Kings And Queens Around The World:

World Monarchies and Dynasties John Middleton, 2015-06-01 Throughout history royal dynasties have dominated countries and empires around the world Kings queens emperors chiefs pharaohs czars whatever title they ruled by monarchs have shaped institutions rituals and cultures in every time period and every corner of the globe The concept of monarchy originated in prehistoric times and evolved over centuries right up to the present Efforts to overthrow monarchies or evade their rule such as the American French Chinese and Russian revolutions are considered turning points in world history Even today many countries retain their monarchies although in vastly reduced form with little political power One cannot understand human history and government without understanding monarchs and monarchies This fully illustrated encyclopedia provides the first complete survey of all the major rulers and ruling families of the world past and present No other reference work approaches the topic with the same sense of magnitude or connection to historical context Arranged in A Z format for ease of access World Monarchies and Dynasties includes information on major monarchs and dynasties from ancient time to the present This set includes overviews of reigns and successions genealogical charts and dynastic timelines addresses concepts problems and theories of monarchy provides background and information for further research highlights important places structures symbols events and legends related to particular monarchs and dynasties includes a master bibliography and multiple indexes

Kings, Queens and Fallen Monarchies Robert Stove, 2024-12-30 Explores the interwar movements to restore Europe's deposed royal houses examining their political significance and influence on global power dynamics Among the great hidden narratives of twentieth century history are the movements in Europe which between the two world wars aimed to restore the royal and imperial houses forced out of power in 1918 or in Portugal's case eight years earlier These efforts acquired media coverage and often strategic importance far greater than would be now supposed from the cursory often dismissive treatment which they have received from most historians since Campaigns to reinstate such dynasties as the Hohenzollerns the Habsburgs the Wittelsbachs the Braganças and even France's House of Orléans were taken seriously at the highest governmental and journalistic levels in London and Paris not to mention the Holy See Upon the whole phenomenon this book seeks to shed light It discusses both the phenomenon's soft power manifestations the designs of newspaper tycoon Lord Rothermere upon the Hungarian throne for his son for instance and the phenomenon's hard power manifestations among which probably the most dramatic were the successful monarchical campaigns in Albania and Greece With a cast that includes not only the monarchist candidates themselves but Churchill Lloyd George Hitler Mussolini and Franco this is a drama that embraces a continent and forces thorough reappraisals of events which we thought we knew No one can read it without acquiring a firmer grasp of political power's very nature and the sheer narrowness of the gap between victory and defeat

Monarchies 1000-2000 W. M. Spellman, 2004-04-01 Monarchies 1000 2000 surveys a form of government whose legitimacy rests not on voluntary consensus but on age old custom heredity and or religious sanction

Global in scope and comparative in approach W M Spellman's survey establishes connections between monarchy as idea and practice in a variety of historical and cultural contexts across a millennium when the system was without serious rival Spellman examines the intellectual assumptions behind different models of monarchy tracing the ways in which each of these assumptions shifted in response to historical factors While no human institution has retreated as rapidly in the modern period monarchy's remarkable longevity invites us to weigh the significance of hierarchy subordination and dependence as constants of the human experience

Monarchy Alex Webb, 2025-01-01 A monarchy is a system in which one person holds absolute power over all the people in a country But how does this idea work in action This fascinating title looks at monarchy its history and its place in the world today It compares kings and queens past with present monarchs and explores the most intriguing monarchs in world history Discover the theoretical ideas behind monarchy how it works in action and the countries in which this political system is still in place Clear explanatory text examines how monarchy works in practice along with the theological ideas behind the politics Detailed sidebars set out case studies that explore monarchs and monarchy and ask readers critical thinking questions to help develop your own thoughts about the idea of kingdoms and kingship The history of rule by monarchs is explored and contrasted with monarchy in the world today Biographical features showcase some of the world's most famous monarchs and the often violent fates that ended their reigns Monarchy is a must have introduction to the world of politics

Royal Capitalism Puangchon Unchanam, 2020-01-14 Thanks to its active role in national politics the market economy and popular culture the Thai crown remains both the country's dominant institution and one of the world's wealthiest monarchies Puangchon Unchanam examines the reign of Thailand's King Bhumibol Adulyadej or Rama IX 1946 2016 and how the crown thrived by transforming itself into a distinctly bourgeois monarchy that co-opted middle class values of hard work frugality and self sufficiency The kingdom positioned itself to connect business elites patronize local industries and form strategic partnerships with global corporations Instead of restraining or regulating royal power white collar workers joined with the crown to form a dynamic symbiotic force that has left the lower classes to struggle in their wake Unchanam presents a surprising case study that kings and queens live long and large in cooperation with the bourgeoisie's interests and ideology

