Clamorous and angry they were hunting down a man they

saw as a grave threat to their otherwise quiet lives the founding prophet of Mormonism Joseph Smith They wanted blood At thirty nine years old Smith had already lived an outsized life In addition to starting his own religion and creating his own Golden Bible the Book of Mormon he had worked as a water dowser and treasure hunter He d led his people to Ohio then Missouri then Illinois where he founded a city larger than fledgling Chicago He was running for president And secretly he had married more than thirty women In American Crucifixion Alex Beam tells how Smith went from charismatic leader to public enemy How his most seismic revelation the doctrine of polygamy created a rift among his people how that schism turned to violence and how ultimately Smith could not escape the consequences of his ambition and pride Mormonism is America s largest and most enduring native religion and the martyrdom of Joseph Smith is one of its transformational events Smith s brutal assassination propelled the Mormons to colonize the American West and claim their place in the mainstream of American history American Crucifixion is a gripping story of scandal and violence with deep roots in our national identity

Hosea Stout Stephen L. Prince, 2016-07-15 Hosea Stout witnessed and influenced many of the major civil and political events over fifty years of LDS history but until the publication of his diaries he was a relatively obscure figure to historians Hosea Stout Lawman Legislator Mormon Defender is the first ever biography of this devoted follower who played a significant role in Mormon and Utah history Stout joined the Mormons in Missouri in 1838 and followed them to Nauvoo where he rose quickly to become a top leader in the Nauvoo Legion and chief of police a position he also held at Winter Quarters He became the first attorney general for the Territory of Utah was elected to the Utah Territorial Legislature and served as regent for the University of Deseret which later became the University of Utah and as judge advocate of the Nauvoo Legion in Utah In 1862 Stout was appointed US attorney for the Territory of Utah by President Abraham Lincoln In 1867 he became city attorney of Salt Lake City and he was elected to the Utah House of Representatives in 1881 But Stout s history also had its troubled moments Known as a violent man and aggressive enforcer he was often at the center of controversy during his days on the police force and was accused of having a connection with deaths in Nauvoo and Utah Ultimately however none of these allegations ever found traction and the leaders of the LDS community especially Brigham Young saw to it that Stout was promoted to roles of increasing responsibility throughout his life When he died in 1889 Hosea Stout left a complicated legacy of service to his state his church and the members of his faith community **Feeding the Flock** Terryl L. Givens, 2017-06-01 Feeding the Flock the second volume of Terryl L Givens s landmark study of the foundations of Mormon thought and practice traces the essential contours of Mormon practice as it developed from Joseph Smith to the present Despite the stigmatizing fascination with its social innovations polygamy communalism its stark supernaturalism angels gold plates and seer stones and its most esoteric aspects a New World Garden of Eden sacred undergarments as well as its long standing outlier status among American Protestants Givens reminds us that Mormonism remains the most enduring and thriving product of the nineteenth century s religious upheavals and innovations Because

Mormonism is founded on a radically unconventional cosmology based on unusual doctrines of human nature deity and soteriology a history of its development cannot use conventional theological categories Givens has structured these volumes in a way that recognizes the implicit logic of Mormon thought The first book *Wrestling the Angel* centered on the theoretical foundations of Mormon thought and doctrine regarding God humans and salvation *Feeding the Flock* considers Mormon practice the authority of the institution of the church and its priesthood forms of worship and the function and nature of spiritual gifts in the church s history revealing that Mormonism is still a tradition very much in the process of formation At once original and provocative engaging and learned Givens offers the most sustained account of Mormon thought and practice yet written

This is likewise one of the factors by obtaining the soft documents of this **Kingdom On The Mississippi Revisited** by online. You might not require more epoch to spend to go to the books initiation as with ease as search for them. In some cases, you likewise complete not discover the revelation Kingdom On The Mississippi Revisited that you are looking for. It will enormously squander the time.

However below, later you visit this web page, it will be in view of that agreed easy to acquire as with ease as download guide Kingdom On The Mississippi Revisited
