DRAGON MEETS SUCCESSION IN AN EPIC REIMAGINING OF THE MAHABHARATA An unforgettable wild journey set in re imagined Vedic India SF Book Review Like Game of Thrones in an Indian alternative universe exhilarating heralds the arrival of a special new talent Dan Jones Mahabharata imbued with A Song of Ice and Fire The First Law Malazan Book of the Fallen Novel Notions SOME BALLADS ARE INKED IN BLOOD Bled dry by violent confrontations with the Magadhan Empire the Mathuran Republic simmers on the brink of oblivion Senator Krishna and his third wife Satyabhama have put their plans in motion both within and beyond the Republic s blood soaked borders to protect it from total annihilation But they are soon to discover that neither gold nor alliances last forever and that they are not the only players on the board Mati Pirate Princess of Kalinga has decided to mend her ways and become a good wife But old habits die hard especially when one habitually uses murder to settle old scores Brooding and beautiful Karna hopes to bury his brutal past but finds that destiny is a miser when it comes to granting second chances Hero turned torturer Shakuni limps through a path of daggers Meanwhile his foes and woes multiply leaving little time for vengeance Their lives are about to become yet more difficult as a cast of sinister queens naive kings pious assassins and ravenous priests are converging where the Son of Darkness is prophesied to rise even as forgotten Gods prepare to play their hand Transformation of a Village Sam Ayertey,2024-05-24 In Transformation of a Village experience the evolution of Adoma an African village on the brink of change When the elders alter the age old system of selecting rulers choosing merit over lineage a ripple of discord sweeps through the community Reluctantly crowned the new chief city bred John navigates a path of tradition and modernity aiming to uplift his village through self help projects But as he soon discovers the road to progress demands alliances beyond the village borders pulling the Central government into their fold to accelerate Adoma s journey towards a new dawn Through a blend of suspense and drama this tale explores the pulse of a community amidst a changing world **Unity of a People : Search for Peace in Okrika, River State, Nigeria** Charles Ogan,1988 **The Ggod E-Mails** R. W. Hamilton,E. K. Vyhmeister,2004-11-01 A Debate about Religion Jesus Christ and the Existence of God Two men from opposite viewpoints challenge each other s religious thinking to save each other from themselves and their seeming religious blindness In the process of point and counterpoint they find respect and admiration for each other while holding fast to their own beliefs A war of ideas ultimately leads to a peace of mind for both each convinced that the other is in a wrong place but for the right reasons Together they reach the startling conclusion that their opposite belief systems can peacefully coexist in a world threatened to be torn apart by religion Hollywood and History Jem Duducu,2023-09-15 There is no shortage of Hollywood films about historical events but what do the movies actually get right and why do they get so much wrong Hollywood loves a story good guys versus bad guys heroes winning the day and the guy gets the girl But we all know real life isn t exactly like that and this is even more true when we look at history Rarely do the just prevail and the three act story cannot exist over continents and decades of human interaction So when Hollywood decides to exploit history for profit we end up with a wide array of films

Some are comedies like Monty Python and the Holy Grail others are little more than action films playing dress up like Gladiator and many are Oscar contenders burdened with an enormous sense of self importance But very few are historically accurate From Cleopatra to Da 5 Bloods the reality is no matter what Hollywood's intentions are almost all historical films are an exaggeration or distortion of what really happened Sometimes the alterations are for the sake of brevity as watching a movie in real time about the Hundred Years War would literally kill you Other additions may be out of necessity since nobody thought to write down the everyday conversations between King Henry VIII and his second wife Anne Boleyn for The Other Boleyn Girl And some projects twist the facts to suit a more sinister purpose In Hollywood and History Jem Duducu takes readers through thousands of years of global history as immortalized and ultimately fictionalized by Hollywood exploring many facets of the representation of history in movies from the medieval times to the wild west and both World Wars Along the way readers will also better understand Hollywood's own history as it evolved from black and white silent shorts to the multiplex CGI epics of today As studios and audiences have matured through the years so too have their representations of history Armies will clash leaders will be slain empires will fall and a few historical inaccuracies will be pointed out along the way A must read for film and history fans alike

**A History of Ijeshaland** J. O. Oni, 1972      **Jeremiah's Journey** J Hand, 2012-09-20 This is a story of Jeremiah's rescue of the last Judean king's daughters It has elements of espionage action and adventure It may read like a modern thriller but it is based on the life of the biblical Jeremiah and the histories and traditions of other nations It operates on the assumption that Jeremiah did exactly what God told him that he would do God told Jeremiah that he would see the destruction of his nation but also the replanting and rebuilding in a different land that he did not know The history uses modern dates There are many espionage characteristics because while he loudly proclaimed God's message of the consequences to his nation of their choices he also had to use secrecy The survival of the culture in the captives taken to Babylonia depended on it Finally he would use secrecy to protect the last descendants of King David The main characters in this story besides Jeremiah are his partner Baruch a black royal guard captain Ebed Meleck and of course the king's daughters It does not conflict with the Bible but get ready to be entertained enlightened and inspired