Tempest: A High School Bully Romance Rachel Angel, 2019-08-05 It was the Most Elite of Elites a School So Exclusive You Need Royal Blood to Be Accepted Until Me the First Commoner to Enter An Entire School Against Me It s a Good Thing I m a Champion Fighter And A Girl Bad Boy Royals of Kingsbury Prep is loosely based on a true life prep school only for Royals SERIES DESCRIPTION Take her down Make her leave Kingsbury Prep is a 500 year old institution The most elite of prep schools that almost every student has royal blood A commoner like Tempest Ryan does not belong We will break her break her will break her heart She will wish she never step foot into Kingsbury We have declared war on her The envelope has been tossed Black Anyone is game I didn t asked to go to Kingsbury Prep My little sister secretly sent in an application I know I am nowhere near the ideal student for Kingsbury Prep But I won t be pushed out of anywhere just because three spoiled brats known as the Royals deemed it so Living on the streets managing to go to school work part time at any odd job to take care of my sister taught me how to fight And dream of a better life I won t let them take away that dream for my sister I won t let them win They declared war on me and the whole school is game Well boys you re in for a ride Because you picked on the wrong girl I m capable of anything your royal butts can t even imagine I don t play games Life is tough enough already But since you started it watch your backs because I m not called Tempest for nothing TEMPEST is a reverse harem mature high school bully romance novel This is book one of six in the series Contains foul language and sexual scenes any sex featured is consensual between 18 year old characters Possible triggers suicide This is a bully romance but by no means do we endorse any act of bullying in real life The author is also a well known advocate for bully awareness and prevention This is a work of pure fiction recommended for Mature Readers age

17 and up The Complete Home Learning Sourcebook Rebecca Rupp,1998 Lists all the resources needed to create a balanced curriculum for homeschooling from preschool to high school level *The Renaissance* Tim McNeese,1999-09-01 The Renaissance provides an overview of the unprecedented intellectual cultural and artistic flourishing from the 1300s to the 1500s The invention of the printing press the birth of humanism and the life of Leonardo da Vinci are among the dramatic events vividly documented in this richly illustrated text Challenging review questions encourage meaningful reflection and historical analysis A unit test and answer key are included American Bloodline Bob Nienaber,2019-03-04 Charlie seems like a normal modern guy and up to now he didn t even know about his amazing bloodline which reaches back to the lost tribe of Benjamin After the Benjamins defeated the Romans they left Israel and wandered through northern Germany Charlie is astonished to learn that his ancestors played a role in Charlemagne s ascension William the Conqueror s rule over Normandy and England and the founding of the American colonies But the family s place in history isn t just impressive it s otherworldly Along the way there was a dose of the divine from Poseidon himself injecting powers of mythical proportion into the bloodline Now Charlie s own powers have awakened as he finds himself heir to wealth beyond his wildest dreams He s always thought he was on the outside looking in but now he learns that those set apart can become leaders heroes and world changers Armed with his new knowledge Charlie discovers that the very traits that made his family different also gave them strength and tenacity *Song King* Levi S. Gibbs,2018-05-31 When itinerant singers from China s countryside become iconic artists worlds collide The lives and performances of these representative singers become sites for conversations between the rural and urban local and national folk and elite and traditional and modern In *Song King Connecting People Places and Past in Contemporary China* Levi S Gibbs examines the life and performances of Folksong King of Western China Wang Xiangrong b 1952 and explores how itinerant performers come to serve as representative symbols straddling different groups connecting diverse audiences and shifting between amorphous place based local regional and national identities Moving from place to place these border walkers embody connections between a range of localities presenting audiences with traditional modern rural and urban identities among which to continually reposition themselves in an evolving world Born in a small mountain village near the intersection of the Great Wall and the Yellow River in a border region with a rich history of migration Wang Xiangrong was exposed to a wide range of songs as a child The songs of Wang s youth prepared him to create a repertoire of region representing pieces and mediate between regions nations and multinational corporations in national and international performances During the course of a career that included meeting Deng Xiaoping in 1980 and running with the Olympic torch in 2008 Wang s life songs and performances have come to highlight various facets of social identity in contemporary China Drawing on extensive fieldwork with Wang and other professional folksingers from northern Shaanxi province at weddings Chinese New Year galas business openings and Christmas concerts *Song King* argues that songs act as public conversations people can join in on As song kings and queens fuse personal and collective narratives in

performances of iconic songs they provide audiences with compelling models for socializing personal experience negotiating a sense of self and group in an ever changing world

Light on the Path Osho,2023-08-17 The first thing for a patient to go to the doctor you must make him realize that he is sick otherwise there is no need to go to the doctor So the people you want to encourage into meditation first you have to make them aware that they are frustrated perhaps for so long that they have forgotten that they are sad They cannot remember when they laughed from their very hearts They have become robots they do things because they have to be done but there is no joy in doing them

Strange Royal Traditions Amelia Khatri,AI,2025-02-12 Strange Royal Traditions explores the fascinating and often bizarre customs upheld by royal families throughout history and across the globe It examines how seemingly odd practices such as sneezing being a capital offense in some courts or the elaborate rituals surrounding royal births served essential roles in reinforcing social hierarchies and legitimizing rule The book isn't just a catalog of strange traditions it delves into the reasons behind them uncovering the beliefs and values that underpinned these royal customs and shaped historical events The book progresses by first examining the origins and evolution of royal traditions It then focuses on legal oddities like sumptuary laws dictating dress and elaborate rituals surrounding life events such as marriages and coronations By taking a comparative approach Strange Royal Traditions highlights universal themes in royal behavior while also showcasing unique cultural variations in royal life The book uses historical documents anthropological studies and accounts of royal life to support its arguments making it valuable for anyone interested in history and culture
